Item 1.01 Entry into a Material Definitive Agreement.

Agreement and Plan of Merger

On October 27, 2025, Qorvo, Inc., a Delaware corporation (“Qorvo”), entered into an Agreement and Plan of Merger (the “Merger Agreement”), by and among Skyworks Solutions, Inc., a Delaware Corporation (“Skyworks”), Qorvo, Inc., Comet Acquisition Corp., a Delaware corporation and a wholly owned subsidiary of Skyworks (“Merger Sub I”), and Comet Acquisition II, LLC, a Delaware limited liability company and a wholly owned subsidiary of Skyworks (“Merger Sub II”). Pursuant to the Merger Agreement, and subject to the satisfaction or waiver of the conditions specified therein, (i) Merger Sub I will merge with and into Qorvo (the “First Merger”), with Qorvo surviving the First Merger as a wholly owned subsidiary of Skyworks (the “Surviving Corporation”), and (ii) immediately following the First Merger, and as the second step in a single integrated transaction with the First Merger, the Surviving Corporation will merge with and into Merger Sub II (the “Second Merger,” and together with the First Merger, the “Mergers”), with Merger Sub II continuing as the surviving entity in the Second Merger and a wholly owned subsidiary of Skyworks (the “Surviving Company”). Capitalized terms used but not defined herein have the meanings specified in the Merger Agreement.

Qorvo’s Board of Directors (the “Board”) has unanimously approved the Merger Agreement and resolved to recommend that Qorvo stockholders approve the adoption of the Merger Agreement and the Mergers contemplated thereby.

Merger Consideration

At the effective time of the First Merger (the “Effective Time”), each share of Common Stock, par value \$0.0001 per share, of Qorvo (“Qorvo Common Stock”) outstanding immediately prior to the Effective Time (subject to certain exceptions, including shares of Qorvo Common Stock owned by stockholders of Qorvo who have not voted in favor of the adoption of the Merger Agreement and have properly exercised appraisal rights in accordance with Section 262 of the General Corporation Law of the State of Delaware (the “DGCL”)) will be converted into the right to receive (i) 0.960 (the “Exchange Ratio”) shares of Skyworks Common Stock, without interest, and (ii) \$32.50 in cash, without interest (the “Per Share Cash Amount”), subject to applicable withholding taxes (the foregoing clauses (i) and (ii), collectively, the “Merger Consideration”). No fractional shares of Skyworks Common Stock will be issued in the Mergers, and Qorvo stockholders will receive cash in lieu of any fractional shares, as specified in the Merger Agreement.

If the Mergers are consummated, Qorvo Common Stock will be delisted from the Nasdaq Stock Market LLC (“Nasdaq”) and deregistered under the Securities Exchange Act of 1934, as amended. The Exchange Ratio is expected to result in Qorvo equityholders and Skyworks equityholders owning approximately 37% and 63%, respectively, of the combined company on a pro forma basis following the closing of the transactions contemplated by the Merger Agreement (the “Closing,” and the date on which the Closing occurs, the “Closing Date”).

Pursuant to the Merger Agreement, at the Effective Time, each Qorvo restricted stock unit (“Qorvo RSU Award”) that is (i) vested but not yet settled as of immediately prior to the Effective Time, (ii) by its terms becomes vested as a result of the occurrence of the Closing or (iii) is held by a non-employee member of the Qorvo board of directors as of immediately prior to the Effective Time (collectively, the “Accelerated Qorvo RSUs”), shall be cancelled in consideration for the right to receive (A) the Merger Consideration in respect of each share of Qorvo Common Stock that was subject to such Accelerated Qorvo RSU immediately prior to the Effective Time, and (B) an amount in cash equal to all dividend equivalents, if any, accrued but unpaid as of the Effective Time with respect to each such Accelerated Qorvo RSU. The number of shares of Qorvo Common Stock subject to any Accelerated Qorvo RSUs that remains subject to performance-based vesting conditions as of immediately prior to the Closing Date (i.e., any Qorvo RSU Award for which the level of performance vesting has not yet been determined) shall be determined by assuming, in respect of such Qorvo RSU Award, achievement at target performance, subject to certain exceptions for individuals for whom achievement will be assumed at the greater of target performance and actual performance as of immediately prior to the Effective Time.

Pursuant to the Merger Agreement, as of the Effective Time, each Qorvo RSU Award that is outstanding immediately prior to the Effective Time, other than an Accelerated Qorvo RSU, will be assumed by Skyworks and converted automatically into a restricted stock unit award covering shares of Skyworks Common Stock (each, an

“Adjusted RSU Award”), on the same terms and conditions as were applicable under the Qorvo RSU Award as of immediately prior to the Effective Time (other than performance-based vesting conditions, which shall not apply following the Effective Time, with dividend equivalents continuing to accrue in respect of such Adjusted RSU Awards and with all accrued dividend equivalents paid at such time as the Adjusted RSU Award is settled), except that the number of shares of Skyworks Common Stock subject to the Adjusted RSU Award as of the Effective Time will be determined by multiplying (i) the number of shares of Qorvo Common Stock subject to the corresponding Qorvo RSU Award immediately prior to the Effective Time, by (ii) the Conversion Ratio, with any fractional shares in the resulting product rounded to the nearest whole share. The number of shares of Qorvo Common Stock subject to any Qorvo RSU Award that remains subject to performance-based vesting conditions as of immediately prior to the Closing Date, including any accrued but unpaid dividend equivalents (i.e., any Qorvo RSU Award for which the level of performance vesting has not yet been determined), shall be determined by assuming, in respect of such Qorvo RSU Award, achievement at target performance, subject to certain exceptions for individuals for whom achievement will be assumed at the greater of target performance and actual performance as of immediately prior to the Effective Time. In the event of a termination of employment of any holder of an Adjusted RSU Award by Skyworks, the Surviving Company or one of their affiliates without “cause” or by such holder with “good reason” (as defined in the applicable Qorvo equity plan or equity award agreement), in each case within the 18-month period following the Closing Date, any such Adjusted RSU Awards held by such holder will accelerate and vest in full. The “Conversion Ratio” means an amount equal to the sum of (A) the Exchange Ratio, plus (B) the quotient obtained by dividing the Per Share Cash Amount by the “Skyworks Measurement Price,” which is the volume weighted average trading price of Skyworks Common Stock on Nasdaq for the five consecutive trading days ending on the trading day immediately preceding the Closing Date, as calculated by Bloomberg L.P.

Governance

Pursuant to the Merger Agreement, immediately following the Effective Time, the Board will be comprised of 11 directors, consisting of (i) the Chief Executive Officer of Skyworks, who will be the Chief Executive Officer of Skyworks following the Closing, (ii) seven directors designated by Skyworks and (iii) three directors designated by Qorvo who are reasonably acceptable to Skyworks, each of whom will hold office until the next annual meeting of stockholders of Skyworks. Promptly following the Closing, the Board will also designate a Chairman. Robert Bruggeworth, Qorvo’s current President, Chief Executive Officer and director, will be one of Qorvo’s designees upon the Closing.

Closing Conditions

Completion of the Mergers is subject to certain closing conditions, including (1) the adoption of the Merger Agreement by the holders of a majority of the shares of Qorvo Common Stock outstanding, (2) the expiration or early termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the approval of the Mergers under certain other antitrust and foreign investment regimes, (3) the absence of any order, injunction or law of such jurisdictions prohibiting the Mergers, (4) the effectiveness of the registration statement pursuant to which shares of Skyworks Common Stock to be issued in the Mergers will be registered with the U.S. Securities and Exchange Commission (the “SEC”), (5) the approval of the issuance of shares of Skyworks Common Stock included in the Merger Consideration by a majority in voting power of Skyworks stockholders present at the Skyworks Stockholder Meeting and entitled to vote thereon, (6) the accuracy of the other party’s representations and warranties, subject to certain standards set forth in the Merger Agreement, (7) compliance in all material respects with the other party’s obligations under the Merger Agreement and (8) the absence of a continuing material adverse effect with respect to each of Qorvo and Skyworks. The parties anticipate the transaction to close early in calendar year 2027.

No Solicitation; Board Recommendation

Each of Qorvo and Skyworks has also agreed not to (a) solicit proposals relating to alternative acquisition transactions or (b) enter into discussions or negotiations or provide non-public information in connection with any proposal for an alternative acquisition transaction from a third party, subject to certain exceptions to permit its respective board of directors to comply with its fiduciary obligations. Each party has further agreed to cease and cause to be terminated any existing discussions or negotiations, if any, with regard to alternative acquisition transactions. However, subject to the conditions specified in the Merger Agreement, prior to receipt of the requisite

stockholder approval of each party, each party's respective board of directors may consider and ultimately change its recommendation with respect to, and may terminate the Merger Agreement in response to, an unsolicited, bona fide acquisition proposal that such board of directors determines in good faith constitutes a Superior Proposal, subject to customary match rights. Each party's board of directors may also change its recommendation in response to an Intervening Event.

Termination and Fees

The Merger Agreement may be terminated under certain circumstances, including (1) by either Qorvo or Skyworks if the Mergers are not completed by April 27, 2027, which date may be extended to July 27, 2027 and to October 27, 2027, in each case under certain circumstances (the "**Outside Date**"), (2) by either Qorvo or Skyworks if any specified governmental authority has issued a final non-appealable order or injunction prohibiting the Mergers, (3) by either Qorvo or Skyworks if either party fails to obtain the requisite approval of its stockholders, (4) by either Qorvo or Skyworks if the other party's board of directors changes its recommendation to its stockholders to vote in favor of the adoption of the Merger Agreement (in the case of Qorvo) or the issuance of Skyworks Common Stock pursuant to the Merger Agreement (in the case of Skyworks), (5) by either party in order to accept a Superior Proposal or (6) by either party if the other party materially breaches its covenants, or breaches its representations and warranties, in the Merger Agreement such that the applicable conditions to closing would not be satisfied, subject in certain cases to the right of the breaching party to cure the breach. Qorvo and Skyworks may also terminate the Merger Agreement by mutual written consent.

Upon termination of the Merger Agreement, each of Qorvo and Skyworks under specified circumstances, including termination by such party to accept a Superior Proposal or termination by the other party upon a change in such party's board of directors' recommendation to its stockholders, will be required to pay the other party a termination fee of \$298,692,098. Additionally, Skyworks, under specified circumstances, including termination following an injunction arising in connection with certain antitrust or foreign investment laws, or failure to receive certain required regulatory approvals of specified governmental authorities by the Outside Date, will be required to pay Qorvo a termination fee of \$100,000,000.

Other Terms of the Merger Agreement

The Merger Agreement contains customary representations, warranties and covenants made by each of the parties, including, among others, covenants regarding the conduct of Qorvo's and Skyworks' businesses during the pendency of the transaction, the making of certain public disclosures and other matters as described therein. The parties have agreed to use reasonable best efforts to take all actions necessary to consummate the Mergers, including cooperating to obtain the regulatory approvals necessary to complete the Mergers.

Voting and Support Agreement

Concurrently with the execution of the Merger Agreement, Skyworks and certain stockholders of Qorvo affiliated with Starboard Value ("**SBV**"), an affiliate of Peter Feld, a member of the board of directors of Qorvo so designated by SBV (each, a "**Stockholder**"), entered into a Voting and Support Agreement (the "**VSA**"), pursuant to which each Stockholder has agreed to vote its shares of Qorvo Common Stock in favor of the adoption of the Merger Agreement and the transactions contemplated thereby, and to vote such shares against any competing acquisition proposal or any other action that would reasonably be expected to interfere with the transactions contemplated by the Merger Agreement. As of October 24, 2025, the Stockholders collectively held approximately 8% of Qorvo's issued and outstanding shares.

Each Stockholder has also agreed, prior to the earliest to occur of (i) the Effective Time, (ii) the termination of the Merger Agreement, (iii) the date of any Qorvo Triggering Event or Skyworks Triggering Event, (iii) the mutual written consent of Skyworks, Qorvo and the applicable Stockholder, (iv) the conclusion of the Qorvo stockholder meeting to adopt the Merger Agreement and the transactions contemplated thereby and (v) nine months from the date of the VSA, not to sell or transfer its shares of Qorvo Common Stock, subject to certain exceptions as specified in the VSA, and has agreed to cease discussions regarding and not to solicit any competing acquisition proposal. The VSA will terminate, as to each Stockholder, upon the earliest to occur of (a) the Effective Time, (b) the termination

of the Merger Agreement, (c) the date of any Qorvo Triggering Event or Skyworks Triggering Event and (d) the written consent of Skyworks, Qorvo and the applicable Stockholder.

The foregoing description of the Merger Agreement and the VSA does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and the VSA, a copy of which is attached hereto as Exhibit 10.1, each of which is incorporated herein by reference. A copy of the Merger Agreement and the VSA have been included to provide Qorvo stockholders and other security holders with information regarding their terms and are not intended to provide any factual information about Qorvo, Skyworks, Merger Sub I, Merger Sub II or their respective affiliates. The representations, warranties and covenants contained in the Merger Agreement and the VSA have been made solely for purposes of the Merger Agreement and the VSA, respectively, and as of specific dates; were made solely for the benefit of the parties to the Merger Agreement and the VSA, respectively; are not intended as statements of fact to be relied upon by Qorvo stockholders or other security holders, but rather as a way of allocating the risk between the parties in the event the statements therein prove to be inaccurate; have been modified or qualified by certain confidential disclosures that were made between the parties in connection with the negotiation of the Merger Agreement and the VSA, which disclosures are not reflected in the Merger Agreement and the VSA itself; may no longer be true as of a given date; and may apply standards of materiality in a way that is different from what may be viewed as material by Qorvo stockholders or other security holders. Qorvo stockholders and other security holders are not third-party beneficiaries under the Merger Agreement or the VSA (except, following the Effective Time, with respect to Qorvo stockholders' right to receive the Merger Consideration and the right of holders of Qorvo equity awards to receive the consideration provided for such equity awards pursuant to the Merger Agreement) and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Skyworks, Qorvo, Merger Sub I, Merger Sub II or their respective affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement and the VSA, which subsequent information may or may not be fully reflected in Qorvo's public disclosures. Qorvo acknowledges that, notwithstanding the inclusion of the foregoing cautionary statements, it is responsible for considering whether additional specific disclosures of material information regarding material contractual provisions are required to make the statements in this Current Report on Form 8-K not misleading. The Merger Agreement and the VSA should not be read alone but should instead be read in conjunction with the other information regarding the Merger Agreement, the VSA, the Mergers, Skyworks, Qorvo, Merger Sub I, Merger Sub II, their respective affiliates and their respective businesses, that will be contained in, or incorporated by reference into, the Proxy Statement that Qorvo and Skyworks will file, as well as in the Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and other filings that Qorvo will make with the U.S. Securities and Exchange Commission (the "SEC").

Cautionary Statement Regarding Forward-Looking Statements

This document contains “forward-looking statements” within the meaning of the federal securities laws, including Section 27A of the U.S. Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are based on Skyworks’ and Qorvo’s current expectations, estimates and projections about the expected date of closing of the proposed transaction and the potential benefits thereof, their respective businesses and industries, management’s beliefs and certain assumptions made by Skyworks and Qorvo, all of which are subject to change. In this context, forward-looking statements often address expected future business and financial performance and financial condition, and often contain words such as “expect,” “anticipate,” “intend,” “plan,” “believe,” “could,” “seek,” “see,” “will,” “may,” “would,” “might,” “potentially,” “estimate,” “continue,” “expect,” “target,” similar expressions or the negatives of these words or other comparable terminology that convey uncertainty of future events or outcomes. All forward-looking statements by their nature address matters that involve risks and uncertainties, many of which are beyond our control and are not guarantees of future results, such as statements about the consummation of the proposed transaction and the anticipated benefits thereof. These and other forward-looking statements, including the failure to consummate the proposed transaction or to make or take any filing or other action required to consummate the transaction on a timely matter or at all, are not guarantees of future results and are subject to risks, uncertainties and assumptions that could cause actual results to differ materially from those expressed in any forward-looking statements. Accordingly, there are or will be important factors that could cause actual results to differ materially from those indicated in such statements and, therefore, you should not place undue reliance on any such statements and caution must be exercised in relying on forward-looking statements. Important risk factors that may cause such a difference include, but are not limited to: (i) the completion of the proposed transaction on anticipated terms and timing, including obtaining shareholder and regulatory approvals, anticipated tax treatment, unforeseen liabilities, future capital expenditures, revenues, expenses, earnings, synergies, economic performance, indebtedness, financial condition, losses, future prospects, business and management strategies, expansion and growth of Qorvo’s and Skyworks’ businesses and other conditions to the completion of the proposed transaction; (ii) failure to realize the anticipated benefits of the proposed transaction, including as a result of delay in completing the transaction or integrating the businesses of Skyworks and Qorvo; (iii) Skyworks’ and Qorvo’s ability to implement their business strategies; (iv) pricing trends; (v) potential litigation relating to the proposed transaction that could be instituted against Skyworks, Qorvo or their respective directors; (vi) the risk that disruptions from the proposed transaction will harm Skyworks’ or Qorvo’s business, including current plans and operations; (vii) the ability of Skyworks or Qorvo to retain and hire key personnel; (viii) potential adverse reactions or changes to business relationships resulting from the announcement, pendency or completion of the proposed transaction; (ix) uncertainty as to the long-term value of Skyworks’ common stock; (x) legislative, regulatory and economic developments affecting Skyworks’ and Qorvo’s businesses; (xi) general economic and market developments and conditions; (xii) the evolving legal, regulatory and tax regimes under which Skyworks and Qorvo operate; (xiii) potential business uncertainty, including changes to existing business relationships, during the pendency of the proposed transaction that could affect Skyworks’ or Qorvo’s financial performance; (xiv) restrictions during the pendency of the proposed transaction that may impact Skyworks’ or Qorvo’s ability to pursue certain business opportunities or strategic transactions; (xv) unpredictability and severity of catastrophic events, including, but not limited to, acts of terrorism or outbreak of war or hostilities, as well as Skyworks’ and Qorvo’s response to any of the aforementioned factors; and (xvi) failure to receive the approval of the stockholders of Skyworks and Qorvo. These risks, as well as other risks associated with the proposed transaction, are more fully discussed in the proxy statement/prospectus to be filed with the U.S. Securities and Exchange Commission in connection with the proposed transaction. While the list of factors presented here is, and the list of factors presented in the proxy statement/prospectus will be, considered representative, no such list should be considered to be a complete statement of all potential risks and uncertainties. Unlisted factors may present significant additional obstacles to the realization of forward looking statements. Consequences of material differences in results as compared with those anticipated in the forward-looking statements could include, among other things, business disruption, operational problems, financial loss, legal liability to third parties and similar risks, any of which could have a material adverse effect on Skyworks’ or Qorvo’s consolidated financial condition, results of operations or liquidity. Neither Skyworks nor Qorvo assumes any obligation to publicly provide revisions or updates to any forward-looking statements, whether as a result of new information, future developments or otherwise, should circumstances change, except as otherwise required by securities and other applicable laws.

WHEREAS, in anticipation of the Mergers, Skyworks has formed Merger Sub I and Merger Sub II as direct wholly owned subsidiaries of Skyworks.

WHEREAS, each of Skyworks, Qorvo, Merger Sub I and Merger Sub II desires, following the satisfaction or waiver of the conditions set forth in Article VIII, to effect: (1) the merger of Merger Sub I with and into Qorvo (the “First Merger”), with Qorvo as the surviving corporation in the First Merger (the “Surviving Corporation”) and the Surviving Corporation becoming a wholly owned subsidiary of Skyworks; and (2) immediately following the First Merger, and as the second step in a single integrated transaction with the First Merger, the merger of the Surviving Corporation with and into Merger Sub II (the “Second Merger,” and together with the First Merger, the “Mergers”), with Merger Sub II continuing as the surviving entity in the Second Merger (the “Surviving Company”) and a wholly-owned subsidiary of Skyworks, in each case, upon the terms and subject to the conditions of this Agreement and in accordance with the DGCL and the Delaware Limited Liability Company Act (“DLLCA”).

WHEREAS, the Board of Directors of Skyworks (the “Skyworks Board”) has unanimously (i) determined that this Agreement and the transactions contemplated by this Agreement (collectively, the “Transactions”) are advisable, fair to and in the best interests of, Skyworks and its stockholders; (ii) approved and declared advisable this Agreement and the transactions contemplated hereby, including the Mergers, on the terms and subject to the conditions set forth herein; (iii) subject to the terms hereof, resolved to recommend that Skyworks’ stockholders approve the issuance of Skyworks Common Stock pursuant to this Agreement (collectively, the “Skyworks Board Recommendation” and together with the Qorvo Board Recommendation, the “Board Recommendations” and “Board Recommendation” shall mean any of them); and (iv) directed that the issuance of Skyworks Common Stock pursuant to this Agreement be submitted to Skyworks’ stockholders for approval at a duly held meeting of such stockholders for such purpose (including any adjournment or postponement thereof, the “Skyworks Stockholder Meeting”).

WHEREAS, the Board of Directors of Qorvo (the “Qorvo Board”) has unanimously (i) determined that this Agreement and the transactions contemplated by this Agreement, including the Mergers, are advisable, fair to and in the best interests of Qorvo and its stockholders; (ii) approved and declared advisable this Agreement and the transactions contemplated hereby and thereby, including the Mergers, on the terms and subject to the conditions set forth herein; (iii) subject to the terms hereof, resolved to recommend that Qorvo’s stockholders adopt and approve this Agreement and approve the Mergers (collectively, the

“Qorvo Board Recommendation”); and (iv) directed that this Agreement be submitted to Qorvo’s stockholders for adoption at a duly held meeting of such stockholders for such purpose (including any adjournment or postponement thereof, the “Qorvo Stockholder Meeting”).

WHEREAS, the Board of Directors of Merger Sub I has unanimously (i) determined that this Agreement and the transactions contemplated hereby, including the Mergers, are advisable, fair to, and in the best interests of, Merger Sub I and its sole stockholder and (ii) approved and declared advisable this Agreement and the transactions contemplated hereby, including the Mergers.

WHEREAS, the Board of Managers of Merger Sub II has unanimously (i) determined that this Agreement and the transactions contemplated hereby, including the Mergers, are advisable, fair to, and in the best interests of, Merger Sub II and its sole member and (ii) approved and declared advisable this Agreement and the transactions contemplated hereby, including the Mergers.

WHEREAS, Skyworks, Qorvo and Merger Subs desire to make certain representations, warranties, covenants and agreements in connection with the Mergers and also to prescribe certain conditions to the Mergers.

WHEREAS, for United States federal income tax purposes, it is intended that the Mergers, taken together, will qualify as a “reorganization” within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the “Code”) (the “Intended Tax Treatment”), and that this Agreement is intended to be, and is hereby adopted as, a “plan of reorganization” for purposes of Sections 354, 361 and 368 of the Code and within the meaning of Treasury Regulations Section 1.368-2(g).

WHEREAS, as a condition to Skyworks and Merger Subs’ willingness to enter into this Agreement, simultaneously with the execution and delivery of this Agreement, affiliates of Starboard Value are entering into a voting and support agreement (the “Voting and Support Agreement”) pursuant to which such stockholders are agreeing, among other things, on the terms and subject to the conditions of such Voting and Support Agreement, to vote such stockholders’ shares of Qorvo Common Stock in favor of the approval of the Transactions and to take certain other actions in furtherance thereof.

NOW, THEREFORE, in consideration of the foregoing, and the representations, warranties, covenants and agreements set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

ARTICLE I

THE MERGERS

Section 1.1 The Mergers.

(a) First Merger. Upon the terms and subject to the conditions set forth in this Agreement and in accordance with the General Corporation Law of the State of Delaware (the

“DGCL”), at the Effective Time (as defined below), Merger Sub I shall be merged with and into Qorvo. Following the Effective Time, the separate corporate existence of Merger Sub I shall cease, and Qorvo shall continue as the surviving corporation in the First Merger and shall succeed to and assume all the rights, privileges, immunities, properties, powers and franchises of Merger Sub I in accordance with the DGCL.

(b) Second Merger. Upon the terms and subject to the conditions set forth in this Agreement and in accordance with the DGCL and the DLLCA, immediately following the Effective Time, the Surviving Corporation shall be merged with and into Merger Sub II. Following the Second Effective Time (as defined below), the separate corporate existence of the Surviving Corporation shall cease, and Merger Sub II shall continue as the Surviving Company of the Second Merger and shall succeed to and assume all the rights, privileges, immunities, properties, powers and franchises of the Surviving Corporation in accordance with the DGCL and the DLLCA.

Section 1.2 Closing. The closing of the Mergers (the “Closing”) shall take place at 7:00 a.m., Pacific Time, no later than the fifth (5th) Business Day (the “Specified Date”) after satisfaction or waiver of all of the conditions set forth in Article VIII (other than those conditions that by their terms are to be fulfilled at the Closing, but subject to the fulfillment or waiver of such conditions), at the offices of Skadden, Arps, Slate, Meagher & Flom LLP (“Skadden”) located at 525 University Avenue, Suite 1400, Palo Alto, CA 94301, unless another time, date or place is agreed to in writing by the parties hereto (the date on which the Closing occurs, the “Closing Date”).

Section 1.3 Effective Times.

(a) Effective Time. Subject to the provisions of this Agreement, as soon as practicable on the Closing Date, the parties shall cause the First Merger to be consummated by filing with the Secretary of State of the State of Delaware a Certificate of Merger (the “First Certificate of Merger”) with respect to the First Merger, duly executed and completed in accordance with the relevant provisions of the DGCL, and shall make all other filings or recordings required under the DGCL (such time as the First Merger becomes effective, the “Effective Time”).

(b) Second Effective Time. Subject to the provisions of this Agreement, immediately following the Effective Time, the parties shall cause the Second Merger to be consummated by filing with the Secretary of State of the State of Delaware a Certificate of Merger (the “Second Certificate of Merger”) with respect to the Second Merger, duly executed and completed in accordance with the relevant provisions of the DGCL and the DLLCA, and shall make all other filings or recordings required under the DGCL and the DLLCA (such time as the Second Merger becomes effective, the “Second Effective Time”).

Section 1.4 Effects of the Mergers. The Mergers shall have the effects set forth in this Agreement and in the applicable provisions of the DGCL and the DLLCA.

ARTICLE II

CERTAIN GOVERNANCE MATTERS

Section 2.1 Governance of Skyworks.

(a) Board of Directors. The parties shall take all action necessary (including, to the extent necessary, procuring the resignation or removal of any directors on the Board of Directors of Skyworks immediately prior to the Effective Time) so that, as of immediately following the Effective Time, the number of directors that comprise the full Board of Directors of Skyworks shall be eleven (11) directors, and such Board of Directors shall immediately following the Effective Time consist of: (i) the Chief Executive Officer of Skyworks as of immediately prior to the Effective Time (who shall be the Chief Executive Officer of Skyworks as of immediately after the Effective Time); (ii) seven (7) directors designated by the Board of Directors of Skyworks (the individuals designated under clause (ii), collectively, the “Skyworks Designees”); and (iii) three (3) directors designated by the Board of Directors of Qorvo, each of which must be reasonably acceptable to Skyworks (the individuals designated under this clause (iii), collectively, the “Qorvo Designees”) (it being understood and agreed that the Board of Directors of Qorvo has determined to include the person who is the Chief Executive Officer of Qorvo as of the date hereof as one of the Qorvo Designees, and the Board of Directors of Skyworks has determined that such person is acceptable to Skyworks). As of immediately following the Effective Time, each such person designated as a director of Skyworks pursuant hereto shall hold office until the next Annual Meeting of Stockholders of Skyworks and until his or her successor is elected and qualified or until his or her earlier resignation or removal, in accordance with the governance documents of Skyworks and applicable Law.

(b) Replacement of Designees. In the event that prior to the Effective Time: (i) any Skyworks Designee is unable or unwilling to serve on the Board of Directors, Skyworks shall select a replacement for such individual to serve in such person’s place; and (ii) any Qorvo Designee is unable or unwilling to serve on the Board of Directors, Qorvo shall select a replacement for such individual to serve in such person’s place (which replacement must be reasonably acceptable to Skyworks). The parties shall take all action necessary to ensure that any such replacement designee is duly qualified and appointed as a director of the Board of Directors of Skyworks as of immediately following the Effective Time in accordance with Section 2.1(a). Any such replacement designee shall also be deemed to be a Skyworks Designee or a Qorvo Designee, as applicable.

(c) Chairman. Promptly following the Closing, the Board of Directors of Skyworks shall designate a Chairman of the Board of Directors of Skyworks, which person shall serve until his or her successor is elected and qualified or until his or her earlier resignation or removal in accordance with the governance documents of Skyworks.

(d) Chief Executive Officer. The Chief Executive Officer of Skyworks as of immediately prior to the Effective Time shall be the Chief Executive Officer of Skyworks as of immediately after the Effective Time, which person shall serve until his successor is elected and qualified or until his earlier resignation or removal in accordance with the governance documents of Skyworks.

Section 2.2 Governance of Merger Subs.

(a) Governing Documents.

(i) At the Effective Time, subject to Section 7.10, the Certificate of Incorporation of Qorvo and the Bylaws of Qorvo shall be amended and restated to read in their entirety as the Certificate of Incorporation of Merger Sub I and the Bylaws of Merger Sub I, respectively, in each case until thereafter amended in accordance with this Agreement and applicable Law.

(ii) At the Second Effective Time, subject to Section 7.10, the certificate of formation and the limited liability company agreement of Merger Sub II, each as in effect immediately prior to the Second Effective Time, shall be the certificate of formation and the limited liability company agreement of the Surviving Company, until thereafter amended in accordance with applicable Law.

(b) Directors, Managers and Officers.

(i) The directors of Merger Sub I immediately prior to the Effective Time shall be the directors of the Surviving Corporation immediately after the Effective Time, until the earlier of their resignation or removal or until their respective successors are duly elected and qualified, as the case may be. The managers of Merger Sub II serving in such position immediately prior to the Second Effective Time shall become, as of the Second Effective Time, the managers of the Surviving Company after the consummation of the Second Merger, to hold office until the earlier of their resignation or removal or until their respective successors are duly elected and qualified, as the case may be.

(ii) The officers of Merger Sub I immediately prior to the Effective Time shall be the officers of the Surviving Corporation immediately after the Effective Time, until the earlier of their resignation or removal or until their respective successors are duly elected or appointed and qualified, as the case may be. The officers of Merger Sub II serving in such positions immediately prior to the Second Effective Time shall become, as of the Second Effective Time, the officers of the Surviving Company after the consummation of the Second Merger, to hold office until the earlier of their resignation or removal or until their respective successors are duly elected and qualified, as the case may be.

ARTICLE III

**EFFECT OF THE MERGERS ON THE CAPITAL STOCK;
EXCHANGE OF CERTIFICATES**

Section 3.1 Effect on Capital Stock.

(a) Effect of the First Merger. As of the Effective Time, by virtue of the First Merger and without any action on the part of Skyworks, Qorvo, Merger Subs or any stockholder of Qorvo:

(i) Any shares of Qorvo Common Stock held, directly or indirectly, by any wholly owned Subsidiary of Qorvo immediately prior to the Effective Time shall be unaffected by the First Merger and shall remain outstanding as an equal number of shares of common stock of the Surviving Corporation;

(ii) Any shares of Qorvo Common Stock held by Qorvo (or held in Qorvo's treasury) or held, directly or indirectly, by Skyworks, Merger Sub I, Merger Sub II or any other wholly owned Subsidiary of Skyworks immediately prior to the Effective Time shall be cancelled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor;

(iii) Except as provided in Sections 3.1(a)(i) and 3.1(a)(ii), and subject to Sections 3.3 and 3.4, each share of Qorvo Common Stock outstanding immediately prior to the Effective Time will be converted into the right to receive (A) 0.960 (the "Exchange Ratio") shares of Skyworks Common Stock, together with cash in lieu of fractional shares of Skyworks Common Stock as specified below, without interest, and (B) \$32.50 in cash, without interest (the "Per Share Cash Amount") ((A) and (B), collectively, the "Merger Consideration"); and

(iv) Each share of Merger Sub I Common Stock outstanding immediately prior to the Effective Time will be converted into one share of Surviving Corporation Common Stock.

(b) Effect of the Second Merger. At the Second Effective Time, by virtue of the Second Merger and without any further action on the part of any party: (1) each limited liability company interest of Merger Sub II issued and outstanding immediately prior to the Second Effective Time shall remain outstanding as a limited liability company interest of the Surviving Company; and (2) all shares of common stock of the Surviving Corporation shall no longer be outstanding and shall automatically be cancelled and shall cease to exist without any consideration being payable therefor.

(c) Closing of Qorvo's Transfer Books. At the Effective Time: (i) except for shares of Qorvo Common Stock that continue to be held by a Subsidiary of the Surviving Corporation following the Effective Time in accordance with Section 3.1(a)(i), all shares of Qorvo Common Stock outstanding immediately prior to the Effective Time shall automatically be cancelled and retired and shall cease to exist, and all holders of certificates representing shares of Qorvo Common Stock outstanding immediately prior to the Effective Time (each such certificate, a "Qorvo Stock Certificate") or uncertificated shares of Qorvo Common Stock represented by book-entry positions (each such share, an "Uncertificated Qorvo Share") shall cease to have any rights as stockholders of Qorvo; and (ii) the stock transfer books of Qorvo shall be closed with respect to all shares of Qorvo Common Stock outstanding immediately prior to the Effective Time. No further transfer of any such shares of Qorvo Common Stock shall be made on such stock transfer books after the Effective Time. If, after the Effective Time, a valid Qorvo Stock Certificate or Uncertificated Qorvo Share is presented to the Exchange Agent (as defined below) or to the Surviving Corporation, the Surviving Company or Skyworks, such Qorvo Stock Certificate or Uncertificated Qorvo Share shall be cancelled and shall be exchanged as provided in Section 3.3.

(d) Dissenting Shares.

(i) Notwithstanding anything to the contrary contained in this Agreement, shares of Qorvo Common Stock held by a holder who has made a proper demand for appraisal of such shares of Qorvo Common Stock in accordance with Section 262 of the DGCL and who has otherwise complied with all applicable provisions of Section 262 of the DGCL (any such shares being referred to as “Dissenting Shares” until such time as such holder fails to perfect, validly withdraws its demand for, or otherwise loses such holder’s appraisal rights under Section 262 of the DGCL with respect to such shares) shall not be converted into or represent the right to receive Merger Consideration in accordance with Section 3.1(a)(iii), but shall be entitled only to such rights as are granted by the DGCL to a holder of Dissenting Shares.

(ii) If any Dissenting Shares lose their status as such (through failure to perfect or otherwise), then, effective as of the later of the Effective Time and the date of loss of such status, such shares will be deemed automatically to have been converted into, and shall represent only, the right to receive Merger Consideration in accordance with Section 3.1(a)(iii), without interest thereon, upon surrender of the Qorvo Stock Certificate representing such shares or, if such shares are Uncertificated Qorvo Shares, upon compliance with the procedures established by the Exchange Agent for the transfer of such Uncertificated Qorvo Shares, in each case in accordance with Section 3.3.

(iii) Qorvo shall give Skyworks: (A) prompt notice of any demand for appraisal received by Qorvo prior to the Effective Time pursuant to the DGCL, any withdrawal of any such demand and any other demand, notice or instrument delivered to Qorvo prior to the Effective Time pursuant to the DGCL and relating to any demand for appraisal; and (B) the opportunity to participate in (but not direct) all negotiations and proceedings with respect to any such demand, notice or instrument relating to any demand for appraisal. Qorvo shall not make any payment or settlement offer prior to the Effective Time with respect to any such demand, notice or instrument unless Skyworks has given its prior written consent (not to be unreasonably withheld, conditioned or delayed) to such payment or settlement offer.

Section 3.2 Treatment of Qorvo Equity Awards and Equity Plans.

(a) Qorvo RSU Awards.

(i) At the Effective Time, each Qorvo RSU Award that is (A) vested but not yet settled as of immediately prior to the Effective Time, (B) by its terms becomes vested in all respects as a result of the occurrence of the Closing or (C) is held by a non-employee member of the Qorvo Board as of immediately prior to the Effective Time (collectively, the “Accelerated Qorvo RSUs”), shall be cancelled in consideration for the right to receive (1) the Merger Consideration in respect of each share of Qorvo Common Stock that was subject to such Accelerated Qorvo RSU immediately prior to the Effective Time and (2) an amount in cash equal to all dividend equivalents, if any, accrued but unpaid as of the Effective Time with respect to each such Accelerated Qorvo RSU (collectively, the “Accelerated RSU Consideration”). The number of shares of

Qorvo Common Stock subject to any Accelerated Qorvo RSUs that remains subject to performance-based vesting conditions as of immediately prior to the Closing Date (i.e., any Qorvo RSU Award for which the level of performance vesting has not yet been determined) shall be determined by assuming, in respect of such Qorvo RSU Award, achievement at target performance (except that such number for each holder with an individual agreement as set forth on Section 7.9(h) of the Qorvo Disclosure Schedule (each, an “Individual Agreement”) shall be determined by assuming achievement at the greater of (I) target performance and (II) actual performance as of immediately prior to the Effective Time as determined in good faith by the Compensation Committee of the Qorvo Board).

(ii) At the Effective Time, each Qorvo RSU Award that is outstanding immediately prior to the Effective Time, other than an Accelerated Qorvo RSU, without any action on the part of Skyworks, Qorvo or the holder thereof, shall be assumed by Skyworks and converted automatically into and become a restricted stock unit award covering shares of Skyworks Common Stock (each, an “Adjusted RSU Award”), on the same terms and conditions as were applicable under the Qorvo RSU Award as of immediately prior to the Effective Time (except as set forth in this Section 3.2(a)(ii) and other than performance-based vesting conditions, which shall not apply following the Effective Time, with dividend equivalents continuing to accrue in respect of such Adjusted RSU Awards and with all accrued dividend equivalents (whether accrued prior to, at or after the Effective Time) paid at the time that such Adjusted RSU Award is settled), except that the number of shares of Skyworks Common Stock subject to the Adjusted RSU Award as of the Effective Time will be determined by multiplying (A) the number of shares of Qorvo Common Stock subject to the corresponding Qorvo RSU Award immediately prior to the Effective Time by (B) the Conversion Ratio, with any fractional shares in the resulting product rounded to the nearest whole share. The number of shares of Qorvo Common Stock subject to any Qorvo RSU Award that remains subject to performance-based vesting conditions as of immediately prior to the Closing Date, including any accrued but unpaid dividend equivalents thereon (i.e., any Qorvo RSU Award for which the level of performance vesting has not yet been determined), shall be determined by assuming, in respect of such Qorvo RSU Award, achievement at target performance (except that such number for each holder with an Individual Agreement shall be determined by assuming achievement at the greater of (1) target performance and (2) actual performance as of immediately prior to the Effective Time as determined in good faith by the Compensation Committee of the Qorvo Board). In the event of a termination of employment of any holder of an Adjusted RSU Award by Skyworks, the Surviving Company or one of their Affiliates without “cause” or by such holder with “good reason” (as defined in the applicable Qorvo Stock Plan or award agreement), in each case within the eighteen (18)-month period following the Closing Date, any such Adjusted RSU Award(s) held by such holder shall accelerate and vest in full. For the avoidance of doubt, any unpaid dividend equivalents accrued in respect of an Adjusted RSU Award shall be paid at such time as the Adjusted RSU Award vests and settles.

(b) Qorvo ESPP. Qorvo shall take the necessary actions with respect to the Qorvo ESPP so that: (i) any Offering Period or Purchase Period (as such terms are defined in the Qorvo ESPP) in effect as of the last payroll date occurring prior to the Closing shall be shortened

by setting a new “Exercise Date” (within the meaning of the Qorvo ESPP) in respect of such Offering Period or Purchase Period, as applicable, that is no later than such payroll date (after crediting contributions for such payroll date) (the “Offering Period End Date”) and, on the Offering Period End Date, each outstanding option or purchase right under the Qorvo ESPP shall be exercised; (ii) as of the Offering Period End Date, the Qorvo ESPP shall be suspended, and no offering periods or purchase periods shall be thereafter commenced and no further payroll deductions or other contributions shall be thereafter made or effected with respect to the Qorvo ESPP; and (iii) subject to the consummation of the Mergers, the Qorvo ESPP shall terminate, effective immediately prior to the Effective Time.

(c) Skyworks shall cause the Surviving Company to pay through the payroll system of the Surviving Company (to the extent applicable) the Accelerated RSU Consideration to each holder of a Accelerated Qorvo RSU, less any required withholding Taxes and without interest, within seven (7) Business Days following the Effective Time; provided that to the extent payment within such time or on such date would trigger a Tax or penalty under Section 409A of the Code, such payments shall be made on the earliest date that payment would not trigger such Tax or penalty. The aggregate amount required to be withheld in respect of Taxes in respect of the Accelerated RSU Consideration shall be applied first to reduce the aggregate Merger Consideration payable in shares of Skyworks Common Stock and then, only if and to the extent that such withholding amount exceeds such stock portion, to reduce the portion of the Merger Consideration that is payable in cash (if any). The number of shares of Skyworks Common Stock to be withheld shall be determined based on the closing price of a share of Skyworks Common Stock on the date of payment of such Accelerated RSU Consideration.

(d) Prior to the Effective Time, the Qorvo Board (or, if applicable, any appropriate committee thereof) shall take, or cause to be taken, all reasonably necessary and appropriate action under the Qorvo Stock Plans (and the underlying grant, award or similar agreements) and Qorvo ESPP, including adopting resolutions providing for the treatment of the Qorvo RSU Awards and Qorvo ESPP as contemplated by this Section 3.2, to carry out the treatment of Qorvo RSU Awards and Qorvo ESPP contemplated by this Section 3.2.

Section 3.3 Exchange of Shares and Certificates.

(a) Exchange Agent. Prior to the Effective Time, Skyworks shall designate an exchange agent (the “Exchange Agent”) for the purpose of exchanging, in accordance with this Article III, Certificates and Book-Entry Shares (each, as defined below) for the Merger Consideration. In addition, at or prior to the Effective Time, Skyworks shall deposit or cause to be deposited with the Exchange Agent for the benefit of the holders of shares of Qorvo Common Stock (i) cash and (ii) evidence of shares of Skyworks Common Stock, in amounts sufficient to deliver the Merger Consideration (such cash and shares, together with any dividends or distributions with respect thereto, hereinafter, the “Exchange Fund”). The Exchange Agent shall deliver the Merger Consideration to be issued pursuant to Section 3.1 out of the Exchange Fund.

(b) Exchange Procedures. As soon as reasonably practicable after the Closing, the Exchange Agent shall mail to each holder of record of a certificate (a “Certificate”) or book-entry share (a “Book-Entry Share”) that immediately prior to the Effective Time represented outstanding shares of Qorvo Common Stock whose shares were converted into the

right to receive the applicable Merger Consideration, as applicable: (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates or Book-Entry Shares to the Exchange Agent, and which shall be in such form and have such other provisions as determined by Skyworks); and (ii) instructions for use in effecting the surrender of the Certificates and Book-Entry Shares in exchange for the applicable Merger Consideration. Upon surrender of a Certificate or Book-Entry Share, as applicable, for cancellation to the Exchange Agent or to such other agent or agents as may be appointed by Skyworks, together with such letter of transmittal, duly executed, and such other documents as may reasonably be required by the Exchange Agent, the holder of such Certificate or Book-Entry Share shall be entitled to receive in exchange therefor that amount of Merger Consideration that such holder has the right to receive pursuant to the provisions of this Article III, and the Certificate or Book-Entry Share so surrendered shall forthwith be cancelled. If any portion of the applicable Merger Consideration is to be registered in the name of a person other than the person in whose name the applicable surrendered Certificate or Book-Entry Share is registered, it shall be a condition to the registration of such Merger Consideration that the surrendered Certificate shall be properly endorsed or otherwise be in proper form for transfer and the person requesting such delivery of the Merger Consideration shall pay to the Exchange Agent any transfer or other taxes required by reason of such registration in the name of a person other than the registered holder of such Certificate or Book-Entry Share or establish to the reasonable satisfaction of the Exchange Agent that such tax has been paid or is not applicable. Until surrendered as contemplated by this Section 3.3, each Certificate or Book-Entry Share shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the applicable Merger Consideration. No interest shall be paid or shall accrue for the benefit of holders of Certificates or Book-Entry Shares on the applicable Merger Consideration payable upon the surrender of Certificates or Book-Entry Shares.

(c) Distributions with Respect to Unexchanged Shares. No dividends or other distributions with respect to Skyworks Common Stock with a record date after the Effective Time shall be paid to the holder of any unsundered Certificate or Book-Entry Share with respect to any shares of Skyworks Common Stock represented thereby, and no cash payment in lieu of fractional shares shall be paid to any such holder pursuant to Section 3.3(e), in each case until the surrender of such Certificate or Book-Entry Share in accordance with this Article III. Subject to the effect of applicable Laws, following surrender of any such Certificate or Book-Entry Share, there shall be paid to the holder of shares of Skyworks Common Stock issued in exchange therefor, without interest, (i) at the time of such surrender, (A) the amount of any cash payable in lieu of a fractional share of Skyworks Common Stock to which such holder is entitled pursuant to Section 3.3(e) and (B) the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such shares of Skyworks Common Stock, and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and a payment date subsequent to such surrender payable with respect to such shares of Skyworks Common Stock.

(d) No Further Ownership Rights in Qorvo Common Stock. All Merger Consideration issued upon the surrender for exchange of Certificates or Book-Entry Shares in accordance with the terms of this Article III shall be deemed to have been issued and paid in full satisfaction of all rights pertaining to the shares of Qorvo Common Stock theretofore represented

by such Certificates or Book-Entry Shares, and there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation (or any register of members or similar of the Surviving Company) of the shares of Qorvo Common Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates or Book-Entry Shares are presented to Skyworks or the Exchange Agent for any reason, they shall be cancelled and exchanged as provided in this Article III, except as otherwise provided by law.

(e) Fractional Shares.

(i) No certificates representing fractional shares of Skyworks Common Stock shall be issued upon the surrender for exchange of Certificates or Book-Entry Shares, and such fractional share interests shall not entitle the owner thereof to vote or to any other rights of a stockholder of Skyworks.

(ii) Notwithstanding any other provision of this Agreement, each holder of shares of Qorvo Common Stock converted pursuant to the First Merger who would otherwise have been entitled to receive a fraction of a share of Skyworks Common Stock (after taking into account all Certificates and Book-Entry Shares delivered by such holder) shall receive, in lieu thereof, cash (without interest) in an amount equal to such fraction as determined below. As promptly as practicable following the Effective Time, the Exchange Agent shall determine the excess of (A) the number of full shares of Skyworks Common Stock delivered to the Exchange Agent by Skyworks for issuance to holders of Certificates or Book-Entry Shares over (B) the aggregate number of full shares of Skyworks Common Stock to be distributed to holders of Certificates or Book-Entry Shares (such excess being herein referred to as the "Excess Shares"). As soon as practicable after the Effective Time, the Exchange Agent, as agent for such holders of Certificates or Book-Entry Shares, shall sell the Excess Shares at then prevailing prices on The Nasdaq Stock Market LLC ("Nasdaq"), all in the manner provided herein.

(iii) The sale of the Excess Shares by the Exchange Agent shall be executed on Nasdaq and shall be executed in round lots to the extent practicable. Until the net proceeds of any such sale or sales have been distributed to the holders of Certificates or Book-Entry Shares, the Exchange Agent shall hold such proceeds in trust for such holders. The net proceeds of any such sale or sales of Excess Shares to be distributed to the holders of Certificates or Book-Entry Shares shall be reduced by any and all commissions, transfer taxes and other out-of-pocket transaction costs, as well as any expenses, of the Exchange Agent incurred in connection with such sale or sales. The Exchange Agent shall determine the portion of such net proceeds to which each holder of Certificates or Book-Entry Shares shall be entitled, if any, by multiplying the amount of the aggregate net proceeds by a fraction, the numerator of which is the amount of the fractional share interest to which such holder of Certificates or Book-Entry Shares is entitled (after taking into account all Certificates and Book-Entry Shares then held by such holder) and the denominator of which is the aggregate amount of fractional share interests to which all holders of Certificates or Book-Entry Shares are entitled. As soon as practicable after the determination of the amount of cash, if any, to be paid to holders of Certificates or Book-Entry Shares with respect to any fractional share interests, the

Exchange Agent shall promptly pay such amounts to such holders subject to and in accordance with this Section 3.3(e).

(f) Return of Merger Consideration. Any portion of the Merger Consideration made available to the Exchange Agent pursuant to Section 3.3(a) that remains undistributed to the holders of the Certificates or Book-Entry Shares for one year after the Effective Time shall be delivered to Skyworks, upon demand, and any holders of the Certificates or Book-Entry Shares who have not theretofore complied with this Article III shall thereafter be entitled to look only to Skyworks for payment of their claim for any Merger Consideration (including any cash in lieu of fractional shares of Skyworks Common Stock) and any dividends or distributions with respect to Skyworks Common Stock.

(g) No Liability. None of Skyworks, Qorvo, Merger Sub I, Merger Sub II, the Surviving Corporation, the Surviving Company or the Exchange Agent shall be liable to any person in respect of any portion of the Merger Consideration delivered to a public official pursuant to any applicable abandoned property, escheat or similar law. If any Certificate or Book-Entry Share has not been surrendered prior to seven years after the Effective Time, or immediately prior to such earlier date on which any Merger Consideration (including any cash in lieu of fractional shares of Skyworks Common Stock) or any dividends or distributions with respect to Skyworks Common Stock in respect of such Certificate or Book-Entry Share would otherwise escheat to or become the property of any Governmental Body, any such shares, cash, dividends or distributions in respect of such Certificate or Book-Entry Share shall, to the extent permitted by applicable Law, become the property of Skyworks, free and clear of all claims or interests of any person previously entitled thereto.

(h) Investment of Merger Consideration. The Exchange Agent shall invest any cash included in the Exchange Fund as directed by Skyworks; provided, that no losses on such investments shall affect the cash payable to former holders of shares of Qorvo Common Stock pursuant to this Article III. Any interest and other income resulting from such investments shall be paid to Skyworks.

(i) Withholding Rights. Each of Skyworks, Qorvo, Merger Sub I, Merger Sub II, the Surviving Corporation, the Surviving Company and the Exchange Agent, and their respective agents, as applicable, shall be entitled to deduct and withhold from any amounts payable pursuant to this Agreement such amounts as are required to be deducted and withheld with respect to the making of such payment under the Code, or any other applicable Law. To the extent that amounts are so withheld or paid over to or deposited with the relevant Governmental Body, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the person in respect of which such deduction and withholding was made.

(j) Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed and, if required by Skyworks or the Exchange Agent, the posting by such person of a bond in such reasonable amount as Skyworks or the Exchange Agent, as applicable, may direct as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent shall deliver in exchange for such lost, stolen or destroyed Certificate, the Merger Consideration with respect to the shares of Qorvo Common Stock

formerly represented thereby, any cash in lieu of fractional shares of Skyworks Common Stock, and unpaid dividends and distributions on shares of Skyworks Common Stock deliverable in respect thereof, pursuant to this Agreement.

Section 3.4 Certain Adjustments. If between the date of this Agreement and the Effective Time, the outstanding shares of Skyworks Common Stock or Qorvo Common Stock are changed into a different number of shares by reason of any reclassification, recapitalization, split-up, combination, exchange of shares, dividend payable in stock or other securities or other similar transaction, the Exchange Ratio and, only in the event of any such reclassification, recapitalization, split-up, combination, exchange, dividend or similar transaction with respect to Qorvo Common Stock, the Per Share Cash Amount, and related provisions shall be appropriately adjusted to provide to the holders of Qorvo Common Stock or Qorvo RSU Awards the same economic effect as contemplated by this Agreement prior to such reclassification, recapitalization, split-up, combination, exchange, dividend or other similar transaction. Nothing in this Section 3.4 shall be construed to permit any party to take any action that is otherwise prohibited or restricted by any other provision of this Agreement.

Section 3.5 Further Assurances. At and after the Effective Time, the officers and directors or managers, as applicable, of Skyworks, the Surviving Corporation or the Surviving Company shall be authorized to execute and deliver, in the name and on behalf of Skyworks or Qorvo, any deeds, bills of sale, assignments or assurances and to take and do, in the name and on behalf thereof, any other actions and things necessary to vest, perfect or confirm of record or otherwise in Skyworks or the Surviving Company, as applicable, any and all right, title and interest in, to and under any of the rights, properties or assets acquired or to be acquired by Skyworks or the Surviving Company, as applicable, as a result of, or in connection with, the Mergers.

Section 4.19 Government Contracts.

(a) Section 4.19(a) of the Qorvo Disclosure Schedule sets forth, as of the Agreement Date, a complete list of each of Qorvo's active Government Contracts performed directly for the U.S. Government that are material to Qorvo and the Qorvo Subsidiaries taken as a whole, to the extent the disclosure of such information is not prohibited by applicable Law. Qorvo has made available to Skyworks correct and complete copies of all such Government Contracts required to be listed on Section 4.19(a) of the Qorvo Disclosure Schedule, to the extent the disclosure of each such contract, bid or agreement is not prohibited by applicable Law.

(b) No active Government Contract (or if applicable and to the Knowledge of Qorvo, prime contract under which a Government Contract was awarded or is anticipated to be awarded) is currently the subject of a bid protest proceeding (or subject to a corrective action where the underlying bid protest proceeding has been dismissed in consideration of the corrective action). No Governmental Body, prime contractor or higher-tier subcontractor has notified Qorvo in writing or, to the Knowledge of Qorvo, orally of the intention to cancel or reduce the value of any Government Contract or to seek Qorvo's agreement to lower rates under any active Government Contract.

(c) Since January 1, 2019, except as would not reasonably be expected to have a Material Adverse Effect on Qorvo, Qorvo has complied with (i) all material terms and conditions of each Government Contract, including without limitation all clauses, provisions and requirements incorporated expressly by reference or by operation of any applicable Laws or regulations, (ii) each material obligation required to be performed under each Government Contract and (iii) the material requirements of all applicable Laws pertaining to each Government Contract, including without limitation the Federal Acquisition Regulation (the "FAR"), the Defense Federal Acquisition Regulation Supplement (the "DFARS") and other agency supplements to the FAR, whether incorporated explicitly, by reference or by operation of Law, where and as applicable.

(d) Except as would not reasonably be expected to have a Material Adverse Effect on Qorvo, all representations, certifications, disclosures and warranties executed, acknowledged or submitted by or on behalf of Qorvo, since January 1, 2019, with respect to any Government Contract were current, accurate and complete in all material respects as of their effective date (the dates on which they were made or deemed made); Qorvo has complied, as applicable, in all material respects with all such representations, certifications, disclosures and warranties, and any obligation to update.

(e) Except as would not reasonably be expected to have a Material Adverse Effect on Qorvo, since January 1, 2019, (i) no Governmental Body, prime contractor or higher-tier subcontractor under any Government Contract, nor any other Person, has notified Qorvo in writing or, to the Knowledge of Qorvo, orally of any actual or alleged violation or breach of any applicable Law, representation, certification, disclosure obligation, contract term, condition, requirement or specification, or administrative order pertaining to any Government Contract, (ii) Qorvo has not received any notice of termination for default or cause, notice of termination for convenience (in whole or in part), cure notice or show cause notice, default or deficiency notice, letter of concern, or similar notice, stop work order, or non-exercise of an option to extend relating to any Government Contract, (iii) no such notice or order has been threatened, in writing or, to the Knowledge of Qorvo, orally, with respect to any Government Contract and (iv) to the Knowledge of Qorvo, no event, condition, or omission has occurred or exists that would constitute grounds for a notice of termination for default or cause, a cure notice or show cause notice, or a default or deficiency notice with respect to any Government Contract.

(f) Since January 1, 2019, Qorvo has not received written or, to the Knowledge of Qorvo, oral notice of any claims, setoffs/withholds, contract disputes, or requests for equitable adjustments arising under or relating to any active Government Contract, and no Governmental Body has threatened in writing, or to the Knowledge of Qorvo, orally, to assert a claim against Qorvo for breach of contract or violation of any applicable Laws that would be material, individually or in the aggregate, to Qorvo and the Qorvo Subsidiaries, taken as a whole. To the Knowledge of Qorvo, no facts or circumstances exist that would reasonably be expected to result in any material claims or material contract disputes related to any active Government Contract.

(g) Since January 1, 2019, Qorvo has not taken any action that could reasonably be expected to give rise to: (i) a suit under the federal False Claims Act or similar applicable Law or (ii) a claim for a material price adjustment under the Truthful Cost or Pricing Data Act, FAR Part 31 cost principles, or comparable Law.

(h) Section 4.19(h) of the Qorvo Disclosure Schedule lists, as of the Agreement Date, to the extent not prohibited by applicable Law or the terms of Qorvo's active Government Contracts (i) all facility security clearances ("FCLs") held by Qorvo and the issuing CSA and level of clearance for each FCL, and (ii) the number of Qorvo employees who currently hold personnel security clearances ("PCLs"). To the Knowledge of Qorvo, there are no facts, events, conditions, acts, omissions or other circumstances that would reasonably be expected to give rise to the suspension or termination of any FCL of Qorvo. Qorvo holds the FCLs necessary to conduct the business of Qorvo and perform all active classified Government Contracts.

(i) Qorvo has not assigned or otherwise conveyed or transferred, or agreed to assign or otherwise convey or transfer, any active Government Contract, or any account receivable or revenue relating thereto to any Person, whether as a security interest or otherwise. Qorvo has not entered into any financing arrangement with respect to any active Government Contract.

(j) Since January 1, 2020, Qorvo has not received any adverse or negative past performance evaluations, reports, or ratings (including without limitation material weaknesses or material deficiencies noted in any Contractor Performance Assessment Reports, ratings of less than “satisfactory,” findings of default or other failure to perform, or termination or default) in connection with any Government Contract.

(k) Since January 1, 2019, neither Qorvo nor any of its employees is or has been (i) debarred, suspended, proposed for suspension or debarment, listed as an excluded party on the System for Award Management, or otherwise excluded from participation in the award or performance of any Government Contract for or with any Governmental Body, or is or was, the subject of a finding of non-responsibility or ineligibility for Government Contracts (excluding for this purpose ineligibility to bid on certain contracts due to generally applicable bidding requirements), (ii) subject to any tax delinquencies or felony convictions requiring disclosure under any applicable Law or Government Contract or (iii) under any administrative, civil or criminal investigation or review, or the subject of any information or criminal indictment, lawsuit, subpoena, civil investigative demand, discovery request or administrative proceeding, concerning any actual or alleged violation of any requirement or applicable Law pertaining to a Government Contract, including without limitation any civil False Claims Act or other “whistleblower” or “qui tam” lawsuit.

(l) Since January 1, 2019, Qorvo has not made any mandatory disclosures to any Governmental Body with respect to credible evidence of a violation of federal criminal law involving the fraud, conflict of interest, bribery or gratuity provisions found in Title 18 of the United States Code, a violation of the civil False Claims Act, or a significant overpayment in connection with the award, performance or closeout of any Government Contract, and to the Knowledge of Qorvo, there are no facts or circumstances that would require such mandatory disclosure. Except as set forth in Section 4.19(1) of the Qorvo Disclosure Schedules, Qorvo has not made a voluntary disclosure to any Governmental Body with respect to any actual or alleged irregularity, misstatement or omission arising under or relating to a Government Contract.

(m) Except as would not reasonably be expected to have a Material Adverse Effect on Qorvo, (i) since January 1, 2020, Qorvo has not violated any legal, administrative or contractual restriction concerning the employment of or interactions with current or former government officials and (ii) since January 1, 2020, no payment has been made by Qorvo to any Person which is or was contingent upon the award of any Government Contract in violation of any applicable Law.

(n) Since January 1, 2019, Qorvo has been in material compliance with all applicable requirements related to data security, cybersecurity and physical security systems and procedures under its Government Contracts. Since January 1, 2019, Qorvo has been in compliance in all material respects with applicable requirements specified in the NISPOM and

all applicable requirements under each Government Contract relating to the safeguarding of and access to classified information. Since January 1, 2019, neither DCSA nor any other CSA has issued to Qorvo any written adverse findings or determinations relating to Qorvo's handling of classified or Controlled Unclassified Information (as defined in Executive Order 13556) and, to the Knowledge of Qorvo, there has been no unauthorized disclosure of classified information by any employee of Qorvo.

(o) Since January 1, 2020, Qorvo has disclosed all Organizational Conflicts of Interest ("OCIs") when required in connection with any Government Contract. There is no specific work or future business opportunity from which Qorvo is currently limited, prohibited, or otherwise restricted from performing or bidding, due to an OCI as defined in FAR 2.101, contract terms or provisions related to OCIs or an OCI mitigation plan that applies to Qorvo in connection with any Government Contract.

(p) Since January 1, 2019, (i) Qorvo has not undergone and is not currently undergoing any audit, review, inspection, investigation, survey or examination of records relating to any Government Contract, (ii) Qorvo is not conducting any internal investigation or audit in connection with which Qorvo is using or plans to use any legal counsel, auditor, accountant or investigator, (iii) Qorvo has not received written notice of any investigation or review relating to any Government Contract, (iv) no audit, review, inspection, investigation, survey or examination of records relating to any Government Contract has been threatened in writing and (v) Qorvo has not received any written notice or otherwise become aware that any audit, review, inspection, investigation, survey or examination of records that has revealed any fact, occurrence or practice that, in any of (i)-(v), could reasonably be expected to have a Material Adverse Effect on Qorvo.

Section 4.20 Properties.

(a) Section 4.20(a) of the Qorvo Disclosure Schedule sets forth a true, complete and correct list, as of the Agreement Date, of the street address of each parcel of Qorvo Owned Real Property, as well as a list of any Contracts to acquire any real property by Qorvo or any Qorvo Subsidiary. Except as would not reasonably be expected to have a Material Adverse Effect on Qorvo, Qorvo and/or the applicable Qorvo Subsidiary has good, valid and marketable fee title to all Qorvo Owned Real Property, free and clear of all Liens (except for Permitted Liens). There are no outstanding agreements, options, rights of first offer or rights of first refusal, leases, licenses, subleases or other occupancy agreements granting to any third party any right to purchase, use, occupy or enjoy any Qorvo Owned Real Property or any portion thereof or interest therein. To the extent in the possession of Qorvo, Qorvo has made available to Skyworks complete and accurate copies of all deeds, mortgages, title insurance policies (or if none for the applicable property, title insurance commitments or title insurance reports for such property), surveys, zoning reports, leases, subleases and licenses for each Qorvo Owned Real Property.

(b) Section 4.20(b) of the Qorvo Disclosure Schedule sets forth a true, complete and correct list of all leasehold or subleasehold estates or other license or occupancy agreements (whether written or oral), and all amendments or modifications thereto (collectively, the "Qorvo Real Property Leases") held by Qorvo or any Qorvo Subsidiary as of the Agreement

Date (collectively, the “Qorvo Leased Real Property”). Except as would not reasonably be expected to interfere in any material respects with the current use and operation of the Qorvo Leased Real Property by Qorvo and the Qorvo Subsidiaries, each Qorvo Real Property Lease is in full force and effect, and Qorvo or a Qorvo Subsidiary holds a valid and existing leasehold interest in all of the Qorvo Leased Real Property, free and clear of all subtenancies and other occupancy rights, and Liens (except for Permitted Liens). All parties to each Qorvo Real Property Lease are in material compliance with the terms thereof and there are no material defaults thereunder or events, which with the passage of time or notice, or both, would constitute a material default. Qorvo has made available to Skyworks complete and accurate copies of each of the Qorvo Real Property Leases described on Section 4.20(b) of the Qorvo Disclosure Schedule.

(c) Except as would not reasonably be expected to have a Material Adverse Effect on Qorvo, with respect to each Qorvo Owned Real Property and each Qorvo Leased Real Property: (i) neither Qorvo nor any of the Qorvo Subsidiaries has received written notice of any pending or threatened eminent domain, condemnation, or similar taking proceedings; (ii) neither Qorvo nor any of the Qorvo Subsidiaries has received any written notice that would reasonably be likely to cause either Qorvo or any of the Qorvo Subsidiaries to materially curtail its operations at such property, or that would reasonably be expected to materially impair such operations; (iii) to the Knowledge of Qorvo, each Qorvo Owned Real Property and each Qorvo Leased Real Property is in compliance with all applicable Laws, except as would not reasonably be expected to be material, individually or in the aggregate, to Qorvo and the Qorvo Subsidiaries, taken as a whole; and (iv) all utilities presently serving the Qorvo Owned Real Property and Qorvo Leased Real Property are presently adequate to service the existing normal operations of Qorvo and the Qorvo Subsidiaries.

Section 4.21 Tangible Personal Property. Except as would not reasonably be expected to have a Material Adverse Effect on Qorvo, each of Qorvo and the Qorvo Subsidiaries has good and valid title to, or a valid leasehold interest in, as applicable, all tangible personal property used in their respective businesses free and clear of any Liens, except for Permitted Liens. Such tangible personal property is in good operating condition and repair, ordinary wear and tear and deferred maintenance excepted, and is sufficient for the uses in which such property is presently employed.

Section 4.22 Qorvo Significant Customers and Distributors. Section 4.22 of the Qorvo Disclosure Schedule sets forth (a) a true and complete list of the top 20 customers (excluding distributors) by revenue for Qorvo and the Qorvo Subsidiaries during the fiscal year ended March 29, 2025, based on amounts paid or payable, or that would otherwise reasonably be expected to be one of the top 20 customers (excluding distributors) by revenue for Qorvo and the Qorvo Subsidiaries for the fiscal year ending March 28, 2026 (each, a “Qorvo Significant Customer”), and (b) a true and complete list of the top 10 distributors by revenue for Qorvo and the Qorvo Subsidiaries during the fiscal year ended March 29, 2025, based on amounts paid or payable, or that would otherwise reasonably be expected to be one of the top 10 distributors by revenue for Qorvo and the Qorvo Subsidiaries for the fiscal year ended March 28, 2026 (each, a “Qorvo Significant Distributor”). As of the date of this Agreement, (i) none of Qorvo nor any of the Qorvo Subsidiaries has any outstanding material dispute with any Qorvo Significant Customer or Qorvo Significant Distributor, (ii) Qorvo has not received any written notice from

any Qorvo Significant Customer or Qorvo Significant Distributor that such Qorvo Significant Customer or Qorvo Significant Distributor shall not continue as a customer or distributor, as applicable, of Qorvo or any of the Qorvo Subsidiaries, as applicable, or that such customer or distributor intends to terminate or materially modify existing Contracts with Qorvo or any of the Qorvo Subsidiaries, as applicable, including by materially changing the terms of or reducing the scale of the business conducted with Qorvo and the Qorvo Subsidiaries and (iii) there are no facts or circumstances that would reasonably be expected to result in, form the basis of or give rise to a material dispute with any Qorvo Significant Customer or Qorvo Significant Distributor.

Section 4.23 Qorvo Significant Suppliers. Section 4.23 of the Qorvo Disclosure Schedule sets forth a true and complete list of each supplier who was one of the 20 largest suppliers of Qorvo and the Qorvo Subsidiaries by spend during the fiscal year ended March 29, 2025, based on amounts paid or payable or that would otherwise reasonably be expected to be one of the 20 largest suppliers of Qorvo and the Qorvo Subsidiaries by spend for the fiscal year ending March 28, 2026 (each, a “Qorvo Significant Supplier”). As of the date of this Agreement, (i) none of Qorvo nor any of the Qorvo Subsidiaries has any outstanding material dispute with any Qorvo Significant Supplier, and (ii) Qorvo has not received any written notice from any Qorvo Significant Supplier that such Qorvo Significant Supplier shall not continue as a supplier of Qorvo or any of the Qorvo Subsidiaries, as applicable, or that such supplier intends to terminate or materially modify existing Contracts with Qorvo or any of the Qorvo Subsidiaries, as applicable, including by materially changing the terms of or reducing the scale of the business conducted with Qorvo and the Qorvo Subsidiaries.

Section 4.24 No Other Qorvo Representations or Warranties. Skyworks hereby acknowledges and agrees that (a) except for the representations and warranties set forth in Article IV, none of Qorvo or any of its Affiliates or Representatives or any other Person, has made or is making any other express or implied representation or warranty with respect to Qorvo, or any of its Affiliates or Representatives, or their respective businesses or operations, including with respect to any information provided or made available to Skyworks or any of its Affiliates or Representatives or any other Person and (b) except in the case of fraud, none of Qorvo or any of its Affiliates or Representatives or any other Person will have or be subject to any liability or indemnification obligation or other obligation of any kind or nature to Skyworks, or any of its Affiliates or Representatives or any other Person, resulting from the delivery, dissemination or any other distribution to Skyworks, or any of its Affiliates or Representatives or any other Person, or the use by Skyworks, or any of its Affiliates or Representatives or any other Person, of any information provided or made available to any of them by Qorvo or any Qorvo Subsidiaries, or any of their respective Affiliates or Representatives or any other Person, including any information, documents, estimates, projections, forecasts or other forward-looking information, business plans or other material provided or made available to Skyworks, or any of its Affiliates or Representatives or any other Person, in “data rooms,” confidential information memoranda or management presentations in anticipation or contemplation of the Mergers or any other Transactions.

Section 4.25 Inapplicability of Anti-takeover Statutes; No Rights Plan. Assuming the accuracy of the representations and warranties of Skyworks in Article V, there is no takeover or anti-takeover statute or similar federal or state Law, including Section 203 of the DGCL, or provision of the Certificate of Incorporation of Qorvo, applicable to this Agreement and the

Transactions that requires additional action by the Qorvo Board in order for any such anti-takeover statute to be inapplicable to this Agreement and the Transactions. None of such actions by the Qorvo Board have been amended, rescinded, or modified. Assuming the accuracy of the representations and warranties of Skyworks in Article V, no other “fair price,” “moratorium,” “control share acquisition,” “interested stockholder” or other anti-takeover statute or regulation would restrict, prohibit or otherwise be applicable with respect to this Agreement and the Transactions. Qorvo has no stockholder rights plan, “poison-pill” or other comparable agreement designed to have the effect of delaying, deferring or discouraging any Person from acquiring control of Qorvo. As of the date hereof, Qorvo is not an “interested stockholder” of Skyworks, as such term is defined in Section 203 of the DGCL.

ARTICLE V

(xv) any Contract evidencing the settlement of a legal proceeding: (A) that materially restricts or imposes any material obligation on Skyworks or any Skyworks Subsidiary or materially disrupts the business of Skyworks or any Skyworks Subsidiary as currently conducted; or (B) that would require Skyworks or any Skyworks Subsidiary to pay consideration valued at more than \$10,000,000 in the aggregate after the date of this Agreement.

(b) Except as would not reasonably be expected to have a Material Adverse Effect on Skyworks: (i) each of the Skyworks Material Contracts is a valid and binding obligation of Skyworks and each Skyworks Subsidiary party thereto, and enforceable against Skyworks and the Skyworks Subsidiaries and, to the Knowledge of Skyworks, each other party thereto in accordance with its terms, and is in full force and effect; (ii) Skyworks or the Skyworks Subsidiaries, on the one hand, and, to the Knowledge of Skyworks, each other party to each Skyworks Material Contract, on the other hand, have performed all material obligations required to be performed by it under such Skyworks Material Contract, and, to the Knowledge of Skyworks, no event has occurred, and no circumstance or condition exists, that (with or without notice or lapse of time) will, or would reasonably be expected to, (A) constitute a violation or breach thereof, (B) give any Person the right to accelerate the maturity or performance of any Skyworks Material Contract, or (C) give any Person the right to cancel, terminate or modify any Skyworks Material Contract; and (iii) as of the Agreement Date, neither Skyworks nor any of the Skyworks Subsidiaries has received written notice, or otherwise has Knowledge, (A) that any other party to any Skyworks Material Contract intends to terminate any Skyworks Material Contract, or (B) of any material dispute related to any Skyworks Material Contract.

Section 5.19 Government Contracts.

(a) Section 5.19(a) of the Skyworks Disclosure Schedule sets forth, as of the Agreement Date, a complete list of each of Skyworks' active Government Contracts performed directly for the U.S. Government that are material to Skyworks and the Skyworks Subsidiaries taken as a whole, to the extent the disclosure of such information is not prohibited by applicable Law. Skyworks has made available to Qorvo correct and complete copies of all such Government Contracts required to be listed on Section 5.19(a) of the Skyworks Disclosure Schedule, to the extent the disclosure of each such contract, bid or agreement is not prohibited by applicable Law.

(b) No active Government Contract (or if applicable and to the Knowledge of Skyworks, prime contract under which a Government Contract was awarded or is anticipated to be awarded) is currently the subject of a bid protest proceeding (or subject to a corrective action where the underlying bid protest proceeding has been dismissed in consideration of the corrective action). No Governmental Body, prime contractor or higher-tier subcontractor has notified Skyworks in writing or, to the Knowledge of Skyworks, orally of the intention to cancel or reduce the value of any Government Contract or to seek Skyworks' agreement to lower rates under any active Government Contract.

(c) Since January 1, 2019, except as would not reasonably be expected to have a Material Adverse Effect on Skyworks, Skyworks has complied with (i) all material terms and conditions of each Government Contract, including without limitation all clauses, provisions and requirements incorporated expressly by reference or by operation of any applicable Laws or regulations, (ii) each material obligation required to be performed under each Government Contract and (iii) the material requirements of all applicable Laws pertaining to each Government Contract, including without limitation the FAR, DFARS and other agency supplements to the FAR, whether incorporated explicitly, by reference or by operation of Law, where and as applicable.

(d) Except as would not reasonably be expected to have a Material Adverse Effect on Skyworks, all representations, certifications, disclosures and warranties executed, acknowledged or submitted by or on behalf of Skyworks, since January 1, 2019, with respect to any Government Contract were current, accurate and complete in all material respects as of their effective date (the dates on which they were made or deemed made); Skyworks has complied, as applicable, in all material respects with all such representations, certifications, disclosures and warranties, and any obligation to update.

(e) Except as would not reasonably be expected to have a Material Adverse Effect on Skyworks, since January 1, 2019, (i) no Governmental Body, prime contractor or higher-tier subcontractor under any Government Contract, nor any other Person, has notified Skyworks in writing or, to the Knowledge of Skyworks, orally of any actual or alleged violation or breach of any applicable Law, representation, certification, disclosure obligation, contract term, condition, requirement or specification, or administrative order pertaining to any Government Contract, (ii) Skyworks has not received any notice of termination for default or cause, notice of termination for convenience (in whole or in part), cure notice or show cause notice, default or deficiency notice, letter of concern, or similar notice, stop work order, or non-exercise of an option to extend relating to any Government Contract, (iii) no such notice or order has been threatened, in writing or, to the Knowledge of Skyworks, orally, with respect to any Government Contract and (iv) to the Knowledge of Skyworks, no event, condition, or omission has occurred or exists that would constitute grounds for a notice of termination for default or cause, a cure notice or show cause notice, or a default or deficiency notice with respect to any Government Contract.

(f) Since January 1, 2019, Skyworks has not received written or, to the Knowledge of Skyworks, oral notice of any claims, setoffs/withholds, contract disputes, or requests for equitable adjustments arising under or relating to any active Government Contract, and no Governmental Body has threatened in writing, or to the Knowledge of Skyworks, orally, to assert a claim against Skyworks for breach of contract or violation of any applicable Laws that would be material, individually or in the aggregate, to Skyworks and the Skyworks Subsidiaries, taken as a whole. To the Knowledge of Skyworks, no facts or circumstances exist that would reasonably be expected to result in any material claims or material contract disputes related to any active Government Contract.

(g) Since January 1, 2019, Skyworks has not taken any action that could reasonably be expected to give rise to: (i) a suit under the federal False Claims Act or similar

applicable Law, or (ii) a claim for a material price adjustment under the Truthful Cost or Pricing Data Act, FAR Part 31 cost principles, or comparable Law.

(h) Section 5.19(h) of the Skyworks Disclosure Schedule lists, as of the Agreement Date, to the extent not prohibited by applicable Law or the terms of Skyworks' active Government Contracts (i) all FCLs held by Skyworks and the issuing CSA and level of clearance for each FCL, and (ii) the number of Skyworks employees who currently hold PCLs. To the Knowledge of Skyworks, there are no facts, events, conditions, acts, omissions or other circumstances that would reasonably be expected to give rise to the suspension or termination of any FCL of Skyworks. Skyworks holds the FCLs necessary to conduct the business of Skyworks and perform all active classified Government Contracts.

(i) Skyworks has not assigned or otherwise conveyed or transferred, or agreed to assign or otherwise convey or transfer, any active Government Contract, or any account receivable or revenue relating thereto to any Person, whether as a security interest or otherwise. Skyworks has not entered into any financing arrangement with respect to any active Government Contract.

(j) Since January 1, 2020, Skyworks has not received any adverse or negative past performance evaluations, reports, or ratings (including without limitation material weaknesses or material deficiencies noted in any Contractor Performance Assessment Reports, ratings of less than "satisfactory," findings of default or other failure to perform, or termination or default) in connection with any Government Contract.

(k) Since January 1, 2019, neither Skyworks nor any of its employees is or has been (i) debarred, suspended, proposed for suspension or debarment, listed as an excluded party on the System for Award Management, or otherwise excluded from participation in the award or performance of any Government Contract for or with any Governmental Body, or is or was, the subject of a finding of non-responsibility or ineligibility for Government Contracts (excluding for this purpose ineligibility to bid on certain contracts due to generally applicable bidding requirements), (ii) subject to any tax delinquencies or felony convictions requiring disclosure under any applicable Law or Government Contract or (iii) under any administrative, civil or criminal investigation or review, or the subject of any information or criminal indictment, lawsuit, subpoena, civil investigative demand, discovery request or administrative proceeding, concerning any actual or alleged violation of any requirement or applicable Law pertaining to a Government Contract, including without limitation any civil False Claims Act or other "whistleblower" or "qui tam" lawsuit.

(l) Since January 1, 2019, Skyworks has not made any mandatory disclosures to any Governmental Body with respect to credible evidence of a violation of federal criminal law involving the fraud, conflict of interest, bribery or gratuity provisions found in Title 18 of the United States Code, a violation of the civil False Claims Act, or a significant overpayment in connection with the award, performance or closeout of any Government Contract, and to the Knowledge of Skyworks, there are no facts or circumstances that would require such mandatory disclosure. Except as set forth in Section 5.19(l) of the Skyworks Disclosure Schedules, Skyworks has not made a voluntary disclosure to any Governmental Body with respect to any

actual or alleged irregularity, misstatement or omission arising under or relating to a Government Contract.

(m) Except as would not reasonably be expected to have a Material Adverse Effect, (i) since January 1, 2020, Skyworks has not violated any legal, administrative or contractual restriction concerning the employment of or interactions with current or former government officials and (ii) since January 1, 2020, no payment has been made by Skyworks to any Person which is or was contingent upon the award of any Government Contract in violation of any applicable Law.

(n) Since January 1, 2019, Skyworks has been in material compliance with all applicable requirements related to data security, cybersecurity and physical security systems and procedures under its Government Contracts. Since January 1, 2019, Skyworks has been in compliance in all material respects with applicable requirements specified in the NISPOM and all applicable requirements under each Government Contract relating to the safeguarding of and access to classified information. Since January 1, 2019, neither DCSA nor any other CSA has issued to Skyworks any written adverse findings or determinations relating to Skyworks' handling of classified or Controlled Unclassified Information (as defined in Executive Order 13556) and, to the Knowledge of Skyworks, there has been no unauthorized disclosure of classified information by any employee of Skyworks.

(o) Since January 1, 2020, Skyworks has disclosed all OCIs when required in connection with any Government Contract. There is no specific work or future business opportunity from which Skyworks is currently limited, prohibited, or otherwise restricted from performing or bidding, due to an OCI as defined in FAR 2.101, contract terms or provisions related to OCIs or an OCI mitigation plan that applies to Skyworks in connection with any Government Contract.

(p) Since January 1, 2019, (i) Skyworks has not undergone and is not currently undergoing any audit, review, inspection, investigation, survey or examination of records relating to any Government Contract, (ii) Skyworks is not conducting any internal investigation or audit in connection with which Skyworks is using or plans to use any legal counsel, auditor, accountant or investigator, (iii) Skyworks has not received written notice of any investigation or review relating to any Government Contract, (iv) no audit, review, inspection, investigation, survey or examination of records relating to any Government Contract has been threatened in writing and (v) Skyworks has not received any written notice or otherwise become aware that any audit, review, inspection, investigation, survey or examination of records that has revealed any fact, occurrence or practice that, in any of (i)-(v), could reasonably be expected to have a Material Adverse Effect on Skyworks.

Section 5.20 Properties.

(a) Section 5.20(a) of the Skyworks Disclosure Schedule sets forth a true, complete and correct list, as of the Agreement Date, of the street address of each parcel of Skyworks Owned Real Property, as well as a list of any Contracts to acquire any real property by Skyworks or any Skyworks Subsidiary. Except as would not reasonably be expected to have a Material Adverse Effect on Skyworks, Skyworks and/or the applicable Skyworks Subsidiary has

good, valid and marketable fee title to all Skyworks Owned Real Property, free and clear of all Liens (except for Permitted Liens). There are no outstanding agreements, options, rights of first offer or rights of first refusal, leases, licenses, subleases or other occupancy agreements granting to any third party any right to purchase, use, occupy or enjoy any Skyworks Owned Real Property or any portion thereof or interest therein. To the extent in the possession of Skyworks, Skyworks has made available to Qorvo complete and accurate copies of all deeds, mortgages, title insurance policies (or if none for the applicable property, title insurance commitments or title insurance reports for such property), surveys, zoning reports, leases, subleases and licenses for each Skyworks Owned Real Property.

(b) Section 5.20(b) of the Skyworks Disclosure Schedule sets forth a true, complete and correct list of all leasehold or subleasehold estates or other license or occupancy agreements (whether written or oral), and all amendments or modifications thereto (collectively, the “Skyworks Real Property Leases”) held by Skyworks or any Skyworks Subsidiary as of the Agreement Date (collectively, the “Skyworks Leased Real Property”). Except as would not reasonably be expected to interfere in any material respects with the current use and operation of the Skyworks Leased Real Property by Skyworks and the Skyworks Subsidiaries, each Skyworks Real Property Lease is in full force and effect, and Skyworks or a Skyworks Subsidiary holds a valid and existing leasehold interest in all of the Skyworks Leased Real Property, free and clear of all subtenancies and other occupancy rights, and Liens (except for Permitted Liens). All parties to each Skyworks Real Property Lease are in material compliance with the terms thereof and there are no material defaults thereunder or events, which with the passage of time or notice, or both, would constitute a material default. Skyworks has made available to Qorvo complete and accurate copies of each of the Skyworks Real Property Leases described on Section 5.20(b) of the Skyworks Disclosure Schedule.

(c) Except as would not reasonably be expected to have a Material Adverse Effect on Skyworks, with respect to each Skyworks Owned Real Property and each Skyworks Leased Real Property: (i) neither Skyworks nor any of the Skyworks Subsidiaries has received written notice of any pending or threatened eminent domain, condemnation, or similar taking proceedings; (ii) neither Skyworks nor any of the Skyworks Subsidiaries has received any written notice that would reasonably be likely to cause either Skyworks or any of the Skyworks Subsidiaries to materially curtail its operations at such property, or that would reasonably be expected to materially impair such operations; (iii) to the Knowledge of Skyworks, each Skyworks Owned Real Property and each Skyworks Leased Real Property is in compliance with all applicable Laws, except as would not reasonably be expected to be material, individually or in the aggregate, to Skyworks and the Skyworks Subsidiaries, taken as a whole; and (iv) all utilities presently serving the Skyworks Owned Real Property and Skyworks Leased Real Property are presently adequate to service the existing normal operations of Skyworks and the Skyworks Subsidiaries.

Section 5.21 Tangible Personal Property. Except as would not reasonably be expected to have a Material Adverse Effect on Skyworks, each of Skyworks and the Skyworks Subsidiaries has good and valid title to, or a valid leasehold interest in, as applicable, all tangible personal property used in their respective businesses free and clear of any Liens, except for Permitted Liens. Such tangible personal property is in good operating condition and repair,

ordinary wear and tear and deferred maintenance excepted, and is sufficient for the uses in which such property is presently employed.

Section 5.22 Skyworks Significant Customers and Distributors. Section 5.22 of the Skyworks Disclosure Schedule sets forth (a) a true and complete list of the top 20 customers (excluding distributors) by revenue for Skyworks and the Skyworks Subsidiaries during the fiscal year ended October 3, 2025, based on amounts paid or payable, or that would otherwise reasonably be expected to be one of the top 20 largest customers (excluding distributors) by revenue for Skyworks and the Skyworks Subsidiaries for the fiscal year ending October 2, 2026 (each, a “Skyworks Significant Customer”), and (b) a true and complete list of the top 10 distributors by revenue for Skyworks and the Skyworks Subsidiaries during the fiscal year ended October 3, 2025, based on amounts paid or payable, or that would otherwise reasonably be expected to be one of the top 10 distributors by revenue for Skyworks and the Skyworks Subsidiaries for the fiscal year ended October 2, 2026 (each, a “Skyworks Significant Distributor”). As of the date of this Agreement, (i) none of Skyworks nor any of the Skyworks Subsidiaries has any outstanding material dispute with any Skyworks Significant Customer or Skyworks Significant Distributor, (ii) Skyworks has not received any written notice from any Skyworks Significant Customer or Skyworks Significant Distributor that such Skyworks Significant Customer or Skyworks Significant Distributor shall not continue as a customer or distributor, as applicable, of Skyworks or any of the Skyworks Subsidiaries, as applicable, or that such customer or distributor intends to terminate or materially modify existing Contracts with Skyworks or any of the Skyworks Subsidiaries, as applicable, including by materially changing the terms of or reducing the scale of the business conducted with Skyworks and the Skyworks Subsidiaries and (iii) there are no facts or circumstances that would reasonably be expected to result in, form the basis of or give rise to a material dispute with any Skyworks Significant Customer or Skyworks Significant Distributor.

Section 5.23 Skyworks Significant Suppliers. Section 5.23 of the Skyworks Disclosure Schedule sets forth a true and complete list of each supplier who was one of the 20 largest suppliers of Skyworks and the Skyworks Subsidiaries by spend during the fiscal year ended October 3, 2025, based on amounts paid or payable or that would otherwise reasonably be expected to be one of the 20 largest suppliers of Skyworks and the Skyworks Subsidiaries by spend for the fiscal year ending October 2, 2026 (each, a “Skyworks Significant Supplier”). As of the date of this Agreement, (i) none of Skyworks nor any of the Skyworks Subsidiaries has any outstanding material dispute with any Skyworks Significant Supplier, and (ii) Skyworks has not received any written notice from any Skyworks Significant Supplier that such Skyworks Significant Supplier shall not continue as a supplier of Skyworks or any of the Skyworks Subsidiaries, as applicable, or that such supplier intends to terminate or materially modify existing Contracts with Skyworks or any of the Skyworks Subsidiaries, as applicable, including by materially changing the terms of or reducing the scale of the business conducted with Skyworks and the Skyworks Subsidiaries.

Section 5.24 No Other Skyworks Representations or Warranties. Qorvo hereby acknowledges and agrees that (a) except for the representations and warranties set forth in this Article V, none of Skyworks, or any of its Affiliates or Representatives or any other Person, has made or is making any other express or implied representation or warranty with respect to Skyworks, or any of its Affiliates or Representatives, or their respective businesses or operations,

including with respect to any information provided or made available to Qorvo or any of its Affiliates or Representatives or any other Person and (b) except in the case of fraud, none of Skyworks nor any of its Affiliates or Representatives or any other Person will have or be subject to any liability or indemnification obligation or other obligation of any kind or nature to Qorvo or any of its Affiliates or Representatives or any other Person, resulting from the delivery, dissemination or any other distribution to Qorvo or any of its Affiliates or Representatives or any other Person, or the use by Qorvo or any of its Affiliates or Representatives or any other Person, of any information provided or made available to any of them by Skyworks or any Skyworks Subsidiaries, or any of their respective Affiliates or Representatives or any other Person, including any information, documents, estimates, projections, forecasts or other forward-looking information, business plans or other material provided or made available to Qorvo or any of its Affiliates or Representatives or any other Person, in “data rooms,” confidential information memoranda or management presentations in anticipation or contemplation of the Mergers or any other Transactions.

Section 5.25 Inapplicability of Anti-takeover Statutes; No Rights Plan. Assuming the accuracy of the representations and warranties of Qorvo in Article IV, there is no takeover or anti-takeover statute or similar federal or state Law, including Section 203 of the DGCL, or provision of the Certificate of Incorporation of Skyworks, applicable to this Agreement and the Transactions that requires additional action by the Skyworks Board in order for any such anti-takeover statute to be inapplicable to this Agreement and the Transactions. None of such actions by the Skyworks Board have been amended, rescinded, or modified. Assuming the accuracy of the representations and warranties of Qorvo in Article IV, no other “fair price,” “moratorium,” “control share acquisition,” “interested stockholder” or other anti-takeover statute or regulation would restrict, prohibit or otherwise be applicable with respect to this Agreement and the Transactions. Skyworks has no stockholder rights plan, “poison-pill” or other comparable agreement designed to have the effect of delaying, deferring or discouraging any Person from acquiring control of Skyworks. As of the date hereof, none of Skyworks, Merger Sub I or Merger Sub II is an “interested stockholder” of Qorvo, as such term is defined in Section 203 of the DGCL.

Section 5.26 Merger Subs.

(a) Merger Sub I is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and has the requisite corporate power and authority to carry on its business as now being conducted. Merger Sub II is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware and has the requisite power and authority to carry on its business as now being conducted.

(b) The Merger Subs (A) were formed solely for the purpose of entering into the transactions contemplated by this Agreement and (B) since the date of their respective formations, have not carried on any business, conducted any operations or incurred any liabilities or obligations other than the execution of this Agreement, the performance of their respective obligations hereunder and matters ancillary thereto.

(c) (A) Merger Subs have all requisite company power and authority to enter into this Agreement and to consummate the transactions contemplated hereby, (B) the execution and delivery of this Agreement by Merger Subs and the consummation by Merger Subs of the transactions contemplated hereby have been duly authorized by all necessary company action on the part thereof, and (C) this Agreement has been duly executed and delivered by Merger Subs and assuming due execution and delivery by Qorvo and Skyworks constitutes a valid and binding obligation of Merger Subs, enforceable in accordance with its terms, subject to the Enforceability Exceptions.

(d) (1) The board of directors of Merger Sub I duly and unanimously adopted resolutions: (i) approving the execution, delivery and performance of this Agreement and the Transactions by Merger Sub I; (ii) determining that the terms of the Mergers and the other Transactions are fair to and in the best interests of Skyworks in its capacity as the sole stockholder of Merger Sub I; (iii) recommending that Skyworks, in its capacity as the sole stockholder of Merger Sub I, adopt this Agreement and directing that this Agreement be submitted for approval to Skyworks in its capacity as the sole stockholder of Merger Sub I; and (iv) declaring that this Agreement and the Transactions, including the Mergers, are advisable. Such resolutions have not been rescinded or modified in any way. Prior to or concurrently with the execution of this Agreement, Skyworks, as sole stockholder of Merger Sub I, duly executed and delivered to Merger Sub I a stockholder consent adopting this Agreement pursuant to Section 228 of the DGCL (the "Merger Sub Consent"), a copy of which will be provided to Qorvo promptly after the date hereof. The Merger Sub Consent is currently in effect and has not been rescinded. (2) Skyworks, as the sole member of Merger Sub II, has adopted resolutions approving the Second Merger, a copy of which will be provided to Qorvo promptly after the date hereof.

(e) The execution and delivery of this Agreement by Merger Subs does not, and the consummation of the transactions contemplated hereby and compliance with the provisions of this Agreement by Merger Subs shall not, conflict with, or result in any violation of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, cancellation or acceleration of any obligation or loss of a benefit under, or result in the creation of any Lien upon any of the properties or assets of Merger Subs under their respective organizational documents.

(f) As of the date hereof, the authorized capital stock of Merger Sub I consists of 100 shares of Common Stock, par value \$0.01 per share, of Merger Sub I ("Merger Sub I Common Stock"), of which 100 shares are issued and outstanding. All of the outstanding shares of Merger Sub I Common Stock have been validly issued, are fully paid and nonassessable and owned directly by Skyworks free and clear of any Liens. As of the date hereof, all of the limited liability company interests of Merger Sub II have been validly issued, are fully paid and non-assessable and owned directly by Skyworks free and clear of any Liens.

Section 5.27 Financing.

(a) Skyworks has delivered to Qorvo a true and complete copy of the fully executed commitment letter from Goldman Sachs Bank USA, dated as of the date of this Agreement (including all related exhibits, schedules, annexes, supplements and term sheets

thereto, as may be amended, supplemented, replaced, substituted, terminated or otherwise modified or waived from time to time after the date hereof in compliance with Section 7.16, the “Debt Commitment Letter”), by and between Skyworks and the Financing Sources party thereto, pursuant to which such Financing Sources have committed, subject solely to the conditions expressly set forth therein and the terms thereof, to provide the amounts set forth therein for purposes of funding the Mergers on the date on which the Closing is to occur pursuant to Section 1.2. Skyworks has also delivered to Qorvo a true, complete and fully executed copy of any fee letter with any Financing Source party to the Debt Commitment Letter (it being understood that any such fee letter provided to Qorvo shall be redacted in a customary manner solely with respect to the fees, pricing caps and certain economic terms (including economic flex terms), which redacted information does not adversely affect the amount, availability or conditionality of the funding of the Debt Financing thereunder) (any such fee letter, as may be amended, supplemented, replaced, substituted, terminated or otherwise modified or waived from time to time after the date hereof in compliance with Section 7.16, a “Fee Letter”; each such Fee Letter collectively with the Debt Commitment Letter, the “Debt Financing Commitment”).

(b) Assuming the Debt Financing is funded in accordance with the Debt Financing Commitment, the aggregate net proceeds from the Debt Financing, when funded in accordance with the Debt Financing Commitment, together with all other sources of cash available to Skyworks on the Closing Date, will be sufficient for the payment of all of its obligations under this Agreement and the Debt Financing Commitment, including the payment of the cash portion of the Merger Consideration, and all costs, fees and expenses of the Mergers payable by Skyworks, Merger Subs, the Surviving Corporation or the Surviving Company in connection with the Mergers, and any repayment or refinancing of indebtedness contemplated by this Agreement and the Debt Financing Commitment (collectively, the “Financing Uses”).

(c) As of the date of this Agreement, the Debt Commitment Letter and each Fee Letter are in full force and effect and have not been withdrawn, terminated or rescinded, or amended, restated or otherwise modified or waived in any respect, and no such amendment, restatement, modification, withdrawal, termination or rescission is contemplated or the subject of current discussions (other than any amendment, restatement, amendment and restatement, modification or supplement to the Debt Financing Commitment to add lenders, lead arrangers, bookrunners, underwriters, syndication agents or similar entities that have not executed the Debt Commitment Letter or such Fee Letters as of the date of this Agreement). The Debt Commitment Letter and each Fee Letter are a legal, valid and binding obligation of Skyworks and, to the Knowledge of Skyworks, each of the other parties thereto, enforceable against Skyworks and, to the Knowledge of Skyworks, each of the other parties thereto in accordance with its terms, subject to the Enforceability Exceptions. There are no conditions precedent or other contingencies directly or indirectly related to the funding of the full amount (or any portion) of the Debt Financing at or prior to the Closing, other than as expressly set forth in the Debt Financing Commitment. As of the date of this Agreement, no event has occurred or circumstance exists that, with or without notice, lapse of time or both, constitutes, or could constitute, a breach, default or failure to satisfy a condition under the Debt Financing Commitment by or on the part of Skyworks or, to Skyworks’ Knowledge, any other party to the Debt Financing Commitment under the Debt Financing Commitment. As of the date of this Agreement, there are no side letters or other agreements, Contracts, arrangements or understandings of any kind (written or oral) directly or indirectly related to the Debt Financing or the Debt Financing Commitment

except for customary engagement letters or non-disclosure agreements which do not impact the conditionality or amount of the Debt Financing. Skyworks has fully paid all commitment fees and other fees required to be paid on or prior to the date of this Agreement in connection with the Debt Financing. As of the date of this Agreement, Skyworks is not, and has no reason to be, aware of any fact, event or other occurrence that makes any of the representations or warranties in the Debt Financing Commitment inaccurate in any respect. As of the date of this Agreement, no Person that is a party to the Debt Financing Commitment has notified Skyworks (or any of its Affiliates or Representatives) of its intention to terminate any of its obligations under the Debt Financing Commitment or to not provide the Debt Financing.

(d) As of the date of this Agreement, assuming the satisfaction of the conditions to Skyworks' obligations to consummate the Closing pursuant to Article VIII, Skyworks has no reason to believe that any of the conditions to the Debt Financing contemplated by the Debt Financing Commitment will not be satisfied on or prior to the Closing Date or that the full amount of the Debt Financing required to satisfy the Financing Uses will not be made available to Skyworks on the Closing Date.

(e) Notwithstanding anything contained in this Agreement to the contrary, Skyworks and Merger Subs acknowledge and agree that their respective obligations hereunder are not conditioned in any manner whatsoever upon obtaining the Debt Financing or any other financing (including any Capital Markets Issuance) for, or related to, any of the transactions contemplated by this Agreement.

ARTICLE VI

During the Interim Period, except (i) as expressly contemplated or required by this Agreement, (ii) as required by applicable Law, (iii) in the case of Qorvo, as set forth in Section 6.1 or Section 6.2 of the Qorvo Disclosure Schedule or as consented to in writing by Skyworks (which consent will not be unreasonably withheld, conditioned or delayed), or (iv) in the case of Skyworks, as set forth in Section 6.1 or Section 6.2 of the Skyworks Disclosure Schedule or as consented to in writing by Qorvo (which consent will not be unreasonably withheld, conditioned or delayed), each of Qorvo and Skyworks shall, and shall cause their respective Subsidiaries to, use commercially reasonable efforts to (A) conduct their respective businesses in the ordinary course of business in all material respects, (B) preserve substantially intact their current business organizations, (C) keep available the services of their current officers and key employees, (D) maintain in all material respects their relationships with material customers, suppliers, landlords, creditors, licensors, licensees and other Persons having material business relationships with them (in each case, taken as a whole), and (E) keep in full force and effect all appropriate insurance policies covering all material assets; provided, however, that no action by Qorvo or Skyworks, as applicable, nor any of their respective Subsidiaries with respect to matters addressed specifically by any provision of Section 6.2 shall be deemed a breach of this Section 6.1 by such party unless such action would constitute a breach of such specific provision of Section 6.2.

Section 6.2 Negative Restrictions. Except (i) as expressly contemplated or required by this Agreement, (ii) as required by GAAP, SEC rules and regulations or applicable Law (including any changes thereto), (iii) in the case of Qorvo, as set forth in Section 6.2 of the Qorvo Disclosure Schedule, or as consented to in writing by Skyworks (which consent will not be unreasonably withheld, conditioned or delayed) or (iv) in the case of Skyworks, as set forth in Section 6.2 of the Skyworks Disclosure Schedule, or as consented to in writing by Qorvo (which consent will not be unreasonably withheld, conditioned or delayed), during the Interim Period, Qorvo and Skyworks shall not, and shall cause their respective Subsidiaries not to:

(a) declare, accrue, set aside or pay any dividend, make or pay any dividend or other distribution (whether in cash, stock, property or otherwise) in respect of any of their respective shares of capital stock or any other securities or any shares of capital stock or any other securities of their respective Subsidiaries, except: (1) dividends or distributions paid in cash from any of their respective direct or indirect wholly owned Subsidiaries to themselves or another of their respective direct or indirect wholly owned Subsidiaries; and (2) Skyworks may elect to pay a cash dividend in respect of Skyworks Common Stock no more than once per fiscal quarter, in the amounts per share of Skyworks Common Stock of no more than the amounts set forth on Section 6.2(a) of the Skyworks Disclosure Schedule per fiscal quarter for the remainder of fiscal year 2026 and for fiscal year 2027, and, for each fiscal year thereafter, in such amount per share of Skyworks Common Stock for such fiscal year as may be determined by the Skyworks Board in the ordinary course of business in an amount per share of Skyworks Common Stock not to exceed 2% over the prior fiscal year's greatest per-share dividend payment;

(b) adjust, split, combine, subdivide or reclassify any capital stock or other equity securities or issue or authorize the issuance of any other securities in respect of, in lieu of or in substitution for its capital stock or other securities or otherwise amend the terms of any of their respective securities or any of their respective Subsidiaries' securities;

(c) repurchase, acquire, redeem or otherwise reacquire or offer to repurchase, acquire, redeem or otherwise reacquire any shares of their respective capital stock or other securities or shares of capital stock or other securities of any of their respective Subsidiaries, or any warrants, calls, options or other rights to acquire any such capital stock, securities or interests, other than the withholding of shares of Qorvo Common Stock or Skyworks Common Stock, as applicable, to satisfy Tax obligations with respect to Qorvo RSU Awards or Skyworks Equity Awards, as applicable, outstanding on the Agreement Date or issued or granted in accordance with this Agreement;

the Mergers or the other Transactions; (iii) materially increasing the risk of not being able to remove any such order on appeal or otherwise; or (iv) preventing, materially impairing or materially delaying, or otherwise materially adversely affecting the consummation of the Mergers or the Transactions or the ability of such party to fully perform its obligations pursuant to this Agreement.

In connection with the foregoing, each party hereto shall use its reasonable best efforts: (v) to inform the other parties to this Agreement, and if in writing, furnish the other parties with copies of, any material communication from or to any Governmental Body in respect of any filings or inquiry under any Antitrust Law or Investment Screening Law relating to the Mergers; (w) to give the other party reasonable prior notice of any communication with, and any proposed understanding or agreement with, any Governmental Body regarding any investigations, proceedings, filings, forms, declarations, notifications, registrations or notices, and permit the other parties to review and discuss in advance, and consider in good faith the views of the other parties in connection with, any proposed communication, understanding or agreement with any Governmental Body, in each case under any Antitrust Law or Investment Screening Law relating to the Mergers, subject to an appropriate confidentiality agreement and the advice of such party's antitrust or investment screening counsel (as applicable); (x) to give the other parties advance notice of, and permit the other party to participate in, any substantive meeting or conversation with any Governmental Body in respect of any filings or inquiry under any Antitrust Law or Investment Screening Law relating to the Mergers; (y) if attending a meeting, conference, or conversation with a Governmental Body under any Antitrust Law or Investment Screening Law relating to the Mergers, from which another party is prohibited by applicable Law or by the applicable Governmental Body from participating in or attending, to keep the other party reasonably apprised with respect thereto; and (z) to consult and cooperate with the other parties

(b) Notwithstanding anything to the contrary contained in this Section 7.3 or elsewhere in this Agreement, Skyworks shall: (i) control, devise and implement the strategy and timing for seeking and securing any actions or Consents of any Governmental Body with respect to the Transactions, including with respect to developing, proposing or negotiating any Regulatory Remedies or any other commitments, Consents or remedies with any Governmental Body intended to avoid, resolve or lift a Restraint or Legal Proceeding (after taking into account in good faith any comments of Qorvo or its Representatives relating to such strategy), and coordinate any contacts with any Governmental Body (including any Requesting Authority); (ii) take the lead in all meetings, communications, discussions and negotiations with any Governmental Body (including any Requesting Authority) in connection with obtaining any such

Skyworks and Qorvo shall cooperate and provide the other party with a reasonable opportunity to review and comment on any amendment or supplement to the Registration Statement prior to filing such with the SEC, and with a copy of all such filings made with the SEC. (ii) So long as there has not been a Change in Board Recommendation by the Qorvo Board, Qorvo shall, as promptly as practicable (and in any event no more than 45 days) after the Registration Statement is declared (or has become) effective under the Securities Act, establish a record date for and duly give notice of, convene and hold the Qorvo Stockholder Meeting in accordance with the DGCL for the purpose of obtaining the Qorvo Stockholder Approval and shall, subject to the provisions of Section 7.4(b), through its Board of Directors, recommend to its stockholders the adoption of this Agreement. Qorvo may only postpone or adjourn the Qorvo Stockholder Meeting (A) to solicit additional proxies for the purpose of obtaining the Qorvo Stockholder Approval, (B) for the absence of a quorum, and (C) to allow reasonable additional time for the filing and/or mailing of any supplemental or amended disclosure that Qorvo has determined after consultation with outside legal counsel is reasonably likely to be required under applicable Law and for such supplemental or amended disclosure to be disseminated and reviewed by stockholders of Qorvo prior to the Qorvo Stockholder Meeting; provided, however, that Qorvo shall postpone or adjourn the Qorvo Stockholder Meeting up to two (2) times for up to thirty days each time upon the reasonable request of Skyworks.

(iii) So long as there has not been a Change in Board Recommendation by the Skyworks Board, Skyworks shall, as promptly as practicable (and in any event no more than 45 days) after the Registration Statement is declared (or has become) effective under the Securities Act, establish a record date for and duly give notice of, convene and hold the Skyworks Stockholder Meeting in accordance with the DGCL for the purpose of obtaining the Skyworks Stockholder Approval and shall, subject to the provisions of Section 7.4(b), through its Board of Directors, recommend to its stockholders the approval of the issuance of Skyworks Common Stock pursuant to this Agreement (including pursuant to Section 3.2) (the “Skyworks Stock Issuance”) in accordance with the Nasdaq Listing Rule 5635(a). Skyworks may only postpone or adjourn the Skyworks Stockholder Meeting (A) to solicit additional proxies for the purpose of obtaining the Skyworks Stockholder Approval, (B) for the absence of a quorum, and (C) to allow reasonable additional time for the filing and/or mailing of any supplemental or amended disclosure that Skyworks has determined after consultation with outside legal counsel is reasonably likely to be required under applicable Law and for such supplemental or

amended disclosure to be disseminated and reviewed by stockholders of Skyworks prior to the Skyworks Stockholder Meeting; provided, however, that Skyworks shall postpone or adjourn the Skyworks Stockholder Meeting up to two (2) times for up to thirty days each time upon the reasonable request of Qorvo.

(iv) Qorvo and Skyworks shall use reasonable best efforts to hold the Qorvo Stockholder Meeting and the Skyworks Stockholder Meeting on the same date and as soon as reasonably practicable after the date of this Agreement.

(v) The only matters to be voted upon at each of the Qorvo Stockholder Meeting and the Skyworks Stockholder Meeting will be (A) the Mergers, as applicable, (B) the Skyworks Stock Issuance, as applicable, (C) any adjournment or postponement of the Qorvo Stockholder Meeting or the Skyworks Stockholder Meeting, as applicable, (D) if required by applicable Law, the shareholder advisory vote contemplated by Rule 14a-21(c) under the Exchange Act and (E) any other matters as are required by applicable Law in connection with the foregoing.

(vi) Each of Qorvo and Skyworks agrees that none of the information supplied or to be supplied by or on behalf of itself for inclusion or incorporation by reference in the Registration Statement will, at the time the Registration Statement becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. Each of Qorvo and Skyworks agrees that none of the information supplied or to be supplied by or on behalf of itself for inclusion or incorporation by reference in the Proxy Statement/Prospectus, will, at the time the Proxy Statement/Prospectus or any amendment thereof or supplement thereto is first mailed to the stockholders of Qorvo and the stockholders of Skyworks, respectively, and at the time of the Qorvo Stockholder Meeting and the Skyworks Stockholder Meeting, respectively, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. If at any time prior to the Qorvo Stockholder Meeting or the Skyworks Stockholder Meeting any fact or event relating to Qorvo or any of its Affiliates, or Skyworks or any of its Affiliates, which should be set forth in an amendment or supplement to the Proxy Statement/Prospectus should be discovered by Qorvo or Skyworks or should occur, as the case may be, Qorvo or Skyworks, as applicable, shall, promptly after becoming aware thereof, inform the other of such fact or event, and an appropriate amendment or supplement describing such fact or event shall be promptly filed with the SEC and, to the extent required by applicable Law, disseminated to the stockholders of Qorvo and Skyworks. Notwithstanding the foregoing, (A) no representation, warranty or covenant is made by Qorvo with respect to statements made or incorporated by reference therein based on information supplied by Skyworks for inclusion or incorporation by reference therein, and (B) no representation, warranty or covenant is made by Skyworks with respect to statements made or incorporated by reference therein based on information supplied by Qorvo for inclusion or incorporation by reference therein.

(vii) Notwithstanding (A) any Change in Board Recommendation, (B) any public proposal or announcement or other submission to Qorvo or Skyworks of an Acquisition Proposal or (C) anything in this Agreement to the contrary, but subject to Qorvo's and Skyworks' right to terminate this Agreement in accordance with its terms, including pursuant to Section 9.1(j) or Section 9.1(k), the obligations of each of Qorvo and Skyworks under this Section 7.4 shall continue in full force and effect.

(b) Neither the Qorvo Board, nor the Skyworks Board nor any committee thereof shall (i) fail to make, withdraw, amend, modify or qualify, or publicly propose to withhold, withdraw, amend, modify or qualify its Board Recommendation, (ii) approve, endorse, adopt or recommend, or publicly propose to approve, endorse, adopt or recommend, any Acquisition Proposal or Superior Proposal, (iii) fail to recommend against acceptance of any tender offer or exchange offer for Qorvo Common Stock, in the case of any offer for Qorvo, or for Skyworks Common Stock, in the case of any offer for Skyworks, within ten (10) Business Days after the commencement of such offer, (iv) take any action to exempt or make any Person (other than Skyworks or Qorvo) not subject to the provisions of Section 203 of the DGCL or any other potentially applicable anti-takeover or similar statute or regulation, (v) fail to affirm publicly and without qualification its Board Recommendation following any reasonable written request by the other party to provide such reaffirmation (including in the event of an Acquisition Proposal (other than pursuant to a commenced tender offer or exchange offer) having been publicly disclosed) prior to the earlier of (x) ten (10) calendar days following such request and (y) five (5) Business Days prior to the Qorvo Stockholder Meeting or Skyworks Stockholder Meeting, as applicable (provided, in the case of clause (y), that if such request is made fewer than eight (8) Business Days prior to such meeting, then, notwithstanding the foregoing, the board in receipt of such request or any committee thereof shall have four (4) Business Days to respond to such request for reaffirmation), it being further agreed that no such request for such affirmation shall be made except once per Acquisition Proposal or material modification of such Acquisition Proposal, or (vi) resolve or agree to take any of the foregoing actions (each such foregoing action or failure to act in clauses (i) through (vi) being referred to as a "Change in Board Recommendation"). Notwithstanding the foregoing, the determination (but not the adoption, approval, recommendation or endorsement) by the Qorvo Board or Skyworks Board, as applicable, that an Acquisition Proposal is or would be reasonably likely to lead to a Superior Proposal in accordance with Section 7.1(b) shall not, in and of itself, be deemed a "Change in Board Recommendation," and the Qorvo Board or Skyworks Board, as applicable, may, at any time prior to receipt of the relevant Stockholder Approval, take any of the actions set forth in Section 7.4(b)(i) and Section 7.4(b)(ii) below (provided, however, that prior to taking any such action, such party complies with Section 7.4(c) of this Agreement):

(i) if there is an Intervening Event, effect a Change in Board Recommendation if such board concludes in good faith, after consultation with outside counsel, that the failure to take such action would be inconsistent with its fiduciary duties under applicable Law; and

(ii) effect a Change in Board Recommendation in response to an Acquisition Proposal if (A) such board concludes in good faith, after consultation with outside counsel, that the failure to take such action would be inconsistent with its fiduciary duties under applicable Law and (B) such board concludes in good faith, after

consultation with such party's financial advisor and outside counsel, that the Acquisition Proposal constitutes a Superior Proposal.

(c) Notwithstanding anything to the contrary set forth in Section 7.4(b), Qorvo and Skyworks shall not be entitled to make a Change in Board Recommendation pursuant to Section 7.4(b)(i) and Section 7.4(b)(ii) unless: (A) Qorvo or Skyworks, as applicable, shall have first provided prior written notice at least four (4) Business Days prior to making a Change in Board Recommendation (the "Notice Period") to the other party of its intention to make a Change in Board Recommendation, which notice shall, if the basis for the proposed action by its board is an Intervening Event, contain a description of the Intervening Event giving rise to such proposed action or, if the basis for the proposed action by its board is a Superior Proposal, include the information with respect to such Superior Proposal that is specified in Section 7.1(c), as well as a copy of such Superior Proposal (a "Superior Proposal Notice") (it being understood and agreed that the delivery of such notice shall not, in and of itself, be deemed to be a Change in Board Recommendation); (B) Qorvo or Skyworks, as applicable, shall, and shall cause its respective financial advisor and legal counsel to, during the Notice Period, negotiate with the other party (to the extent the other party desires to negotiate) in good faith to make such amendments to the terms and conditions of this Agreement so that such Acquisition Proposal ceases to constitute a Superior Proposal or so that the Intervening Event no longer forms the basis for its board to effect a Change in Board Recommendation, including providing the other party and its Representatives with an opportunity to make a presentation to its board regarding this agreement and any adjustments with respect thereto, if the other party, in its discretion, proposes to make such amendments and/or presentation (it being understood and agreed (x) that in the event that, after commencement of the Notice Period, there is any material revision to the terms of a Superior Proposal, including any revision in price, Qorvo or Skyworks, as applicable, will be required to deliver a new written notice to the other party and to comply with the requirements of this Section 7.4(c) with respect to such new written notice, and the Notice Period shall be extended, if applicable, to ensure that at least two (2) Business Days remain in the Notice Period subsequent to the time the party notifies the other party of any such material revision and (y) that there may be multiple extensions of the Notice Period); and (C) its board of directors (after consultation with its financial advisor and outside counsel), has in good faith reaffirmed its determination that the Intervening Event continues to form the basis for its board to effect a Change in Board Recommendation or the offer previously constituting a Superior Proposal continues to constitute a Superior Proposal, as the case may be; provided, that neither the delivery of a Superior Proposal Notice nor any public announcement thereof that such party determines that it is required to make under applicable Law shall constitute a Change in Board Recommendation, unless and until it shall have failed promptly after the end of the Notice Period to publicly announce that it (A) was recommending the Transactions and (B) has determined that such other Acquisition Proposal (taking into account (1) any modifications or adjustments made to the Transactions and agreed to by the parties and (2) any modifications or adjustments made to such other Acquisition Proposal) is not a Superior Proposal and has publicly rejected such Superior Proposal.

(d) Nothing in this Agreement, but subject to Section 7.4(b), shall prohibit the Qorvo Board or the Skyworks Board from (i) taking and disclosing to their respective stockholders a position contemplated by Rule 14e-2(a) under the Exchange Act or complying with the provisions of Rule 14d-9 promulgated under the Exchange Act, and (ii) making any

disclosure to their respective stockholders that it determines in good faith (after consultation with its outside legal counsel) that the failure to make such disclosure would reasonably be expected to be inconsistent with the board's fiduciary duties under applicable Law.

(e) Skyworks, including in its capacity as the sole stockholder of Merger Sub I and the sole member of Merger Sub II, shall take all actions necessary to (a) cause Merger Sub I, Merger Sub II and, after the Closing, the Surviving Company, to perform their respective obligations under this Agreement and to consummate the Mergers on the terms and conditions set forth in this Agreement, (b) after the Effective Time, cause the Second Merger to occur and (c) ensure that each of Merger Sub I and Merger Sub II prior to the Effective Time shall not conduct any business, incur or guarantee any Indebtedness or make any investments, other than incident to its obligations under this Agreement, the Debt Financing Commitment, the definitive agreements with respect to the Debt Financing or the transactions contemplated hereby or thereby, including the Debt Financing.

Section 7.5 Notification of Certain Events. Each of Qorvo and Skyworks shall, as promptly as reasonably practicable, notify the other:

(a) upon becoming aware that any material representation or warranty made by it in this Agreement has become untrue or inaccurate, or of any material failure of such Person to comply with or satisfy any covenant or agreement to be complied with or satisfied by it under this Agreement, in each case, such that any condition to the Mergers would reasonably be expected to fail to be satisfied; provided, however, that no such notification shall affect or be deemed to modify any representation or warranty of such party set forth herein or the conditions to the obligations of the other party to consummate the Mergers, or the remedies available to the parties hereto, and provided, further, that failure to give any such notice under this Section 7.5 shall not be treated as a breach of covenant for the purposes of Section 8.2(a), Section 8.3(a), Section 9.1(h) or Section 9.1(i) of this Agreement, as applicable;

(b) to the extent Qorvo has Knowledge of such notice or communication or that Skyworks has Knowledge of such notice or communication, as the case may be, of any written communication from any Person alleging that the Consent of such Person is required in connection with the Mergers, and the failure to obtain such Consent would reasonably be expected to have a material impact on Qorvo and the Qorvo Subsidiaries, taken as a whole, or Skyworks and the Skyworks Subsidiaries, taken as a whole, or the Combined Company;

(c) of any material written communication from any Governmental Body related to the Mergers; and

(d) of any proceedings commenced and served upon, or threatened in writing against, Qorvo or any Qorvo Subsidiaries, or Skyworks or any Skyworks Subsidiaries, that, if pending on the Agreement Date, would have been required to have been disclosed pursuant to any Section of this Agreement.

Section 7.6 Access and Investigation. Subject to the Confidentiality Agreement, during the period commencing on the Agreement Date and ending on the earlier of (1) the Effective Time, and (2) the valid termination of this Agreement pursuant to Section 9.1 (such

period being referred to herein as the “Interim Period”), each of Qorvo and Skyworks shall, and shall cause their respective Representatives, to: (i) provide Skyworks or Qorvo, as applicable, with reasonable access in a manner not unreasonably disruptive to the operation of the businesses of Qorvo or Skyworks, as applicable, or to their respective Subsidiaries, during normal business hours to Qorvo’s or Skyworks’, as applicable, and each of their respective Subsidiaries’, Representatives, books, records, Tax Returns, operating and financial reports, work papers, assets, Contracts and other documents and information relating to Qorvo or to Skyworks, as applicable, or to their respective Subsidiaries; and (ii) provide Skyworks or Qorvo, as applicable, and their respective Representatives with such copies of the books, records, Tax Returns, work papers, Contracts and other documents and information relating to Qorvo or Skyworks, as applicable, and their respective Subsidiaries, and with such additional financial, operating and other data and information regarding Qorvo or Skyworks, as applicable, and their respective Subsidiaries, in each of cases (i) and (ii), (A) under the supervision of appropriate personnel of the providing party, (B) in such a manner not to unreasonably interfere with the usual operation of the providing party, (C) to the extent reasonably necessary for (x) the consummation of the Transactions or (y) planning for the integration of the parties’ businesses (and with respect to clause (y), only to the extent such information is reasonably necessary at such time in advance of the Effective Time), and (D) with respect to books, records, Tax Returns, operating and financial reports, work papers, assets, Contracts and other documents and information relating to Qorvo or to Skyworks, as applicable, or to their respective Subsidiaries, solely to the extent such items are in the possession or control of such party or any of its Representatives. Information obtained by Skyworks or Qorvo, as applicable, pursuant to this Section 7.6 will constitute “Evaluation Material” (subject to any exception contained in such definition) under the Confidentiality Agreement and will be subject to the provisions of the Confidentiality Agreement. Nothing in this Section 7.6 shall require Qorvo or Skyworks to: (1) permit any inspection, or to disclose any information, that in the reasonable judgment of such party, would reasonably be expected to: (A) violate any of its or its Affiliates’ respective Contract obligations with respect to confidentiality; (B) result in a violation of applicable Law; or (C) result in loss of legal protection, including the attorney-client privilege and work product doctrine; or (2) take any actions otherwise permitted not to be taken pursuant to, or provide information (other than to the extent required by Section 7.1, Section 7.4(b) or Section 7.4(c)) from the Skyworks Board’s or the Qorvo Board’s deliberation or evaluation of the matters described in, clauses (iii) or (iv) of Section 7.8. Without limiting the foregoing, in the event that Qorvo or Skyworks does not provide access or information in reliance on the immediately preceding sentence, it shall provide notice to the other party that it is withholding such access or information and, in the case of the foregoing clauses (A) or (B), shall use commercially reasonable efforts to communicate the applicable information in a way that would not violate the applicable Law or Contract.

Section 7.7 Confidentiality. Notwithstanding anything therein to the contrary, the Confidentiality Agreement, dated as of April 8, 2025, by and between Skyworks and Qorvo (the “Confidentiality Agreement”), other than the fourth paragraph thereof, shall be extended, as applicable, and shall remain in full force and effect in accordance with its terms until the earlier of (i) two years following the termination of this Agreement (except that the eighth paragraph thereof shall be extended only until the termination of this Agreement) and (ii) the Effective Time, at which time the Confidentiality Agreement shall automatically terminate without further action. All obligations of the parties under the fourth paragraph of the Confidentiality Agreement shall be suspended for the duration of this Agreement upon the execution and delivery of this

Agreement. All information subject to the Clean Room Agreement or the Joint Defense Agreement shall remain so subject.

Section 7.8 Public Announcements. Skyworks and Qorvo: (a) shall mutually agree to the text of the joint press release and investor relations presentation announcing the signing of this Agreement; and (b) shall consult with each other before issuing any further press release or otherwise making any public statement with respect to the Mergers or any of the other Transactions, and shall not issue any such press release or make any such public statement without the prior written consent of the other party, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing: (i) each party may, without such consultation or consent, make any public statement in response to questions from the press, analysts, investors or those attending industry conferences and make internal announcements to employees, so long as such statements or announcements are consistent with (and not materially expansive of) previous press releases, public disclosures or public statements or announcements made jointly by the parties (or individually, if approved by the other party); (ii) either party may, without the prior consent of the other party, issue any such press release or make any such public announcement or statement as may be required by applicable Law or by Nasdaq if it first notifies and consults with the other party prior to issuing any such press release or making any such public announcement or statement; (iii) the parties need not consult with (or obtain the consent of) the other in connection with any press release, public statement or filing to be issued or made with respect to any Acquisition Proposal or any modification or withdrawal of their respective Board Recommendations in accordance with Section 7.4; and (iv) neither party need consult with (or obtain the consent of) the other party in connection with any press release, public statement or filing in connection with any Legal Proceeding between the parties related to this Agreement or any of the Transactions.

Section 7.9 Employee Matters.

(a) For purposes of this Section 7.9, (i) the term “Covered Employees” means employees who are actively employed by Qorvo or its Subsidiaries immediately prior to the Closing and who remain employed by Skyworks, the Surviving Company or any of their respective Subsidiaries immediately after the Closing; and (ii) the term “Continuation Period” means the period beginning at the Closing and ending on the first anniversary of the Closing.

(b) During the Continuation Period, Skyworks shall, or shall cause a Subsidiary of Skyworks to, provide to each Covered Employee for so long as such Covered Employee remains employed by Skyworks or any of its Subsidiaries during the Continuation Period, (i) an annual base salary or base wage rate that is no less favorable than the annual base salary or base wage rate that was provided to the Covered Employee immediately prior to the Closing, (ii) a total annual target cash opportunity (i.e., inclusive of annual base salary or base wage rate and any applicable target annual cash bonus opportunity, and excluding any equity or equity-based compensation opportunity) that is no less favorable than the total annual target cash opportunity that was provided to the Covered Employee immediately prior to the Closing, (iii) severance pay and benefits at levels that are no less favorable than the greater of (x) the levels of such severance pay and benefits as in effect under the Qorvo Plans immediately prior to the Closing and (y) the levels of such severance pay and benefits applicable to similarly situated employees of Skyworks, and (iv) other employee benefits (other than defined benefit pension

benefits, retiree health and insurance benefits, and equity and equity-related incentive compensation) that are substantially comparable, in the aggregate, to those provided to Covered Employees under the Qorvo Plans immediately prior to the Closing. Furthermore, it is Skyworks' present intention that, during the Continuation Period, it shall provide Covered Employees with annual long-term incentive compensation opportunities that are no less favorable than, at Skyworks' election, the long-term incentive compensation opportunities, if any, (x) provided to similarly situated employees of Skyworks or (y) provided to such Covered Employees immediately prior to the Closing; provided, that, with respect to any such annual long-term incentive compensation awarded to a Covered Employee during such Continuation Period, the terms set forth on Section 7.9(b) of the Qorvo Disclosure Schedules shall apply.

(c) In the event any Covered Employee first becomes eligible to participate under any employee benefit plan, program, policy, or arrangement of Skyworks or any of its Subsidiaries ("Skyworks Plan") following the Closing, Skyworks shall, or shall cause a Subsidiary of Skyworks to, use reasonable best efforts to (i) waive any preexisting condition exclusions and waiting periods with respect to participation and coverage requirements applicable to any Covered Employee under any Skyworks Plan providing medical, dental, or vision benefits to the same extent such limitation would have been waived or satisfied under the Qorvo Plan the Covered Employee participated in immediately prior to coverage under the Skyworks Plan; and (ii) provide each Covered Employee with credit for any copayments and deductibles paid under a Qorvo Plan prior to the Covered Employee's coverage under any corresponding Skyworks Plan during the plan year in which the Covered Employee first becomes eligible to participate in the applicable Skyworks Plan, to the same extent such credit was given under the employee benefit plan Covered Employee participated in immediately prior to coverage under the Skyworks Plan, in satisfying any applicable deductible or out-of-pocket requirements under the Skyworks Plan for the plan year in which the Covered Employee first becomes eligible to participate in such Skyworks Plan.

(d) As of the Closing, Skyworks shall, or shall cause a Subsidiary of Skyworks to, use reasonable best efforts to recognize the service of each Covered Employee prior to the Closing to Qorvo (or any predecessor entities of Qorvo or any of the Qorvo Subsidiaries) for purposes of eligibility, vesting and level of benefits (but not for benefit accrual purposes under any defined benefit pension plan, eligibility for early retirement subsidies, eligibility for or benefits accruals under any retiree medical or insurance program or vesting of any equity or equity-related incentive compensation (except as required pursuant to this Agreement)) to the same extent as such Covered Employee received, immediately before the Closing, credit for such service under any similar Qorvo Plan in which such Covered Employee participated immediately prior to the Closing. In no event shall anything contained in this Section 7.9 result in any duplication of benefits for the same period of service.

(e) Unless otherwise requested in writing by Skyworks, the Qorvo Board (or the appropriate committee thereof) shall adopt resolutions and take such corporate action as is necessary to terminate any Qorvo Plan intended to qualify as a qualified cash or deferred arrangement under Section 401(k) of the Code (collectively, the "Qorvo 401(k) Plans"), effective no later than the day immediately prior to the Closing Date and, effective as of such date, no employee of Qorvo or any Qorvo Subsidiary shall have any right thereafter to contribute any amounts to the Qorvo 401(k) Plans. Qorvo shall provide Skyworks with a reasonable

opportunity to review and comment, in advance of any such adoption or corporate action, on any such resolutions or corporation actions. If the Qorvo 401(k) Plans are terminated in accordance with this Section 7.9(e), effective as of the Closing, Skyworks shall permit each Covered Employee who, as of immediately prior to the Closing, was eligible to participate in a Qorvo 401(k) Plan, to be eligible to participate in a Skyworks Plan intended to qualify as a qualified cash or deferred arrangement under Section 401(k) of the Code (the “Skyworks 401(k) Plan”) effective as of, or as soon as administrative feasible following, the Closing Date, and Skyworks shall cause the Skyworks 401(k) Plan to accept the rollover of account balances (including, subject to the following sentence, the in-kind rollover of promissory notes evidencing outstanding participant loans that are not in default) from the applicable Qorvo 401(k) Plan to the Skyworks 401(k) Plan for each Covered Employee who elects such direct rollover in accordance with the terms of the Qorvo 401(k) Plan and the Code. Qorvo and Skyworks shall cooperate in good faith to work with the Qorvo 401(k) Plan and Skyworks 401(k) Plan recordkeepers to develop a process and procedure for effecting the in-kind direct rollover of promissory notes evidencing participant loans from the Qorvo 401(k) Plan to the Skyworks 401(k) Plan, and the obligation of the Skyworks 401(k) Plan to accept the direct rollover of loan promissory notes is conditioned on the development of a loan rollover process and procedure that is acceptable to the respective recordkeepers. In the event that a process and procedure acceptable to the Qorvo 401(k) Plan and Skyworks 401(k) Plan recordkeepers for effecting the in-kind rollover of loan promissory notes is agreed upon, Qorvo and Skyworks shall take any and all commercially reasonable actions needed to permit each Covered Employee with an outstanding loan balance under a Qorvo 401(k) Plan as of the Closing Date to continue to make scheduled loan payments to the Qorvo 401(k) Plan after the Closing, pending the distribution and in-kind rollover of such promissory notes evidencing such loans, so as to prevent, to the extent reasonably possible, a deemed distribution or loan offset with respect to such outstanding loans.

(f) Prior to the Closing, Skyworks and Qorvo shall cooperate in timely satisfying any notice, information, consent, or consultation obligations, and other similar requirements in respect of any applicable Collective Bargaining Agreement, or in accordance with applicable Law, to any labor or trade union, works council, labor organization or similar employee representative that may be triggered by this Agreement or the Transactions.

(g) Prior to the Closing, Skyworks and Qorvo will each grant retention incentives to their respective key employees pursuant to the terms and conditions set forth on Section 7.9(g) of the Skyworks Disclosure Schedule and on Section 7.9(g) of the Qorvo Disclosure Schedule, respectively (the “Skyworks Retention Terms” and the “Qorvo Retention Terms,” respectively), plan documents for which shall be adopted prior to the Closing in forms to be mutually agreed between Skyworks and Qorvo (the “Skyworks Retention Plan” and the “Qorvo Retention Plan,” respectively, and, together, the “Retention Plans”). For the avoidance of doubt, in the event the Closing does not occur, Skyworks shall be solely liable for all costs and liabilities relating to the Skyworks Retention Plan and Qorvo shall be solely liable for all costs and liabilities relating to the Qorvo Retention Plan.

(h) Skyworks acknowledges and agrees that the Closing will constitute a “Change in Control” or “Change of Control” (or other similar phrase) within the meaning of each Qorvo Plan that contains change in control provisions. From and after the Closing, Skyworks shall, and shall cause the Surviving Corporation to, be bound by, honor and comply

with the terms of each such Qorvo Plan containing provisions relating to a “Change in Control” or “Change of Control” (or other similar phrase). Section 7.9(h) of the Qorvo Disclosure Schedule sets forth a list of each Individual Agreement.

(i) This Section 7.9 shall be binding upon and inure solely to the benefit of the parties hereto, and nothing in this Section 7.9, express or implied, (i) shall be construed to limit the right of Skyworks, Qorvo, or any of their respective Subsidiaries to amend, modify or terminate any Qorvo Service Provider Benefit Plan or Skyworks Service Provider Benefit Plan or other employee benefit plan, program, policy, practice, agreement or arrangement at any time assumed, established, sponsored, or maintained by any of them, (ii) shall be construed to require Skyworks, Qorvo, or any of their respective Subsidiaries to retain the employment of any particular Person for any fixed period of time following the Closing, (iii) shall be construed to establish, amend, or modify any benefit plan, program, policy, practice, agreement or arrangement or (iv) is intended to confer upon any Person (including employees, retirees, or dependents or beneficiaries of employees or retirees) any right as a third-party beneficiary of this Agreement or any remedy of any nature whatsoever hereunder.

Section 7.10 Director and Officer Matters.

(a) From the Effective Time until the sixth anniversary of the Effective Time, Skyworks shall cause the Surviving Corporation and the Surviving Company to exculpate, indemnify and hold harmless (and shall also cause the Surviving Corporation and the Surviving Company to advance expenses as incurred), (i) to the fullest extent permitted under applicable Law, and (ii) in accordance with any indemnification agreements with Qorvo or any Qorvo Subsidiary in effect on the date of this Agreement, each present and former director and officer of Qorvo or any Qorvo Subsidiary (collectively, the “Indemnified Persons”) against any costs or expenses (including reasonable attorneys’ fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of or related to such Indemnified Persons’ service as a director or officer of Qorvo or any Qorvo Subsidiary or services performed by such Persons at the request of Qorvo or any Qorvo Subsidiary at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, including with respect to (A) the Mergers and the other Transactions and (B) actions to enforce this Section 7.10.

(b) All rights to indemnification, exculpation and advancement and reimbursement of expenses by Qorvo or any Qorvo Subsidiary existing in favor of the Indemnified Persons for their acts and omissions as directors and officers occurring prior to the Effective Time, as provided in Qorvo’s or the applicable Qorvo Subsidiary’s certificate of incorporation, bylaws or other similar organizational documents (as in effect as of the date of this Agreement) and as provided in those indemnification agreements between Qorvo or any Qorvo Subsidiary and such Indemnified Persons (as in effect as of the date of this Agreement), will survive the Mergers and continue in full force and effect (to the extent such rights to indemnification are available under and consistent with applicable law) for a period of six years following the date on which the Mergers become effective, and the Surviving Company and its Subsidiaries will (and Skyworks will cause the Surviving Company and its Subsidiaries to) honor and fulfill, in all respects, the obligations of Qorvo or any Qorvo Subsidiary in respect of

such rights of indemnification, exculpation and advancement and reimbursement of expenses. For a period of six (6) years after the Effective Time, to the fullest extent permitted under applicable Law, Skyworks and the Surviving Company shall maintain in effect the indemnification, exculpation and advancement of expenses provisions of Qorvo and the Qorvo Subsidiaries' certificates of incorporation, bylaws or similar organizational documents in effect as of the date of this Agreement and any indemnification agreements of Qorvo and the Qorvo Subsidiaries in effect as of the date of this Agreement, or provisions that are no less protective than such provisions or agreements, and shall not amend, repeal or otherwise modify any such provisions in any manner that would adversely affect the rights thereunder of any individuals who at the Effective Time were current or former directors or officers of Qorvo and the Qorvo Subsidiaries. Notwithstanding anything to the contrary, if any Indemnified Person notifies Skyworks on or prior to the sixth anniversary of the Closing of a matter in respect of which such Indemnified Person intends to seek indemnification pursuant to this [Section 7.10](#), the provisions of this [Section 7.10](#) shall continue in effect with respect to such matter until the final disposition of all claims, actions, investigations, suits and proceedings relating thereto.

(c) From the date on which the Closing occurs until the sixth anniversary of such date, Skyworks shall cause the Surviving Company to maintain in effect, for the benefit of the Indemnified Persons with respect to their acts and omissions as directors and officers occurring prior to the Closing, the existing policy of directors' and officers' liability insurance maintained by Qorvo as of the date of this Agreement in the form made available to Skyworks (the "[Existing D&O Policy](#)"), except that: (i) Skyworks may substitute for the Existing D&O Policy a policy or policies of substantially comparable coverage, and in any event, coverage not less favorable in the aggregate than the existing policies of Qorvo and the Qorvo Subsidiaries; and (ii) Skyworks will not be required to pay annual premiums for the Existing D&O Policy (or for any substitute policies) in excess of 300% of the most recent annual premium paid prior to the date of this Agreement for the Existing D&O Policy (the "[Maximum Premium](#)"). If any future annual premiums for the Existing D&O Policy (or any substitute policy therefor) exceed the Maximum Premium in the aggregate, then Skyworks may reduce the amount of coverage of such Existing D&O Policy (or any substitute policy therefor) to the amount of coverage that can be obtained for a premium equal to the Maximum Premium. Skyworks shall cause the Surviving Company or, prior to the Effective Time, Qorvo shall have the right to purchase a pre-paid, non-cancellable "tail" policy on the Existing D&O Policy for a claims reporting or discovery period of six (6) years from the Closing Date and otherwise on terms and conditions that are no less favorable than the terms and conditions of the Existing D&O Policy; provided, however, that the Surviving Company shall not be obligated to, and Qorvo shall not (without the prior written consent of Skyworks), expend an amount for such "tail" policy in excess of the Maximum Premium. If such "tail" policy is purchased, Skyworks shall cause the Surviving Company to maintain such "tail" policy in full force and effect in lieu of all other obligations of the Surviving Company under the first sentence of this [Section 7.10\(c\)](#).

(d) The provisions of this [Section 7.10](#) shall survive consummation of the Mergers and are intended to be for the benefit of, and will be enforceable by, each of the Indemnified Persons (and his or her heirs), who are intended third-party beneficiaries of this [Section 7.10](#) from and after the Effective Time.

(e) In the event Skyworks or the Surviving Company or any of their respective successors or assigns (i) consolidates with or merges into any Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any Person, then, in each such case, proper provision shall be made so that the successors and assigns of Skyworks or the Surviving Company, as the case may be, shall assume of the rights and obligations set forth in this Section 7.10.

Each of Qorvo and Skyworks shall, and shall cause their respective Subsidiaries to, cooperate in the defense or negotiation or settlement of any litigation contemplated by this Section 7.11. The parties acknowledge that this Section 7.11 in no way limits the parties' obligations under Section 7.3.

Skyworks shall at times ensure that there will remain a sufficient number of unissued shares of Skyworks Common Stock to meet its share issuance obligations in connection with the Adjusted RSU Awards.

(b) Skyworks shall not agree to any amendments, restatements, supplements or modifications to, obtain any replacement of, or waive any of its rights under, the Debt Financing Commitment or the Definitive Debt Financing Agreements, in whole or in part, without the prior written consent of Qorvo if any such amendment, restatement, supplement, replacement, modification or waiver of the Debt Financing Commitment or the Definitive Debt Financing Agreements shall: (i) impose new or additional conditions or otherwise amend, modify or expand any conditions to the Debt Financing that would make the funding thereof less likely to occur in any material respect or would delay the funding thereof beyond the time required pursuant to the terms of this Agreement; (ii) reduce (or have the effect of reducing) the aggregate amount of the Debt Financing (including by increasing the amount of fees to be paid or original issue discount (except as set forth in any “market flex” provisions existing on the date of this Agreement)) to less than the amount required, together with all other sources of cash or other financing sources available to Skyworks on the Closing Date, for the satisfaction of all of Skyworks’ payment obligations under this Agreement and the Debt Financing Commitment due at the Closing, including the payment of the Financing Uses; (iii) delay or prevent the Closing from occurring on the date that it would have otherwise occurred; or (iv) adversely impact the ability of Skyworks to (A) enforce its rights against the other parties to the Debt Financing Commitment or the Definitive Debt Financing Agreements or (B) cause the Mergers to be timely consummated, including by making the funding of the Debt Financing less likely to occur (it being understood that (x) Skyworks may amend, restate, modify or supplement the Debt Financing Commitment or the Definitive Debt Financing Agreements to add lenders, lead arrangers, bookrunners, underwriters, syndication agents or similar entities that have not executed the Debt Financing Commitment as of the date of this Agreement, to provide for the

assignment and reallocation to such entities of a portion of the debt financing commitments contained in the Debt Financing Commitment or the Definitive Debt Financing Agreements and to grant customary approval rights to such additional arrangers and other Entities in connection with such appointments as expressly set forth in the Debt Financing Commitment, in each case, without Qorvo's consent; provided that, for the avoidance of doubt, such amendment, restatement, modification or supplement shall otherwise comply with this clause (b), and (y) the commitments of the Financing Sources set forth in the Debt Commitment Letter may be automatically reduced or terminated pursuant to the terms thereof (as in effect on the date hereof), without Qorvo's consent).

(c) In the event that all or any portion of the Debt Financing becomes or is reasonably expected to become, unavailable for any reason, in an amount sufficient, together with all other sources of cash available to Skyworks on the Closing Date, for the satisfaction of all of Skyworks' payment obligations under this Agreement due on the Closing Date, including payment of the Financing Uses, Skyworks shall (i) notify Qorvo in writing thereof as promptly as practicable after obtaining knowledge thereof and (ii) take, or cause to be taken, all actions and to do, or cause to be done, all things necessary to promptly arrange and obtain alternative financing (the "Alternative Financing") (A) in an amount sufficient, together with all other sources of cash available to Skyworks on the Closing Date, for the satisfaction of all of Skyworks' payment obligations under this Agreement due on the Closing Date, including payment of the Financing Uses, (B) that does not impose new or additional conditions precedent or expand upon the conditions precedent to the Debt Financing set forth in the existing Debt Financing Commitment (as in effect on the date of this Agreement) and (C) which would not reasonably be expected to materially delay or impair the likelihood of the Closing.

(d) Upon (i) obtaining any commitment for any Alternative Financing or other financing or (ii) any amendment, restatement, supplement, replacement, modification or waiver of the Debt Financing Commitment, the debt financing commitments contemplated therein or any other term loan bank debt financing or Capital Markets Issuance funded in lieu thereof, in each case, as permitted by Section 7.16(b), references to the "Debt Financing," "Financing Sources," "Definitive Debt Financing Agreements" and "Debt Financing Commitment" (and other like terms in this Agreement) shall be deemed to refer to such Alternative Financing, such amended, restated, supplemented, replaced, modified or waived Debt Financing Commitment or such other term loan bank debt financing or Capital Markets Issuance funded in lieu thereof and, in each case, the commitments thereunder, the agreements with respect thereto and the financial institutions participating therein for all purposes of this Agreement and each such term shall be construed accordingly.

Without limiting the generality of the foregoing, Skyworks shall: (i) furnish Qorvo with executed copies of any amendments, restatements, supplements, replacements, modifications to or waivers of the Debt Financing Commitment, Alternative Financing or other financing permitted by Section 7.16(b) (with any Fee Letter redacted in a customary manner to the extent described in Section 5.27(a)) promptly upon their execution; and (ii) give Qorvo prompt written notice (A) of any actual or threatened default or breach (or any event or circumstance that, with or without notice, lapse of time or

both, could reasonably be expected to give rise to any default or breach) under, or repudiation, rescission, cancellation or expiration of, the Debt Financing Commitment or the Definitive Debt Financing Agreements by any party thereto, in each case, of which Skyworks becomes aware, (B) of any termination of the Debt Financing Commitment, (C) of the receipt by Skyworks or any Affiliate of Skyworks of any written notice or other written communication from any Person with respect to (x) a breach of Skyworks' or any of its Affiliates' obligations under the Debt Financing Commitment or Definitive Debt Financing Agreement, or actual or potential default, termination or repudiation by any party to any of the Debt Financing Commitment or Definitive Debt Financing Agreement (including any proposal by any Financing Source, lender or other Person to withdraw, terminate, repudiate, rescind or make a material change in the terms of (including the amount of Debt Financing contemplated by the Debt Financing Commitment) the Debt Financing Commitment) and (y) any material dispute or disagreement between or among any parties to the Debt Financing Commitment or any Definitive Debt Financing Agreement relating to the initial availability of the Debt Financing or the amount of the Debt Financing to be funded at Closing and (D) of the receipt by Skyworks or any Affiliate of Skyworks of any written notice or other written communication on the basis of which Skyworks expects that a party to the Debt Financing will fail to fund the Debt Financing or is reducing the amount of the Debt Financing (other than in accordance with any automatic reduction or termination of the Debt Financing Commitment pursuant to the terms of the Debt Commitment Letter (as in effect on the date hereof).

(f) Prior to the Closing Date, Qorvo shall, and shall cause each of its Subsidiaries and shall use reasonable best efforts to cause their respective Representatives to, use reasonable best efforts to provide to Skyworks cooperation reasonably requested by Skyworks in connection with the arrangement of the Debt Financing and any Capital Markets Issuance, including using reasonable best efforts (to the extent reasonable and customary for financings of the type contemplated thereby as of the date of this Agreement) to:

Subsidiaries or the Surviving Corporation, separate from Skyworks and/or its Subsidiaries, (vi) require Qorvo or any of its Subsidiaries to execute any Contract or any other letter, agreement, document or certificate prior to the Closing the effectiveness of which is not expressly conditioned upon the occurrence of the Closing (other than customary management and authorization letters contemplated in Section 7.16(f) or any supplemental indenture contemplated in Section 7.16(j), and any customary certificates required in connection therewith), (vii) require Qorvo or any of its Subsidiaries to enter into any agreement or commitment in connection with the Debt Financing or any Capital Markets Issuance that is effective prior to the Closing (other than customary management and authorization letters contemplated in Section 7.16(f) or supplemental indentures and related documents contemplated in Section 7.16(j)), (viii) result in Qorvo or its Subsidiaries, including any employee, officer or director of Qorvo or any of its Subsidiaries incurring any actual or potential personal liability with respect to any matters relating to the Debt Financing or any Capital Markets Issuance, (ix) provide access to or disclose information that Qorvo determines would jeopardize any attorney-client privilege or contravene any applicable Law, or violate any of the confidentiality provisions of any confidentiality agreement or Contract, of Qorvo or any of its Subsidiaries, (x) require Qorvo or any of its Subsidiaries to change any fiscal period, (xi) require Qorvo or any of its Subsidiaries to authorize any corporate action with respect to the Debt Financing or any Capital Markets Issuance prior to the Closing Date, except for such corporate action that is conditioned on the occurrence of the Closing (and only by their respective directors, managers or other Persons holding similar positions at Qorvo or any of its Subsidiaries who are expected to continue to hold such positions following the Closing), (xii) except in connection with any consent solicitation described in Section 7.16(j), require Qorvo or any of its Subsidiaries or any of their respective Representatives to provide any legal opinion or other opinion of counsel (other than in connection with the supplemental indentures contemplated in Section 7.16(j)), (xiii) require Qorvo or any of its Subsidiaries to pay any commitment fee or other fee or payment to obtain consent or incur any liability with respect to or cause or permit any liens to be placed on any of its assets in connection with the Debt Financing or any Capital Markets Issuance prior to the Closing Date or (xiv) require Qorvo to take any action that would subject it to actual or potential liability, to bear any cost or expense or to make any other payment or agree to provide any indemnity in connection with the Debt Financing Commitment, the definitive documents related to the Debt Financing or any Capital Markets Issuance, the Debt Financing or any Capital Markets Issuance or any information utilized in connection therewith (in each case except following the Closing).

(i) Notwithstanding anything contained in this Agreement to the contrary, Skyworks and Merger Subs expressly acknowledge and agree that neither Skyworks' nor Merger Subs' obligations hereunder, including to consummate the Closing subject to the terms and conditions hereof, are conditioned in any manner upon Skyworks or Merger Subs obtaining the Debt Financing, any Alternative Financing or any other financing (including, for the avoidance of doubt, any Capital Markets Issuance).

(j) (i) Qorvo shall cooperate with, and take all actions reasonably requested by, Skyworks in order to facilitate the termination and payoff of the commitments under the Qorvo Credit Agreement at Closing upon or simultaneously with the funding of the Debt Financing (the "Qorvo Credit Agreement Payoff") (including, without limitation, (x) by submitting a termination (and, if applicable, prepayment) notice in connection with the Qorvo

Qorvo shall use commercially reasonable efforts (but which efforts shall not require Qorvo to commence any litigation or other adversarial proceeding against the lenders, arrangers or agents (or any other persons) under the Qorvo Credit Agreement), subject to the cooperation of the existing lenders, to obtain and deliver to Skyworks a customary payoff letter (the “Qorvo Payoff Letter”) (in customary form and substance) at or prior to the Closing relating to the termination of the obligations under the Qorvo Credit Agreement and the payment of the total amount required to be paid to fully satisfy all principal, interest, fees, penalties, prepayment premiums and any other monetary obligations (other than customary breakage fees, expenses and/or contingent indemnification obligations not yet due) due and payable under and in connection with the Qorvo Credit Agreement as of the anticipated Closing Date and, the release of any related liens (if any); provided that this clause (j) shall not require Qorvo or any of its Subsidiaries to cause such repayment, release and termination and (ii) Qorvo shall cooperate with, and take all actions reasonably requested by, Skyworks in order to, prior to the Closing, assist Skyworks in (w) preparing and delivering one or more notices of redemption for the outstanding aggregate principal amount of one or more series of the outstanding notes of Qorvo (the “Qorvo Notes”), which notice of redemption shall be expressly conditioned on the occurrence of the Closing, in order to effect a redemption pursuant to the terms of the relevant indenture, (x) commencing one or more consent solicitations (including in connection with any exchange offer launched by Skyworks or any of its Subsidiaries with respect to the Qorvo Notes) to amend the indenture or indentures governing one or more series of Qorvo Notes then outstanding to remove or modify certain of the covenants contained therein, including, promptly following the expiration of any such consent solicitation and subject to the receipt of any requisite consents, executing one or more supplemental indentures to the relevant indenture to provide for such amendments to be effective (but which shall not be operative until the Closing), (y) preparing an offer to purchase for a Change of Control Offer (as defined in the relevant indenture for one or more series of Qorvo Notes), which offer shall be expressly conditioned on the occurrence of the Closing, and commencing one or more Change of Control Offers for one or more series of the Qorvo Notes then outstanding, pursuant to the terms of the relevant indenture, and (z) providing any other cooperation to facilitate the assumption, amendment, redemption, repurchase or repayment of the Qorvo Notes (including, if elected by Skyworks, the satisfaction and discharge of the relevant indenture), in each case conditioned on the occurrence of the Closing, including using reasonable best efforts to cause the trustee in respect of each series of the Qorvo Notes to cooperate with respect to any of the foregoing actions (including, promptly following the expiration of any consent solicitation and subject to receipt of any consents, executing one or more supplemental indentures to provide for the relevant amendments to the relevant indentures to be effective (but which shall not be operative until the Closing), in each case, other than the payment of funds by Qorvo or any of its Subsidiaries in connection with this Section 7.16(j), including, trustee fees, any consent fee, redemption price or any payment in connection with a Change of Control (as defined in the relevant indenture) or satisfaction and discharge of any Qorvo Notes or related indenture, as applicable. If at any time prior to the completion of any action contemplated by this Section 7.16(j)(ii) any information in such documentation should be discovered by Qorvo or Skyworks that should be set forth in an amendment or supplement to such documentation, so that

(k) All material non-public information provided by Qorvo or any of its Subsidiaries or any of their Representatives pursuant to this Section 7.16 shall be kept confidential in accordance with the Confidentiality Agreement, except that Skyworks shall be permitted to disclose such information to the financing sources, other potential sources of capital, rating agencies and prospective lenders (but not prospective investors in any debt securities offering, which disclosure shall be subject to Section 7.16(n)) during syndication of the Debt Financing or any permitted replacement, amended, modified or alternative financing subject to the potential sources of capital, ratings agencies and prospective lenders and financing sources entering into customary confidentiality undertakings with respect to such information (including through a notice and undertaking in a form customarily used in confidential information memoranda for senior credit facilities).

(l) Notwithstanding anything to the contrary in this Agreement, for all purposes of this Agreement (including the condition set forth in Section 8.2(a) and the provisions of Section 9.1(h)), Qorvo's obligations under this Section 7.16 (but excluding Section 7.16(j)(ii)) shall be deemed satisfied unless (A) Qorvo has materially breached its obligations under this Section 7.16, (B) such material breach was the proximate cause of Skyworks' failure to receive any material portion of the proceeds of the Debt Financing and (C) Skyworks has notified Qorvo of such material breach in writing and provided a period of 15 days for such material breach to be cured (and such material breach has not been cured by the end of such 15-day period); provided that, if the Closing would otherwise occur within such 15-day period Qorvo's obligation to cure such material breach pursuant to this clause (l) shall be deemed satisfied.

(m) Skyworks and Qorvo agree that, if in connection with Skyworks' (i) amendment, supplement, replacement, substitution, modification or waiver of any Debt Financing Commitment not prohibited by Section 7.16(b) or (ii) execution of an Alternative Financing or Capital Markets Issuance, the scope of the assistance required under this Section 7.16 as compared to the assistance that would be required or expected to be required in connection with the Debt Financing Commitment in effect on the date of this Agreement and the related Debt Financing is changed or expanded, Qorvo and its Subsidiaries shall be deemed to have complied with this Section 7.16 for purposes of Article VIII and Article IX of this Agreement if Qorvo and its Subsidiaries have provided Skyworks with the assistance that would otherwise be required under this Section 7.16 with respect to the Debt Financing Commitment in effect on the date of this Agreement and the related Debt Financing (but applied to the financing contemplated by such amended, supplemented, replaced, substituted, modified or waived Debt Financing Commitment or such Alternative Financing or Capital Markets Issuance, as applicable), in each case without giving effect to any such amendment, supplement, replacement,

substitution, modification or waiver or Alternative Financing or Capital Markets Issuance, as applicable, to the extent that it provides for such additional or different requirements.

(n) Skyworks agrees to provide Qorvo and its Representatives drafts of all financing documents and any materials that are to be presented during any meetings conducted in connection with the Debt Financings (including any Alternative Financing or Capital Markets Issuance) with a reasonable time to review and comment on such documents and materials, and Qorvo agrees to use reasonable best efforts to review all such offering documents and marketing materials and identify for Skyworks any information contained therein that it reasonably believes constitutes material non-public information with respect to Qorvo and its Subsidiaries (taken as a whole) ("Identified MNPI"). If Qorvo identifies any Identified MNPI, and such information is customarily included in such documents or marketing materials for debt financing of the type consistent with the Debt Financing, is reasonably requested by Skyworks to be included in the offering documents or marketing materials for the Debt Financing and does not include information as to which Qorvo reasonably objects ("Acceptable MNPI"), then Qorvo and Skyworks shall consult with one another to discuss the inclusion of any Acceptable MNPI in the offering documents and the filing by Qorvo of a Current Report on Form 8-K or other public dissemination of such Acceptable MNPI. Skyworks shall remove all such Identified MNPI that is not Acceptable MNPI from such offering documents and marketing materials upon reasonable request by Qorvo.

(o) With respect to the actions required by this Section 7.16, Qorvo shall not be required to make any representation, warranties or certifications as to which, after Qorvo's use of commercially reasonable efforts to cause such representation, warranty or certification to be true, Qorvo has in its good faith determined that such representation, warranty or certification is not true.

(p) In no event shall Skyworks or any of its Affiliates prohibit or seek to prohibit any commercial bank, investment bank or other potential provider of debt or equity financing, including the Financing Sources Related Parties, from providing financing or financial advisory services to any Person in connection with a transaction relating to Qorvo or any of its Subsidiaries.

ARTICLE VIII

CONDITIONS TO THE MERGERS

Section 8.1 Conditions to Each Party's Obligation to Effect the Mergers. The respective obligations of each party to this Agreement to effect the Mergers shall be subject to the satisfaction (or waiver by the party entitled to the benefit thereof) at or prior to the Effective Time of the following conditions:

(a) Registration Statement. The Registration Statement shall have been declared (or shall have become) effective by the SEC under the Securities Act, no stop order suspending the effectiveness of the Registration Statement shall have been issued by the SEC, and no proceedings for that purpose shall have been initiated or threatened in writing by the SEC.

(b) Stockholder Approvals. Each of the Qorvo Stockholder Approval and the Skyworks Stockholder Approval shall have been obtained.

(c) Regulatory Approvals. The waiting periods (including all extensions thereof) applicable to the consummation of the Transactions under the HSR Act shall have expired or been terminated and all other Consents required under any Antitrust Law or Investment Screening Law of any jurisdiction listed on Section 8.1(c) of the Qorvo Disclosure Schedule shall have been obtained and remained in full force and effect, provided no such Consent imposes any term, condition, restriction, requirement or limitation to which the relevant party would not have been required to agree pursuant to Section 7.3.

(d) No Legal Restraints. No Law or order, writ, injunction, judgment, decree or ruling (whether temporary, preliminary or permanent) enacted, promulgated, issued or entered by any Governmental Body having competent jurisdiction over Qorvo or Skyworks (each, a “Restraint”) shall be continuing and in effect enjoining, preventing or prohibiting the consummation of the Mergers or making consummation of the Mergers illegal; provided, that any Restraint with respect to any Antitrust Law or Investment Screening Law of any jurisdiction other than those set forth on Section 8.1(c) of the Qorvo Disclosure Schedule shall be disregarded for purposes of this Section 8.1(d) (other than any U.S. Antitrust Law).

Section 8.2 Conditions to Obligations of Skyworks to Effect the Mergers. The obligations of Skyworks, Merger Sub I and Merger Sub II to effect the Mergers shall be subject to the satisfaction (or waiver by Skyworks) at or prior to the Effective Time of the following conditions:

(a) Covenants and Agreements. Qorvo shall have performed or complied in all material respects with its obligations, covenants and agreements under the Agreement.

(b) Qorvo Representations and Warranties. The representations and warranties of Qorvo set forth in: (i) Section 4.2 (Capitalization) and clause (ii) of Section 4.6(a) (Absence of Certain Changes) shall be true and correct in all respects as of the Agreement Date and as of immediately prior to the Effective Time as if made at and as of such time, except, with respect to Section 4.2 (Capitalization), that any inaccuracies in such representations and warranties that are, in the aggregate, *de minimis* will be disregarded; (ii) Section 4.3(a) (Authorization; No Conflict), Section 4.3(b) (Authorization; No Conflict), Section 4.9 (Broker’s or Finder’s Fees) and Section 4.25 (Inapplicability of Anti-takeover Statutes; No Rights Plan) (1) that are qualified by “materiality,” “Material Adverse Effect” or similar language shall be true and correct in all respects as of the Agreement Date and as of immediately prior to the Effective Time as if made at and as of such time (unless any such representation or warranty addresses matters only as of a particular date or with respect to a specific period in which event such representation or warranty shall be so true and correct in all respects only as of such particular date or with respect to such specific period) and (2) that are not qualified by “materiality,” “Material Adverse Effect” or similar language shall be true and correct in all material respects as of the Agreement Date and as of immediately prior to the Effective Time as if made at and as of such time (unless any such representation or warranty addresses matters only as of a particular date or with respect to a specific period in which event such representation or warranty shall be so true and correct in all material respects only as of such particular date or

with respect to such specific period); and (iii) the rest of Article IV (other than those provisions described in clauses (i) and (ii) above) shall be true and correct as of the Agreement Date and as of immediately prior to the Effective Time as if made at and as of such time (unless any such representation or warranty addresses matters only as of a particular date or with respect to a specific period in which event such representation or warranty shall be true and correct only as of such particular date or with respect to such specific period), except in the case of this clause (iii), where the failure to be so true and correct (without giving effect to any qualifications or limitations as to “materiality,” “Material Adverse Effect” or similar language) would not, either individually or in the aggregate, have a Material Adverse Effect on Qorvo.

(c) No Qorvo Material Adverse Effect. Since the Agreement Date, there shall not have occurred and be continuing any Material Adverse Effect with respect to Qorvo.

(d) Qorvo Officer Certificate. Skyworks shall have received a certificate duly and validly executed and signed on behalf of Qorvo by its chief executive officer and chief financial officer certifying that the conditions in Section 8.2(a), Section 8.2(b) and Section 8.2(c) have been satisfied.

Section 8.3 Conditions to Obligations of Qorvo to Effect the Mergers. The obligations of Qorvo to effect the Mergers shall be subject to the satisfaction (or waiver by Qorvo) at or prior to the Effective Time of the following conditions:

(a) Covenants and Agreements. Skyworks shall have performed or complied in all material respects with its obligations, covenants and agreements under the Agreement.

(b) Skyworks Representations and Warranties. The representations and warranties of Skyworks set forth in: (i) Section 5.2 (*Capitalization*) and clause (ii) of Section 5.6(a) (*Absence of Certain Changes*) shall be true and correct in all respects as of the Agreement Date and as of immediately prior to the Effective Time as if made at and as of such time, except, with respect to Section 5.2 (*Capitalization*), that any inaccuracies in such representations and warranties that are, in the aggregate, *de minimis* will be disregarded; (ii) Section 5.3(a) (*Authorization; No Conflict*), Section 5.3(b) (*Authorization; No Conflict*), Section 5.9 (*Broker’s or Finder’s Fees*) and Section 5.25 (*Inapplicability of Anti-takeover Statutes; No Rights Plan*) (1) that are qualified by “materiality,” “Material Adverse Effect” or similar language shall be true and correct in all respects as of the Agreement Date and as of immediately prior to the Effective Time as if made at and as of such time (unless any such representation or warranty addresses matters only as of a particular date or with respect to a specific period in which event such representation or warranty shall be so true and correct in all respects only as of such particular date or with respect to such specific period) and (2) that are not qualified by “materiality,” “Material Adverse Effect” or similar language shall be true and correct in all material respects as of the Agreement Date and as of immediately prior to the Effective Time as if made at and as of such time (unless any such representation or warranty addresses matters only as of a particular date or with respect to a specific period in which event such representation or warranty shall be so true and correct in all material respects only as of such particular date or with respect to such specific period); and (iii) the rest of Article V (other than those provisions described in clauses (i) and (ii) above) shall be true and correct as of the Agreement Date and as of immediately prior to the Effective Time as if made at and as of such

time (unless any such representation or warranty addresses matters only as of a particular date or with respect to a specific period in which event such representation or warranty shall be true and correct only as of such particular date or with respect to such specific period), except in the case of this clause (iii), where the failure to be so true and correct (without giving effect to any qualifications or limitations as to “materiality,” “Material Adverse Effect” or similar language) would not, either individually or in the aggregate, have a Material Adverse Effect on Skyworks.

(c) No Skyworks Material Adverse Effect. Since the Agreement Date, there shall not have occurred and be continuing any Material Adverse Effect with respect to Skyworks.

(d) Skyworks Officer Certificate. Qorvo shall have received a certificate duly and validly executed and signed on behalf of Skyworks by its chief executive officer and chief financial officer certifying that the conditions in Section 8.3(a), Section 8.3(b) and Section 8.3(c) have been satisfied.

Section 8.4 Frustration of Closing Conditions. None of the parties hereto may rely on the failure of any condition set forth in this Article VIII to be satisfied if such failure was proximately caused by the failure of such party to perform any of its covenants, obligations or agreements under this Agreement.

ARTICLE IX

TERMINATION

Section 9.1 Termination. This Agreement may be terminated and the Transactions, including the Mergers, may be abandoned at any time prior to the Effective Time, (other than in the case of Section 9.1(a)) by written notice of the terminating party to the other parties:

(a) by mutual written consent of Skyworks and Qorvo;

(b) by either Skyworks or Qorvo, if the Mergers shall have not been consummated on or prior to 11:59 p.m., Pacific Time, on April 27, 2027, or such other date agreed in writing by Skyworks and Qorvo (in any such case, the “Outside Date”); provided, however, that (i) if, on April 27, 2027, any of the conditions set forth in Section 8.1(c) or Section 8.1(d) has not been satisfied or waived, and only in the event there is pending litigation brought by the United States Department of Justice, Federal Trade Commission, or any other Governmental Body in the United States under the Antitrust Laws, then the Outside Date shall be automatically extended, without any further action on the part of any party hereto, to July 27, 2027, (ii) if, on July 27, 2027, any of the conditions set forth in Section 8.1(c) or Section 8.1(d) has not been satisfied or waived, and only in the event there is pending litigation brought by the United States Department of Justice, Federal Trade Commission, or any other Governmental Body in the United States under the Antitrust Laws, then the Outside Date shall be automatically extended, without any further action on the part of any party hereto, to October 27, 2027, (iii) if all the conditions set forth in Article VIII are satisfied or waived (other than those conditions that by their terms are to be fulfilled at the Closing, but subject to the fulfillment or waiver of such conditions) prior to 11:59 p.m., Pacific Time, on the Outside Date but such that the Specified Date occurs after the Outside Date, the Outside Date shall be automatically extended, without

any further action on the part of any party hereto, to 11:59 p.m., Pacific Time, on the Specified Date, and (iv) a party shall not be permitted to terminate this Agreement pursuant to this Section 9.1(b) if the failure of the Mergers to occur prior to the Outside Date was primarily attributable to a failure on the part of such party to perform any covenant or obligation in this Agreement required to be performed by such party at or prior to the Effective Time in material breach of such party's obligations hereunder (it being understood Skyworks and Merger Subs shall be deemed a single party for purposes of this provision);

(c) by either Skyworks or Qorvo, if any final, non-appealable Restraint shall be in effect having the effect of making illegal, permanently preventing, enjoining or prohibiting the consummation of the Mergers; provided, however, that a party shall not be permitted to terminate this Agreement pursuant to this Section 9.1(c) if such Restraint was primarily attributable to a failure on the part of such party to perform any covenant or obligation in this Agreement required to be performed by such party at or prior to the Effective Time in material breach of such party's obligations hereunder (it being understood Skyworks and Merger Subs shall be deemed a single party for purposes of this provision); provided, further, that any Restraint with respect to any Antitrust Law or Investment Screening Law of any jurisdiction other than those set forth on Section 8.1(c) of the Qorvo Disclosure Schedule shall be disregarded for purposes of this Section 9.1(c) (other than any U.S. Antitrust Law);

(d) by either Skyworks or Qorvo, if the Qorvo Stockholder Approval shall not have been obtained by reason of the failure to obtain the required vote at the Qorvo Stockholder Meeting (or any valid adjournment or postponement thereof);

(e) by either Skyworks or Qorvo, if the Skyworks Stockholder Approval shall not have been obtained by reason of the failure to obtain the required vote at the Skyworks Stockholder Meeting (or any valid adjournment or postponement thereof);

(f) by Skyworks, at any time prior to the receipt of the Qorvo Stockholder Approval, if a Qorvo Triggering Event shall have occurred;

(g) by Qorvo, at any time prior to the receipt of the Skyworks Stockholder Approval, if a Skyworks Triggering Event shall have occurred;

(h) by Skyworks, if (i) there shall have been a material breach of any covenant, obligation or agreement on the part of Qorvo set forth in this Agreement; or (ii) any representation or warranty of Qorvo set forth in Article IV of this Agreement shall have been inaccurate when made or, if not made as of a specific date, shall have become inaccurate, that would, in the case of both clauses (i) and (ii), (A) result in the conditions set forth in Section 8.2(a) or Section 8.2(b) not being satisfied, and (B) such breach is not curable by the Outside Date, or, if curable, is not cured within fifteen (15) Business Days of the date Skyworks gives Qorvo notice of such breach or inaccuracy; provided, however, that Skyworks shall not have the right to terminate this Agreement pursuant to this Section 9.1(h) if Skyworks is then in material breach of any of its representations, warranties, covenants, obligations or agreements hereunder such that Qorvo has the right to terminate this Agreement pursuant to Section 9.1(i);

(i) by Qorvo, if (i) there shall have been a material breach of any covenant, obligation or agreement on the part of Skyworks set forth in this Agreement; or (ii) any representation or warranty of Skyworks set forth in Article V of this Agreement shall have been inaccurate when made or, if not made as of a specific date, shall have become inaccurate, that would, in the case of both clauses (i) and (ii), (A) result in the conditions set forth in Section 8.3(a) or Section 8.3(b) not being satisfied, and (B) such breach is not curable by the Outside Date, or, if curable, is not cured within fifteen (15) Business Days of the date Qorvo gives Skyworks notice of such breach or inaccuracy; provided, however, that Qorvo shall not have the right to terminate this Agreement pursuant to this Section 9.1(i) if Qorvo is then in material breach of any of its representations, warranties, covenants, obligations or agreements hereunder such that Skyworks has the right to terminate this Agreement pursuant to Section 9.1(h);

(j) by Qorvo, at any time prior to the receipt of the Qorvo Stockholder Approval, to enter into a definitive acquisition agreement authorized by the Qorvo Board providing for a Qorvo Superior Proposal if, substantially concurrently with such termination, Qorvo enters into such definitive acquisition agreement; provided that Qorvo shall have complied in all material respects with Section 7.1 with respect to such Qorvo Superior Proposal, and prior to or substantially concurrently with such termination Qorvo pays or causes to be paid to Skyworks the Qorvo Termination Fee; or

(k) by Skyworks, at any time prior to the receipt of the Skyworks Stockholder Approval to enter into a definitive acquisition agreement authorized by the Skyworks Board providing for a Skyworks Superior Proposal and, substantially concurrently with such termination, Skyworks enters into such definitive acquisition agreement; provided that Skyworks shall have complied in all material respects with Section 7.1 with respect to such Skyworks Superior Proposal and prior to or substantially concurrently with such termination Skyworks pays or causes to be paid to Qorvo the Skyworks Termination Fee.

Section 9.2 Effect of Termination. In the event of the termination of this Agreement as provided in Section 9.1, written notice thereof shall forthwith be given to the other party or parties specifying the provision hereof pursuant to which such termination is made (other than pursuant to Section 9.1(a)), and this Agreement shall be of no further force or effect, and there shall be no damages or liability on the part of Skyworks or Qorvo or their respective directors, officers, employees, stockholders, Representatives, agents or advisors, other than, with respect to Skyworks and Qorvo, the obligations pursuant to the Confidentiality Agreement and the Clean Room Agreement and the Joint Defense Agreement; provided, however, that (i) this Section 9.2, Section 9.3 and Article X (and the Confidentiality Agreement, the Clean Room Agreement and the Joint Defense Agreement) shall survive the termination of this Agreement and shall remain in full force and effect and (ii) nothing herein shall relieve any party hereto from liability (including, pursuant to Section 261(a)(1) of the DGCL, but subject to the second sentence of Section 10.4 (which second sentence of Section 10.4 provides that “this Agreement is not intended, and shall not be deemed, to create any agreement of employment with any person, to confer any rights or remedies upon any person other than the parties hereto and their respective successors and permitted assigns or to otherwise create any third-party beneficiary hereto”); and accordingly such second sentence of Section 10.4 would prevent the stockholders themselves from bringing such a claim as a third party beneficiary), damages payable to Qorvo based on the

loss of the right to receive the Merger Consideration that the Qorvo stockholders would have received if the Mergers were consummated pursuant to the terms of this Agreement, which may be retained by Qorvo without distribution to its stockholders) as a result of fraud or the willful and material breach by such party of its representations, warranties, covenants, obligations or other agreements set forth in this Agreement. For purposes of this Agreement, “willful and material breach” means a material breach that is a consequence of an act undertaken by the breaching party with the knowledge that the taking of such act, or failure to act, would, or would be reasonably expected to, result in a material breach of this Agreement.

Section 9.3 Termination Fees.

(a) Except as otherwise provided in Section 9.3 or in Section 7.16 of this Agreement, all costs and expenses incurred in connection with this Agreement shall be paid by the party incurring such cost or expense.

(b) If, but only if, this Agreement is terminated:

(i) by Qorvo, pursuant to Section 9.1(j) (Qorvo Superior Proposal);

(ii) by Skyworks, prior to the receipt of the Qorvo Stockholder Approval pursuant to Section 9.1(f) (Qorvo Triggering Event);

or

(iii) (x) (A) by Qorvo pursuant to Section 9.1(b) (Outside Date), (B) by Qorvo, pursuant to Section 9.1(d) (Failure to Obtain Qorvo Stockholder Approval at Qorvo Stockholder Meeting) or (C) by Skyworks, pursuant to Section 9.1(h) (Breach of Qorvo Covenants); (y) a Qorvo Acquisition Transaction shall have been publicly disclosed and shall not have been publicly withdrawn: (1) in the case of clause (A) above, prior to the Outside Date, or (2) in the case of clause (B) above, at least five (5) Business Days prior to the date of the Qorvo Stockholder Meeting, or (3) in the case of clause (C) above, prior to a material breach by Qorvo that gives rise to Skyworks’ termination right pursuant to Section 9.1(h); and (z) within twelve (12) months after such termination of this Agreement, (1) Qorvo shall have entered into a definitive agreement with respect to any Qorvo Acquisition Transaction that is subsequently consummated or (2) a Qorvo Acquisition Transaction occurs involving Qorvo (it being understood that, for purposes of this clause (z) above, each reference to “fifteen percent (15%)” in the definition of “Qorvo Acquisition Transaction” shall be deemed a reference to “fifty percent (50%)”),

then Qorvo shall pay to Skyworks the Qorvo Termination Fee. The Qorvo Termination Fee payable pursuant to this Section 9.3(b) shall be paid by wire transfer of same-day funds no later than the third (3rd) Business Day following termination pursuant to Section 9.1(f) at any time after the occurrence of any Qorvo Triggering Event and substantially concurrently with any termination pursuant to Section 9.1(j), or on the date Qorvo consummates a transaction requiring payment of the Qorvo Termination Fee pursuant to Section 9.3(b)(iii).

(c) If, but only if, this Agreement is terminated pursuant to Section 9.1(d) (Failure to Obtain Qorvo Stockholder Approval at Qorvo Stockholder Meeting), then Qorvo shall pay to Skyworks, in cash, within three (3) Business Days of the date of such termination,

Skyworks' reasonable, documented, out-of-pocket expenses paid to third parties in connection with the Transactions; provided, that such expenses shall not exceed \$45,000,000. The payment contemplated by this Section 9.3(c) shall be made by wire transfer of immediately available funds to an account designated by Skyworks and shall be reduced by any amounts required to be deducted or withheld therefrom under applicable Law in respect of Taxes. Upon payment of such expenses, Qorvo shall have no further liability to Skyworks with respect to this Agreement or the transactions contemplated hereby other than any payments required to be made pursuant to Section 9.3(b) (it being understood that the amount of any such subsequent payment shall be reduced by the amount of any payments made by Qorvo pursuant to this Section 9.3(c)); provided that nothing herein shall release any party from liability for fraud or the willful and material breach by Qorvo of this Agreement.

(d) If, but only if, this Agreement is terminated:

(i) by Skyworks, pursuant to Section 9.1(k) (Skyworks Superior Proposal);

(ii) by Qorvo, prior to the receipt of the Skyworks Stockholder Approval, pursuant to Section 9.1(g) (Skyworks Triggering Event); or

(iii) (x) (A) by Skyworks, pursuant to Section 9.1(b) (Outside Date), (B) by Skyworks pursuant to Section 9.1(e) (Failure to Obtain Skyworks Stockholder Approval at Skyworks Stockholder Meeting) or (C) by Qorvo pursuant to Section 9.1(i) (Breach of Skyworks Covenants); (y) a Skyworks Acquisition Transaction shall have been publicly disclosed and shall not have been publicly withdrawn: (1) in the case of clause (A) above, prior to the Outside Date, or (2) in the case of clause (B) above, at least five (5) Business Days prior to the date of the Skyworks Stockholder Meeting, or (3) in the case of clause (C) above, prior to a material breach by Skyworks that gives rise to Qorvo's termination right pursuant to Section 9.1(i); and (z) within twelve (12) months after such termination of this Agreement, (1) Skyworks shall have entered into a definitive agreement with respect to any Skyworks Acquisition Transaction that is subsequently consummated or (2) a Skyworks Acquisition Transaction occurs involving Skyworks (it being understood that, for purposes of this clause (z) above, each reference to "fifteen percent (15%)" in the definition of "Skyworks Acquisition Transaction" shall be deemed a reference to "fifty percent (50%)"),

then Skyworks shall pay to Qorvo the Skyworks Termination Fee. The Skyworks Termination Fee payable pursuant to this Section 9.3(d) shall be paid by wire transfer of same-day funds no later than the third (3rd) Business Day following termination pursuant to Section 9.1(g) at any time after the occurrence of any Skyworks Triggering Event and substantially concurrently with any termination pursuant to Section 9.1(k) or on the date Skyworks consummates such transaction requiring payment of the Skyworks Termination Fee pursuant to Section 9.3(d)(iii).

(e) If, but only if, this Agreement is terminated: (A) pursuant to Section 9.1(c) as a result of a Restraint with respect to any applicable Antitrust Law of any jurisdiction set forth on Section 8.1(c) of the Qorvo Disclosure Schedule or any Investment Screening Law of any

jurisdiction set forth in Section 8.1(c) of the Qorvo Disclosure Schedule or any U.S. Antitrust Law; or (B) pursuant to Section 9.1(b) and, at the time of termination, all conditions set forth in Article VIII (other than those conditions that by their terms are to be satisfied at the Closing) have been satisfied or waived, other than those conditions set forth in Section 8.1(c) or Section 8.1(d) (solely, in each case, in connection with any applicable Antitrust Law in the jurisdictions identified in Section 8.1(c) of the Qorvo Disclosure Schedule or any Investment Screening Law in the jurisdictions identified in Section 8.1(c) of the Qorvo Disclosure Schedule or any U.S. Antitrust Law), then Skyworks shall pay or cause to be paid to Qorvo a non-refundable fee in the amount of \$100,000,000 (such non-refundable fee, the “Reverse Termination Fee”) in cash within three (3) Business Days after the date of such termination.

(f) If, but only if, this Agreement is terminated pursuant to Section 9.1(e) (Failure to Obtain Skyworks Stockholder Approval at the Skyworks Stockholder Meeting), then Skyworks shall pay to Qorvo, in cash, within three (3) Business Days of the date of such termination, Qorvo’s reasonable, documented, out-of-pocket expenses paid to third parties in connection with the Transactions; provided, that such expenses shall not exceed \$45,000,000. The payment contemplated by this Section 9.3(f) shall be made by wire transfer of immediately available funds to an account designated by Qorvo and shall be reduced by any amounts required to be deducted or withheld therefrom under applicable Law in respect of Taxes. Upon payment of such expenses, each of Skyworks, Merger Sub I and Merger Sub II shall have no further liability to Qorvo with respect to this Agreement or the transactions contemplated hereby other than any payments required to be made pursuant to Section 9.3(d) (it being understood that the amount of any such subsequent payment shall be reduced by the amount of any payments made by Skyworks pursuant to this Section 9.3(f)); provided that nothing herein shall release any party from liability for fraud or the willful and material breach by Skyworks of this Agreement.

(g) The parties acknowledge that the agreements contained in this Section 9.3 are an integral part of the transactions contemplated by this Agreement and constitute liquidated damages and not a penalty, and that, without these agreements, the parties would not have entered into this Agreement. For the avoidance of doubt, all payments under this Section 9.3 (including the Qorvo Termination Fee, the Skyworks Termination Fee and the Reverse Termination Fee) shall be payable only once and not in duplication, even though the payments under this Section 9.3 may be payable under one or more provisions hereof. If Qorvo or Skyworks, as applicable, fails promptly to pay the applicable payment under this Section 9.3 when due and payable, and, in order to obtain such payment, Qorvo or Skyworks, as the case may be, commences an action or other proceeding that results in an award against Qorvo or Skyworks, as applicable, for such payment under this Section 9.3, Qorvo or Skyworks, as applicable, shall pay the other party’s costs and expenses (including reasonable and documented attorneys’ fees and expenses) in connection with such action or proceeding, together with interest on the amount of the payment due under this Section 9.3 from the date such payment was required to be made until the date of payment at the prime lending rate as published in *The Wall Street Journal* in effect on the date such payment was required to be made.

(h) Without limiting the rights of Skyworks under the Debt Financing Commitment or the rights of any of Skyworks and its Subsidiaries under any Definitive Debt Financing Agreements, Qorvo agrees, on behalf of itself and its Subsidiaries, that none of (i) the Financing Sources or (ii) any of their respective Affiliates or any of such Financing Sources’ or

their Affiliates' respective former, current or future general or limited partners, shareholders, managers, members, agents, officers, directors, employees, accountants, advisors or representatives or any of their respective successors or assigns (the Persons described in this clause "(ii)" being collectively referred to as the "Financing Sources Related Parties") shall have any liability or obligation to Qorvo or any of its stockholders, Affiliates, Representatives, current, former or future officers, directors, employees, agents, representatives, stockholders, managers or members relating to or arising out of this Agreement or any of the Transactions (including the Debt Financing and Debt Financing Commitment), whether at law, in equity, in contract, in tort or otherwise. This Section 9.3(h) shall not affect, alter or amend in any way the covenants and agreements between Qorvo and Skyworks, or the obligations of Qorvo and Skyworks, provided for in this Agreement.

ARTICLE X

MISCELLANEOUS

Section 10.1 Amendment or Supplement. At any time prior to the Effective Time, this Agreement may be amended or supplemented in any and all respects by written agreement signed by all of the parties hereto; provided, however, that after receipt of the Qorvo Stockholder Approval or the Skyworks Stockholder Approval, there shall be made no amendment or supplement that by Law requires further approval by the stockholders of Qorvo or Skyworks without the further approval of such stockholders. Notwithstanding anything to the contrary contained in this Agreement, Section 9.3(h), this Section 10.1, the last sentence of Section 10.4 and the last sentence of Section 10.5 (and any other provision of this Agreement to the extent that an amendment, supplement or other modification of such provision would modify the substance of such provisions) may not be amended, supplemented, waived or otherwise modified in any manner that is adverse in any material respect to any Financing Source or any of its Financing Source Related Parties without the prior written consent (not to be unreasonably withheld, conditioned or delayed) of such Financing Source (and any such amendment, supplement, waiver or modification without such prior written consent shall be null and void).

Section 10.2 Extension of Time; Waiver. Any party may, subject to applicable Law: (a) waive any inaccuracies in the representations and warranties of any other party hereto; (b) extend the time for the performance of any of the obligations or acts of any other party hereto; or (c) to the extent permitted by applicable Law, waive compliance by the other party with any of the agreements contained in this Agreement or, except as otherwise provided in the Agreement, waive any of such party's conditions. Notwithstanding the foregoing, no failure or delay by the parties hereto in exercising any right hereunder shall operate as a waiver of rights, nor shall any single or partial exercise of such rights preclude any other or further exercise of such rights or the exercise of any other right hereunder. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party.

Section 10.3 No Survival of Representations and Warranties. None of the representations and warranties contained in this Agreement, the Qorvo Disclosure Schedule, the Skyworks Disclosure Schedule or in any certificate or schedule or other document delivered pursuant to this Agreement shall survive the Mergers.

Section 10.4 Entire Agreement; No Third Party Beneficiary. This Agreement, including the exhibits and annexes hereto, the Qorvo Disclosure Schedule, the Skyworks Disclosure Schedule, the documents and instruments relating to the Transactions referred to in this Agreement, including the Voting and Support Agreement, and the Confidentiality Agreement, the Clean Room Agreement and the Joint Defense Agreement, constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, among the parties hereto with respect to the subject matter of this Agreement. This Agreement is not intended, and shall not be deemed, to create any agreement of employment with any person, to confer any rights or remedies upon any person other than the parties hereto and their respective successors and permitted assigns or to otherwise create any third-party beneficiary hereto, except (x) from and after the Effective Time, the former holders of Qorvo Common Stock and Qorvo RSU Awards as of immediately prior to the Effective Time to receive Merger Consideration, Accelerated RSU Consideration or Adjusted RSU Awards, as applicable, pursuant to Article III, (y) with respect to Section 7.10, which provisions are intended to be for the benefit of, and will be enforceable by, each of the Indemnified Persons, who are intended third-party beneficiaries of Section 7.10 from and after the Effective Time, and (z) the Financing Sources and the Financing Source Related Parties shall be third-party beneficiaries of, and may enforce, Section 9.3(h), Section 10.1, Section 10.5, and the last sentence of this Section 10.4.

Section 10.5 Applicable Law; Jurisdiction; Financing Sources. This Agreement and all actions (whether at law, in contract, in tort or otherwise) arising out of or relating to this Agreement, the negotiation, validity or performance of this Agreement or the Mergers shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws. All actions and proceedings (whether at law, in contract, in tort or otherwise) arising out of or relating to this Agreement, the negotiation, validity or performance of this Agreement or the Mergers shall be heard and determined in the Court of Chancery of the State of Delaware, and the parties irrevocably submit to the jurisdiction of such court (and, in the case of appeals, the appropriate appellate court therefrom), in any such action or proceeding and irrevocably waive the defense of an inconvenient forum to the maintenance of any such action or proceeding. The parties agree that service of any court paper may be made in any manner as may be provided under the applicable Laws or court rules governing service of process in such court. The parties hereto agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law. EACH OF THE PARTIES HERETO IRREVOCABLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY LEGAL PROCEEDING (WHETHER AT LAW, IN CONTRACT, IN TORT OR OTHERWISE) ARISING OUT OF OR RELATED TO THIS AGREEMENT (INCLUDING ANY ACTION AGAINST ANY FINANCING SOURCE OR ANY FINANCING SOURCE RELATED PARTIES IN RESPECT OF THE DEBT FINANCING). Notwithstanding anything to the contrary contained in this Agreement, each of the parties agrees, on behalf of itself and its Subsidiaries, that: (i) it will not bring or support any legal proceeding of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any of the Financing Sources or any of the Financing Source Related Parties arising out of or relating to this Agreement, any of the Transactions, the Debt Financing or the Debt Financing Commitment in any forum other than the United States federal court located in, or if that court does not have subject matter jurisdiction, in New York state court located in, the Borough of Manhattan in the City of New York, New York; (ii) all actions and

proceedings (whether at law, in equity, in contract, in tort or otherwise) against any of the Financing Sources or any of the Financing Source Related Parties arising out of or relating to this Agreement, any of the Transactions, the Debt Financing or the Debt Financing Commitment shall be subject to the exclusive jurisdiction of any federal or state court in the Borough of Manhattan, New York, New York, and any appellate court thereof and each party irrevocably submits itself and its property with respect to any such action or proceeding to the exclusive jurisdiction of such court; (iii) all claims or causes of action (whether at law, in equity, in contract, in tort or otherwise) against any of the Financing Sources or any of the Financing Source Related Parties arising out of or relating to this Agreement or any of the Transactions, the Debt Financing or the Debt Financing Commitment shall be exclusively governed by, and construed in accordance with, the laws of the State of New York, regardless of the laws that might otherwise govern under applicable principles of conflicts of law thereof; (iv) agrees that service of process upon any party in any such action or proceeding shall be effective if notice is given in accordance with Section 10.8; (v) irrevocably waives, to the fullest extent that it may effectively do so, the defense of an inconvenient forum to the maintenance of such legal proceeding in any such court; (vi) irrevocably waives, to the fullest extent that it may effectively do so, and agrees not to assert, in any such action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court for any reason, (vii) agrees that no Financing Sources shall be subject to any special, consequential, punitive or indirect damages or damages of a tortious nature; and (viii) the provisions of this Section 10.5 relating to the waiver of jury trial shall apply to any such action or proceeding described in clause “(i)” above.

Section 10.6 Specific Enforcement. Except as otherwise provided herein, any and all remedies herein expressly conferred upon a party hereto shall be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such party, and the exercise by a party hereto of any one remedy shall not preclude the exercise of any other remedy and nothing in this Agreement shall be deemed a waiver by any party of any right to specific performance or injunctive relief. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties hereto shall be entitled to seek an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, this being in addition to any other remedy to which they are entitled at law or in equity, and the parties hereto hereby waive the requirement of any posting of a bond in connection with the remedies described herein.

Section 10.7 Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto, in whole or in part (whether by operation of law or otherwise), without the prior written consent of the other parties, and any attempt to make any such assignment without such consent shall be null and void. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties hereto and their respective successors and assigns.

All notices and other communications hereunder shall be in writing and shall be deemed duly delivered: (a) four (4) Business Days after being sent by registered or certified mail, return receipt requested, postage prepaid; (b) one (1) Business Day after being sent for next Business Day delivery, fees prepaid, via a reputable nationwide overnight courier service; or (c) if sent by email transmission, upon transmission; (provided, that

Section 10.9 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions of this Agreement or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If a final judgment of a court of competent jurisdiction declares that any term or provision of this Agreement is invalid or unenforceable, the parties hereto agree that the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes

closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the parties hereto agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

The word “will” shall be construed to have the same meaning as the word “shall”. The word “extent” and the phrase “to the extent” shall mean the degree to which a subject or thing extends, and such word or phrase shall not mean simply “if”.

This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original but all of which together shall be considered one and the same agreement, and shall become effective when counterparts have been signed by each of the parties hereto and delivered to the other parties, it being understood that all parties need not sign the same counterpart. NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties, covenants and agreements contained herein, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

ARTICLE I

or fiduciary of any employee benefit plan or trust or prevent or be construed to create any obligation on the part of any director or officer of Qorvo or any trustee or fiduciary of any employee benefit plan or trust from taking any action in his or her capacity as such director, officer, trustee or fiduciary (including voting in favor of any Change in Board Recommendation by the Qorvo Board) and no such action or omission shall be deemed a breach of this Agreement.

ARTICLE II

REPRESENTATIONS AND WARRANTIES

2.1 **Representations and Warranties of Each Stockholder.** Each Stockholder hereby represents and warrants to Skyworks as follows:

(a) **Authorization.** This Agreement has been duly and validly executed and delivered by each Stockholder and, assuming due execution and delivery by Skyworks, constitutes a valid and binding obligation of each Stockholder, enforceable in accordance with its terms, subject to the Enforceability Exceptions.

(b) **Ownership.** As of the date hereof, the number of shares of Qorvo Common Stock beneficially owned (within the meaning of Rule 13d-3 under the Exchange Act) by each Stockholder is reflected on the applicable signature page to this Agreement. As of the date hereof, the Shares are the only shares of Qorvo Common Stock held of record or beneficially owned by each Stockholder (except that Peter A. Feld may be deemed to beneficially own the shares of Qorvo Common Stock underlying the restricted stock units he holds). Subject to the Transfers (as defined below) otherwise permitted by Section 3.1, each Stockholder has and will have at all times through the Voting Covenant Expiration Date sole voting power, sole power of disposition, sole power to issue instructions with respect to the matters set forth in Articles I or III, and sole power to agree to all of the matters set forth in this Agreement, in each case, with respect to all of the Voting Shares with no limitations, qualifications or restrictions on such rights, subject to applicable federal securities laws and the terms of this Agreement. The Voting Shares are free and clear of any Liens and will be at all times prior to the Voting Covenant Expiration Date free and clear of any Liens, in each case, which would impair the ability of each Stockholder to perform its obligations hereunder or to consummate the transactions contemplated hereby on a timely basis. Each Stockholder further represents that any proxies heretofore given in respect of the Voting Shares have been revoked.

(c) **No Conflict.** The execution, delivery and performance of this Agreement by each Stockholder, the consummation by such Stockholder of the transactions contemplated hereby and the compliance by such Stockholder with each of the provisions herein, will not (i) result in a violation or breach of or conflict with the limited partnership agreement or other similar organizational documents of such Stockholder, (ii) require any Consent by any Person under, contravene or conflict with or result in a violation or breach of, or constitute a default (or an event which, with notice or lapse of time or both, would constitute a default) under, or result in the termination or cancellation of, or give rise to a right of purchase under, or result in the transfer of any material asset of such Stockholder to any Person, or accelerate the performance required by such Stockholder under, or result in a right of termination or acceleration under, or result in the creation of any Lien (other than Permitted Liens) upon any of the properties or assets owned or operated by such Stockholder pursuant to the terms, conditions or provisions of, any material

Contract to which such Stockholder is a party or by which it is bound, or (iii) violate any Judgment or any Law applicable to such Stockholder or any of their respective properties or assets, except, in the case of clauses (ii) or (iii), for such violations, breaches or defaults that, or Consents, orders, registrations, declarations or filings the failure of which to make or obtain, would not reasonably be expected to impair the ability of such Stockholder to perform its obligations hereunder or to consummate the transactions contemplated hereby on a timely basis.

2.2 Representations and Warranties of Skyworks. Skyworks hereby represents and warrants to each Stockholder as follows:

(a) Authorization. This Agreement has been duly and validly executed and delivered by Skyworks and, assuming due execution and delivery by each Stockholder, constitutes a valid and binding obligation of Skyworks, enforceable in accordance with its terms, subject to the Enforceability Exceptions.

(b) No Conflict. The execution, delivery and performance of this Agreement by Skyworks, the consummation by Skyworks of the transactions contemplated hereby and the compliance by Skyworks with each of the provisions herein, will not (i) result in a violation or breach of or conflict with the certificate or articles of incorporation or bylaws of Skyworks, (ii) require any Consent by any Person under, contravene or conflict with or result in a violation or breach of, or constitute a default (or an event which, with notice or lapse of time or both, would constitute a default) under, or result in the termination or cancellation of, or give rise to a right of purchase under, or result in the transfer of any material asset of Skyworks to any Person, or accelerate the performance required by Skyworks under, or result in a right of termination or acceleration under, or result in the creation of any Lien (other than Permitted Liens) upon any of the properties or assets owned or operated by Skyworks pursuant to the terms, conditions or provisions of, any Material Contract or Skyworks Real Property Lease to which Skyworks is a party or by which it is bound, or (iii) violate any Judgment or any Law applicable to Skyworks or any of its properties or assets, except, in the case of clauses (ii) or (iii), for such violations, breaches or defaults that, or Consents, orders, registrations, declarations or filings the failure of which to make or obtain, would not reasonably be expected to impair the ability of Skyworks to perform its obligations hereunder or to consummate the transactions contemplated hereby on a timely basis.

ARTICLE III **COVENANTS**

3.1 Transfer Restrictions. From the date hereof through the earliest of (a) the Voting Covenant Expiration Date, (b) the conclusion of the Qorvo Stockholder Meeting, and (c) nine months from the date of this Agreement, each Stockholder agrees not to sell, transfer, pledge, encumber, assign, distribute, gift or otherwise dispose of (collectively, a "Transfer") or enter into any contract, option, put, call or other arrangement or understanding with respect to any Transfer (whether by actual disposition or effective economic disposition due to hedging, cash settlement or otherwise) of, any of the Shares, or any interest therein; provided that notwithstanding the foregoing, each Stockholder may Transfer any Shares to any transferee or transferees (the "Transferred Shares") if (i) such Stockholder retains direct or indirect sole voting control over such Transferred Shares that are Voting Shares through the earliest of clause (a), (b) or (c) of this Section 3.1 or (ii) as a condition to such transfer of Voting Shares, such transferee or transferees executes

an agreement that contains the same covenants regarding voting and transfer as are contained in this Agreement.

3.2 No Contravening Actions. Each Stockholder agrees not to take or agree or commit to take any action that would make any representation and warranty of such Stockholder contained in this Agreement inaccurate in any material respect. Each Stockholder further agrees that it shall use its commercially reasonable efforts to cooperate with any reasonable requests of either Qorvo or Skyworks (at the sole expense of Qorvo or Skyworks, as applicable) to effect the Transactions.

3.3 Further Assurances. From time to time and without additional consideration, each Stockholder shall execute and deliver, or cause to be executed and delivered, such additional certificates, instruments and other documents, and shall take such further actions, reasonably necessary under applicable Law to perform its obligations as expressly set forth under this Agreement.

3.4 Dissenter's Rights. Each Stockholder agrees not to exercise any appraisal or dissenter's rights available to Stockholder with respect to the Mergers pursuant to Section 262 of the DGCL.

3.5 No Solicitation. Each Stockholder will immediately cease, and will cause its respective Representatives to immediately cease, any discussions or negotiations with any Person that may be ongoing with respect to any Acquisition Proposal or any proposal that would reasonably be expected to lead to an Acquisition Proposal. From and after the date hereof and until the Voting Covenant Expiration Date, each Stockholder (in its or his capacity as a stockholder of Qorvo) agrees that it shall not, and shall cause each of its controlled affiliates not to, and use reasonable best efforts to cause each person that controls such Stockholder (each a "Representative") not to, directly or indirectly, (a) solicit, initiate or knowingly facilitate, encourage or induce (including by way of furnishing information), or take any other action designed to facilitate, any inquiry or the making of any proposal which constitutes, or would be reasonably expected to lead to, an Acquisition Proposal or (b) engage in any discussions or negotiations regarding any Acquisition Proposal (other than, solely in response to an unsolicited inquiry, to refer the inquiring person to this Section 3.5 and to limit its conversation or other communication exclusively to such referral). Each Stockholder acknowledges and agrees that, in the event any Representative of such Stockholder (acting in its capacity as such) takes any action that if taken by such Stockholder would be a breach of this Section 3.5, the taking of such action by such Representative will be deemed to constitute a breach of this Agreement (including this Section 3.5) by such Stockholder. Notwithstanding anything to the contrary in this Section 3.5, each Stockholder and its respective Representatives may engage in such activities at such times and to the extent that Qorvo or any of its Representatives is permitted to engage in such activities pursuant to the terms of the Merger Agreement as if such Stockholder and its Representatives were Qorvo or one of its Representatives under the Merger Agreement.

3.6 Public Announcements. Skyworks, Qorvo and each Stockholder (in its capacity as a stockholder of the Company and signatory to this Agreement) shall only make public announcements regarding this Agreement and the transactions contemplated hereby that are consistent with the public statements made by Skyworks and Qorvo in connection with this Agreement, the Merger Agreement and the transactions contemplated thereby, as applicable.

Skyworks, Qorvo and their respective Affiliates are authorized to disclose each Stockholder's identity and each Stockholder's holding of the Voting Shares and the nature of its commitments and obligations under this Agreement in any disclosure required by the SEC or other Governmental Body with respect to the Transactions, Company, Skyworks, Qorvo or their respective Affiliates (including for purposes of the Proxy Statement/Prospectus) and in the press release announcing the Transactions. Each Stockholder agrees promptly to give to Skyworks and Qorvo, after written request therefor, any information required to be disclosed pursuant to applicable securities Laws in such disclosure documents, and shall consider in good faith any requests to provide information required under any other applicable Law. Additionally, nothing in this Agreement shall preclude a Stockholder from making such filings as are required by applicable law in connection with the entering into of this Agreement, including an amendment to any Schedule 13D or Schedule 13G previously filed by a Stockholder with the Securities and Exchange Commission.

ARTICLE IV MISCELLANEOUS

4.1 Termination. This Agreement shall terminate upon the Voting Covenant Expiration Date; provided, however, that the provisions of this Article IV shall survive any termination of this Agreement and shall continue to be binding upon the parties hereto. Except as set forth in the proviso of the preceding sentence, in the event of such termination of this Agreement, this Agreement shall forthwith become void and have no effect, without any liability or obligation on the part of any party; provided, however, that nothing herein shall relieve any party hereto from liability for any fraud, intentional misrepresentation or willful and material breach of any of its representations, warranties, covenants or agreements set forth in this Agreement prior to the termination of this Agreement pursuant to clauses (b) through (d) of this Section 4.1.

4.2 No Ownership Interest. Nothing contained in this Agreement shall be deemed to vest in Skyworks any direct or indirect ownership or incidence of ownership of or with respect to any Voting Shares. All rights, ownership and economic benefits of and relating to the Voting Shares shall remain vested in and belong to each Stockholder, and Skyworks shall have no authority to manage, direct, superintend, restrict, regulate, govern or administer any of the policies or operations of Qorvo or exercise any power or authority to direct such Stockholder in the voting of any of the Voting Shares, except as otherwise provided herein.

4.3 Notices. All notices and other communications hereunder shall be in writing and shall be deemed duly delivered: (a) four (4) Business Days after being sent by registered or certified mail, return receipt requested, postage prepaid; (b) one (1) Business Day after being sent for next Business Day delivery, fees prepaid, via a reputable nationwide overnight courier service; or (c) if sent by email transmission, upon transmission (provided, that in the case of clause (c) no "bounce back" or similar message of non-delivery is received with respect thereto): (i) if to Skyworks or Qorvo, at the address set forth in Section 10.8 of the Merger Agreement (with a copy, which shall not constitute notice, to the party to receive a copy pursuant to Section 10.8 of the Merger Agreement at the address set forth therein), and (ii) if to a Stockholder, to the address set forth on the applicable signature page hereto.

4.4 ConstructionARTICLE I. For purposes of this Agreement, whenever the context requires: (a) the singular number shall include the plural, and vice versa; (b) the masculine gender shall

include the feminine and neuter genders; (c) the feminine gender shall include the masculine and neuter genders; and (d) the neuter gender shall include the masculine and feminine genders. The parties hereto agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in the construction or interpretation of this Agreement. As used in this Agreement, the words “include” and “including,” and variations thereof, shall not be deemed to be terms of limitation, but rather shall be deemed to be followed by the words “without limitation.” Except as otherwise indicated, all references in this Agreement to “Sections” and “Exhibits” are intended to refer to Sections of this Agreement and Exhibits to this Agreement.

4.5 Counterparts; Signatures. This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original but all of which together shall be considered one and the same agreement, and shall become effective when counterparts have been signed by each of the parties hereto and delivered to the other parties, it being understood that all parties need not sign the same counterpart. This Agreement may be executed and delivered by electronic mail in “portable document format” (“.pdf”) form or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by combination of such means.

4.6 Entire Agreement; No Third-Party Beneficiaries. This Agreement, including the exhibits and annexes hereto, constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, among the parties hereto with respect to the subject matter of this Agreement. This Agreement is not intended, and shall not be deemed, to confer any rights or remedies upon any person other than the parties hereto and their respective successors and permitted assigns or to otherwise create any third-party beneficiary hereto; provided that Qorvo shall be an express, intended third-party beneficiary of this Agreement and shall be entitled to enforce the terms of this Agreement against the parties hereto as if it were a party hereto.

4.7 Applicable Law; Jurisdiction. This Agreement and all actions (whether at law, in contract, in tort or otherwise) arising out of or relating to this Agreement, the negotiation, validity or performance of this Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws. All actions and proceedings (whether at law, in contract, in tort or otherwise) arising out of or relating to this Agreement, the negotiation, validity or performance of this Agreement shall be heard and determined in the Court of Chancery of the State of Delaware, and the parties hereto irrevocably submit to the jurisdiction of such court (and, in the case of appeals, the appropriate appellate court therefrom), in any such action or proceeding and irrevocably waive the defense of an inconvenient forum to the maintenance of any such action or proceeding. The parties hereto agree that service of any court paper may be made in any manner as may be provided under the applicable Law or court rules governing service of process in such court. The parties hereto agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law. EACH OF THE PARTIES HERETO IRREVOCABLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY LEGAL PROCEEDING (WHETHER AT LAW, IN CONTRACT, IN TORT OR OTHERWISE) ARISING OUT OF OR RELATED TO THIS AGREEMENT.

4.8 Specific Enforcement. Except as otherwise provided herein, any and all remedies herein expressly conferred upon a party hereto shall be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such party, and the exercise by a party hereto of any one remedy shall not preclude the exercise of any other remedy and nothing in this Agreement shall be deemed a waiver by any party of any right to specific performance or injunctive relief. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties hereto shall be entitled to seek an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, this being in addition to any other remedy to which they are entitled at law or in equity, and the parties hereto hereby waive the requirement of any posting of a bond in connection with the remedies described herein.

4.9 Amendment. At any time prior to the Effective Time, this Agreement may be amended or supplemented in any and all respects by written agreement signed by all of the parties hereto and Qorvo.

4.10 Extension of Time; Waiver. Any party hereto may, subject to applicable Law: (a) waive any inaccuracies in the representations and warranties of any other party hereto; (b) extend the time for the performance of any of the obligations or acts of any other party hereto; or (c) to the extent permitted by applicable Law, waive compliance by the other party hereto with any of the agreements contained in this Agreement or, except as otherwise provided in the Agreement, waive any of such party's conditions. Notwithstanding the foregoing, no failure or delay by the parties hereto in exercising any right hereunder shall operate as a waiver of rights, nor shall any single or partial exercise of such rights preclude any other or further exercise of such rights or the exercise of any other right hereunder. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed by all of the parties hereto and Qorvo.

4.11 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions of this Agreement or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If a final judgment of a court of competent jurisdiction declares that any term or provision of this Agreement is invalid or unenforceable, the parties hereto agree that the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the parties hereto agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

4.12 Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto, in whole or in part (whether by operation of law or otherwise), without the prior written consent of the other parties and Qorvo, and any

attempt to make any such assignment without such consent shall be null and void. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties hereto and their respective successors and assigns.

² Represents combined enterprise value as of the market close October 27, 2025.

Strategic Rationale and Transaction Highlights

The transaction is expected to deliver significant long-term value for customers, employees, and shareholders.

- **Enhanced Scale and Financial Profile:** With combined pro forma revenue of approximately \$7.7 billion and Adjusted EBITDA of \$2.1 billion³, the combined company will be better positioned to compete against larger players – supported by a stronger, more balanced revenue base that enables more predictable performance, a more efficient cost structure and resilient cash generation through cycles.
- **Stronger Innovation Pipeline:** The combination creates an innovative global RF, analog and power technology company that can provide customers with more highly integrated, complete solutions, as well as a broad range of products and technologies. The combined company will bring together world-class engineering talent, including approximately 8,000 engineers and technical experts, and over 12,000 issued and pending patents, enabling faster development of advanced, system-level solutions and unlocking new design-win opportunities to meet growing customer demand.
- **Creates \$5.1 Billion Mobile Business:** The combination brings together complementary RF technologies and best-in-class products, expanding opportunities in Mobile while driving greater revenue stability. The broader portfolio will enhance our competitiveness across platforms, deepen customer integration and diversify our technology base – while strengthening our position to address rising RF complexity.
- **Establishes \$2.6 Billion Diversified Broad Markets Platform:** The transaction creates a \$2.6 billion Broad Markets platform with a growing and profitable TAM across defense & aerospace, edge IoT, AI data center and automotive markets. These markets are characterized by attractive secular growth trends, long product life cycles and favorable gross margins.
- **Advances Domestic Manufacturing Position and Improves Utilization:** The combined company will strengthen its domestic production capacity and enhance its capital efficiency, supported by a robust network of supply chain partners to meet the needs of high-volume and highly specialized customers.
- **Immediately and Meaningfully Accretive:** The transaction is expected to be immediately and meaningfully accretive to non-GAAP EPS post-close, with \$500 million or more of annual cost synergies within 24-36 months post-close when the companies are fully integrated.

Transaction Details

Under the terms of the agreement, Qorvo shareholders will receive \$32.50 in cash and 0.960 of a Skyworks common share for each Qorvo share held at the close of the transaction, which implies a combined enterprise value of approximately \$22 billion⁴.

Upon closing, Skyworks shareholders will own approximately 63 percent of the combined company, while Qorvo shareholders will own approximately 37 percent, on a fully-diluted basis. Phil Brace will serve as chief executive officer of the combined company; Bob Bruggeworth will join the Board of Directors of the combined company. The combined company's Board of Directors will comprise 11 directors, eight from Skyworks and three from Qorvo.

Skyworks plans to fund the cash portion of the transaction using a combination of cash on hand and additional financing. Skyworks has obtained debt financing commitments from Goldman Sachs Bank USA. The transaction is not subject to any financing conditions. The combined company's net leverage at closing is expected to be approximately 1.0x last-twelve-month Adjusted EBITDA⁵. This favorable capital structure will allow for continued investments in the business to drive shareholder value.

Timing and Approvals

The Boards of Directors of both companies have unanimously approved the transaction, which is expected to close in early calendar year 2027, subject to the receipt of required regulatory approvals, approval of Skyworks shareholders and Qorvo shareholders and the satisfaction of other customary closing conditions. Starboard Value LP, an approximately 8 percent⁶ shareholder of Qorvo, has signed a voting agreement in support of the transaction.

Preliminary Financial Results

In a separate press release issued today, Skyworks announced preliminary financial results for its fourth quarter and full fiscal 2025. As planned, Skyworks will issue a press release and host a conference call with analysts to share its full fourth quarter financial results on November 4, 2025.

Also, in a separate press release issued today, Qorvo announced preliminary results for its fiscal 2026 second quarter. The press release can be accessed at: <https://ir.qorvo.com> (under "Financial Releases"). Qorvo will announce fiscal 2026 second quarter financial results and host a conference call on November 3, 2025.

Conference Call Information
